Readers' Workshop Hagerty, 1992-01-01

In Polite Company Gervais Hagerty, 2021-08-17 “This terrific debut lifts the veil on the charming old city of Charleston and a prominent Lowcountry family to deliver an entertaining story about becoming yourself without totally rejecting your past. Plus: debutante balls! I love this novel.” —Lauren Weisberger, #1 New York Times bestselling author of *The Devil Wears Prada* and *When Life Gives You Lululemons* A captivating debut novel that looks inside the private lives of Charleston aristocracy, where a former debutante learns that sometimes good behavior leads to bad decisions. Tourists think they see the real Charleston, but Simons Smythe knows there’s more to her hometown than sweet tea and Southern hospitality. Behind the walled gardens, inside the fabled historic homes, live Charleston’s elite. Simons was born into this powerful aristocracy that has quietly ruled the city for centuries. Simons’s family has a banner year ahead; Her older sister will give birth to her second child, and her younger sister will make her debut—a series of cocktail parties and balls to introduce her to society. And in one year, Simons plans to marry Trip. She hopes that’s enough time to fall back in love. Simons produces the news at a local TV station, a job that increasingly tests her loyalty to her family and friends. On her days off, Simons surfs the waves of Folly Beach, crabs the salty rivers of Edisto Island, and follows her wayward heart to King Street bars. The one touchstone in this confusing time is her elegant and secretive grandmother, Laudie, who—repeatedly and mysteriously—urges Simons to “be brave”. In this sparkling novel, Simons unlocks riddles from the past, flirts with a new future, and discovers that some rules are made to

be broken.

Every Bitter Thing Is Sweet Sara Hagerty, 2014-10-07 Sara Hagerty masterfully draws from her own story of spiritual and physical barrenness to birth in readers a new longing for God. With exquisite storytelling and reflection, Hagerty guides readers to a tender place that God is holding just for them—a place where he shapes the bitterness of lost expectations into deep, new places of knowing Him. In the age of fingertip access to answers and a limitless supply of ambitions, where do we find the God who was birthed in dirt and straw? Sara Hagerty found him when life stopped working for her. She found him when she was a young adult mired in spiritual busyness and when she was a new bride with doubts about whether her fledgling marriage would survive. She found him alone in the night as she cradled her longing for babies who did not come. She found him as she kissed the faces of children on another continent who had lived years without a mommy's touch. In *Every Bitter Thing Is Sweet*, Hagerty masterfully draws from the narrative of her life to craft a mosaic of a God who leans into broken stories. Here readers see a God who is present in every changing circumstance. Most significantly, they see a God who is present in every unchanging circumstance as well. Whatever lost expectations readers are facing—in family, career, singleness, or marriage—*Every Bitter Thing Is Sweet* will bring them closer to a God who longs for them to know him more. What does it look like to know God's nearness when life breaks? What does it mean to receive his life when earthly life remains barren? How can God turn the bitterness of unmet desire into new flavors of joy? With exquisite storytelling and reflection, Hagerty brings readers back to hope, back to healing, back to a place that God is holding for them alone—a place where the unseen is

more real than what the eye can perceive. A place where every bitter thing is sweet.

Adore Sara Hagerty, 2020-03-31 For anyone who longs to experience God in the thick of life's demands, Sara Hagerty's Adore offers a simple, soul-nourishing practice for engaging with God in the middle minutes of your day. None of us signed up for a conventional experience with the unconventional God, yet too often the spiritual life can become routine, dare we say, even boring. In Adore, Sara Hagerty gives us all permission to admit I barely know You, God, and with this honest admission, to scoot a little nearer to this familiar stranger. Adoration is the simple practice Sara discovered for starting where you are, and letting the grit of your day greet the beauty of God's presence. Adoration is for the woman who feels frenzied and fearful in the middle minutes of her day. It is a simple practice for 7:37 a.m. when the children are waking and the dryer is already humming but also for the 12:17 p.m. lunch break and for 5:53 p.m. while stuck in traffic. Adoration is the place where we put how we feel in front of God's Word, and watch what happens to our insides. It's what you were made for. Join Sara in this soul-stirring journey through thirty attributes of God which you can walk through at your own pace. Learn how the simple habit of adoration--in the middle minutes of your day--can help you see God with fresh eyes, and talk to Him right there. Experience a new way of engaging with God in your everyday. Adore will show you how.

