Michael R. Pitts

Sixguns and Double Eagles Ralph Compton,1998-01-01 Two young gunslingers ride into the heart of evil in this Ralph Compton western. Nathan Stone was a legendary gunfighter who did everything he could to be a father—while still following his own violent trail of honor. Now Wes Stone, barely eighteen, but full of the hard wisdom of the West, is being drawn into the kind of fight that cost his father his life. A secret organization of criminals is replacing freshly minted gold with counterfeit coins, threatening to plunge the growing nation into crisis. Called upon to penetrate this conspiracy that reaches from New Orleans to California, Wes and his fellow warrior, El Lobo, find themselves targeted by hired killers with a deadly plan of their own... Six-Guns Blazing Andy Rausch,2022-02-16 Six-Guns Blazing contains two explosive short novels featuring historical figures from the Old West in wildly fictional new adventures. The first, Wyatt Earp and the Devil Incarnate, pits the legendary lawman and his right-hand man, Doc Holliday, against a deadly serial killer leaving a trail of dead bodies in his wake. The second novella, Emmett Dalton Rides Again!, imagines notorious bank robber Emmett Dalton picking up his guns as an elderly man in 1933 and robbing banks alongside the likes of John Dillinger and Machine Gun Kelly. This book contains graphic violence and is not suitable for readers under the age of 18.

Six Guns and Silver Stars Misty Graves-Thomason,2009-08-24 In the wilds of Colorado, a lawless group murders families and takes what they want until a group of brothers and their friends join forces to stop their murderous rampage. Chase and his brothers are out to get the people responsible for murdering their parents best friends and in the process finding that love is in their sight and not impossible to reach.

Six Guns Sara V. Zook,2016-03-27 Life is good-too good. When you have everything at your fingertips, it's like a ticking bomb just waiting to go off. Nicky Cain's just biding his time until everything explodes in his face. The City of Haven fears him. He's risen to power and brought along with him a reputation for

brutality that knows no mercy. After a little taste, he now craves more respect, more power, more money. But there is still one unanswered question-who is Carmine's murderer? Paranoia is setting in as Nicky is constantly looking over his shoulder. Someone's waiting for Nicky to slip. He can feel it. They're passing time until the right moment to send Nicky spiraling to his grave. It's keeping him up at night, and even his relationship with Lilah suffers. Who's on his side? Who's against him? His life has become a giant game of chess. He needs to figure out who are his pawns. Someone else wants to be king. Nicky Cain just hopes he can play smart enough to call checkmate first.

Ghost Guns Mark A. Tallman,2020-08-13 With thorough analysis and balanced reporting, *Ghost Guns: Hobbyists, Hackers, and the Homemade Weapons Revolution* is an essential resource for readers seeking to understand the rise of homemade firearms and future options for managing them. For more than a century, strict gun control was possible because firearms were produced in centralized industrial factories. Today, the Fourth Industrial Revolution, combining old and new technologies, threatens to upend this arrangement. An increasing number of hobbyists, makers, technology provocateurs, and sophisticated criminals are proving that you don't need a factory to make guns anymore. The security challenges of this transformation are increasingly apparent, but the technologies behind it hold tremendous potential, and while ignoring the security implications would entail risks, the costs of new policies also must be evaluated. Do-it-yourself, or DIY, weapons will bring significant ramifications for First and Second Amendment law, international and homeland security, crime control, technology, privacy, innovation, and the character of open source culture itself. How can a liberal society adjust to technologies that make it easier to produce weapons and contraband? Informative and thought-provoking, *Ghost Guns: Hobbyists, Hackers, and the Homemade Weapons Revolution* carefully analyzes the technical, legal, social, political, and criminological trends behind this challenging new area of illicit weapons activity.

Western Movies Michael R. Pitts,2012-12-21 This revised and greatly expanded edition of a well-established reference book presents 5105 feature length (four reels or more) Western films, from the early silent era to the present. More than 900 new entries are in this edition. Each entry has film title, release company and year, running time, color indication, cast listing, plot synopsis, and a brief critical review and other details. Not only are Hollywood productions included, but the volume also looks at Westerns made abroad as well as frontier epics, north woods adventures and nature related productions. Many of the films combine genres, such as horror and science fiction Westerns. The volume includes a list of cowboys and their horses and a screen names cross reference. There are more than 100 photographs.

Six-Gun Shuffle David Dixon,2021-12-21 Snake and the boss have made a lot of enemies, but up until their trip to Yaeger, they've never had any beef with Michael Ver, the galaxy's most bankable popstar-mainly because they hadn't met him before. After the boss teaches Ver a lesson about the difference between looking tough and being tough, he finds himself a minor viral video star and catches the eye of a gorgeous redhead named Kell. Things are looking up. That is, until Kell goes missing and the boss goes after her. After a shootout with Ver's crew, things go from bad to worse-nobody can find Ver, and Snake and the boss

are the prime suspects in his disappearance. The next thing they know they've got a bounty on their heads and hardly a friend in sight. Carla and Kell are the only people they can count on, but has Kell been playing a different game all along? It's a mixed-up tale of bounty hunters, crooked cops, popstars and... insurance agents?... in Six-Gun Shuffle.

Hack Six Guns Introduction

In the digital age, access to information has become easier than ever before. The ability to download Hack Six Guns has revolutionized the way we

consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Hack Six Guns has opened up a world of possibilities. Downloading Hack Six Guns provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Hack Six Guns has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Hack Six Guns. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Hack Six Guns. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Hack Six Guns, users should also consider the potential security risks associated with online

platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Hack Six Guns has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
