Encyclopedia of Hair Victoria Sherrow, 2023-03-30 This popular volume on the culture of hair through human history and around the globe has been updated and revised to include even more entries and current information. How we style our hair has the ability to shape the way others perceive us. For example, in 2017, the singer Macklemore denounced his hipster undercut hairstyle, a style that is associated with Hitler Youth and alt-right men, and in 2015, actress Rose McGowan shaved her head in order to take a stance against the traditional Hollywood sex symbol stereotype. This volume examines how hair-or lack thereof-can be an important symbol of gender, class, and culture around the world and through history. Hairstyles have come to represent cultural heritage and memory, and even political leanings, social beliefs, and identity. This second edition builds upon the original volume, updating all entries that have evolved over the last decade, such as by discussing hipster culture in the entries on beards and mustaches and recent medical breakthroughs in hair loss. New entries have been added that look at specific world regions, hair coverings, political symbolism behind certain styles, and other topics.

There are also beautiful hairstyles for all the other ladies of the bridal party, from the flower girls to the maid of honor.

Vintage Hair Styles of the 1940s Bethany Jane Davies, 2014-10-31 The 1940s were exciting times for women, heralding new looks and, crucially, new hair styles. Vintage Hair Styles of the 1940s provides a complete guide to those hair styles. It takes a step-by-step approach to demonstrate how to achieve the styles for yourself or for your clients at home, in a salon or in the studio. More than thirty of the most common styles of the decade are illustrated with over 1,000 colour photographs and diagrams. It also charts the history of 1940s hair fashion and provides guidance on how best to achieve vintage looks for those wishing to re-enact, model or wear the classic styles of the era. Includes thirty step-by-step hair tutorials, and covers heat setting and wet setting with twenty pin-curl patterns. With further information on modern and traditional methods, troubleshooting, tips and tricks and a hair accessories guide this is the complete guide to recreating authentic hair styles of the 1940s. For vintage enthusiasts, students of hair and fashion, theatre designers and those looking to re-create the styles of the era. Superbly illustrated with over 1000 colour photographs and diagrams.