Life Reimagined Barbara Bradley Hagerty, 2016-03-15 A dynamic and inspiring exploration of the new science that is redrawing the future for people in their forties, fifties, and sixties for the better—and for good. There's no such thing as an inevitable midlife crisis, Barbara Bradley Hagerty writes in this provocative, hopeful book. It's a

myth, an illusion. New scientific research explodes the fable that midlife is a time when things start to go downhill for everybody. In fact, midlife can be a great new adventure, when you can embrace fresh possibilities, purposes, and pleasures. In *Life Reimagined*, Hagerty explains that midlife is about renewal: It's the time to renegotiate your purpose, refocus your relationships, and transform the way you think about the world and yourself. Drawing from emerging information in neurology, psychology, biology, genetics, and sociology—as well as her own story of midlife transformation—Hagerty redraws the map for people in midlife and plots a new course forward in understanding our health, our relationships, even our futures.

The Diary of James C. Hagerty James Campbell Hagerty, 1983

Unseen Sara Hagerty, 2017-08-29 How do we find contentment in God when we feel so hidden? Sara Hagerty unfolds the truths found in the biblical story of Mary of Bethany to discover the scandalous love of God and explore the spiritual richness of being hidden in him. Every heart longs to be seen and understood. Yet most of our lives is unwitnessed. We spend our days working, driving, parenting. We sometimes spend whole seasons feeling unnoticed and unappreciated. In *Unseen*, Sara Hagerty suggests that this is exactly what God intended. He is the only One who truly knows us. He is the only One who understands the value of the unseen in our lives. When this truth seeps into our souls, we realize that only when we hide ourselves in God can we give ourselves to others in true freedom--and know the joy of a deeper relationship with the God who sees us. Our culture applauds what we can produce, what we can show, what we can upload to social media. Only when we give all of ourselves to God--unedited, abandoned, apparently wasteful in its

lack of productivity--can we live out who God created us to be. As Hagerty writes, Maybe my seemingly unproductive, looking-up-at-Him life produces awe among the angels. Through an eloquent exploration of both personal and biblical story, Hagerty calls us to offer every unseen minute of our lives to God. God is in the secret places of our lives that no one else witnesses. But we've not been relegated to these places. We've been invited. We may be wasting ourselves in a hidden corner today: The cubicle on the fourth floor. The hospital bedside of an elderly parent. The laundry room. But these are the places God uses to meet us with a radical love. These are the places that produce the kind of unhinged love in us that gives everything at His feet, whether or not anyone else ever proclaims our name, whether or not anyone else ever sees. God's invitation is not just for a season or a day. It is the question of our lives: When no one else applauds you, when it makes no sense, when you see no results--will you waste your love on Me?

Grand Forks Marilyn Hagerty, *The Grand Forks Herald*, 2013-08-27 Once upon a time, salad was iceberg lettuce with a few shredded carrots and a cucumber slice, if you were lucky. A vegetable side was potatoes—would you like those baked, mashed, or au gratin? A nice anniversary dinner? Would you rather visit the Holiday Inn or the Regency Inn? In Grand Forks, North Dakota, a small town where professors moonlight as farmers, farmers moonlight as football coaches, and everyone loves hockey, one woman has had the answers for more than twenty-five years: Marilyn Hagerty. In her weekly Eatbeat column in the local paper, Marilyn gives the denizens of Grand Forks the straight scoop on everything from the best blue plate specials—beef stroganoff at the Pantry—to the choicest truck stops—the Big Sioux (and its lutefisk lunch special)—to the ambience of the

town's first Taco Bell. Her verdict? A cool pastel oasis on a hot day. No-nonsense but wry, earnest but self-aware, Eatbeat also encourages the best in its readers—reminding them to tip well and why—and serves as its own kind of down-home social register, peopled with stories of ex-postal workers turned café owners and prom queen waitresses. Filled with reviews of the mom-and-pop diners that eventually gave way to fast-food joints and the Norwegian specialties that finally faded away in the face of the Olive Garden's endless breadsticks, Grand Forks is more than just a loving look at the shifts in American dining in the last years of the twentieth century—it is also a surprisingly moving and hilarious portrait of the quintessential American town, one we all recognize in our hearts regardless of where we're from.

The Fateful History of Fannie Mae James R. Hagerty, 2012-09-04 “A lucid and meticulously reported book by one of the Wall Street Journal’s ace reporters” (George Anders, Forbes contributor and author of *The Rare Find*). In 1938, the administration of Franklin Delano Roosevelt created a small agency called Fannie Mae. Intended to make home loans more accessible, the agency was born of the Great Depression and a government desperate to revive housing construction. It was a minor detail of the New Deal, barely recorded by the newspapers of the day. Over the next seventy years, Fannie Mae evolved into one of the largest financial companies in the world, owned by private shareholders but with its nearly \$1 trillion of debt effectively guaranteed by the government. Almost from the beginning, critics repeatedly warned that Fannie was an accident waiting to happen. Then, in 2008, the housing market collapsed. Amid a wave of

foreclosures, the company's capital began to run out, and the US Treasury seized control. From the New Deal to President Obama's administration, James R. Hagerty explains this fascinating but little-understood saga. Based on the author's reporting for the Wall Street Journal, personal research, and interviews with executives, regulators, and congressional leaders, *The Fateful History of Fannie Mae*, he explains the politics, economics, and human frailties behind seven decades of missed opportunities to prevent a financial disaster.

Just a Collection of Recollections About Stuff That Really and Truly Happened As I Recall James Louis Hagerty, 2020-10-30 We all reach a certain age where we can remember exactly what we did, said, and felt on any particular day thirty or so years ago, but forget where we parked the car last night. This occurred to me at the age mark of 57, and not being one to look a gift horse in the mouth, I am going to ride this wagon till the damn wheels fall off. How many times has each of us been told that we should write a book after relaying this or that odd thing that occurred in our lives? I just did.

Choosing Eros Julie Hagerty,2019-06-12 Julie, an eleven-year-old Irish Catholic, had no inkling that the mysterious yet undeniable bond formed in a fleeting encounter with a priest would later transform her life. This memoir, in part told through actual letters, is the inspiring story of how two souls, grounded in faith and destined to be together, escape violence to move confidently from darkness to light and from fear to love.

Khalil and Mr. Hagerty and the Backyard Treasures Tricia Springstubb,2020-05-26 A

sweet friendship spanning age and culture blooms in a shared backyard. Khalil lives in the upstairs apartment with his family, which is big and busy and noisy. Downstairs lives Mr. Hagerty, who is quiet. Khalil and Mr. Hagerty don't appear to have a lot in common, but hot summer days have a way of bringing people together. As Khalil looks for buried treasure in the yard, Mr. Hagerty tends to his garden. Both help each other navigate language — whether it be learning new words or remembering those seemingly forgotten. Before long, an unlikely friendship is born, full of treasure, thoughtfulness, and chocolate cake. Through well-cultivated details and vibrant cut-paper collage, author Tricia Springstubb and illustrator Elaheh Taherian nurture a heart-tugging tribute to the love of good neighbors and to the strength of intergenerational and intercultural bonds.

South Asia in World Politics Devin T. Hagerty, 2005 *South Asia in World Politics* offers a comprehensive introduction to the politics and international relations of South Asia, a key area encompassing the states of Afghanistan, Bangladesh, Bhutan, India, the Maldives, Nepal, Pakistan, and Sri Lanka. While U.S. interest has long been sporadic and reactive, 9/11 alerted Washington that paying only fitful attention to one of the world's most volatile and populous regions was a recipe for everyday instability, repeated international crises, major and minor wars, and conditions so chronically unsettled that they continue to provide a fertile breeding ground for transnational Islamic terrorism. Exploring the many facets of this dynamic region, the book also assesses U.S. policy toward Afghanistan and explains the importance of Bangladesh and Pakistan, two of only a handful of Islamic states with significant track records as democracies.

Public Works Neil Hagerty, 2005 *A Collection of seventeen satirical essays and short*

stories born from the singular imagination of a forerunner of the alternative music scene. Nigel Hagerty filters the universe and alters the mind sight, with his typical dry wit and natural talent for satire. His command of language and distinctive storytelling abilities are showcased in these twisted tales and essays. From tales of the American underclass to sports nights and Dracula this collection will draw the reader in and astound them.
