It has tremendous power and purpose, which benefit all of mankind--those who are with us now, and those who have moved into the hereafter. Among the dark shadows and foggy mist, the living have long searched the night on Halloween. Some catch a fleeting glimpse or vision of a loved one. Others are touched by the gift of a telepathic message. In some mysterious way, the spirits feel your every thought and hear your every word on this mystical, magical night. *The Power of Halloween* draws on author Diana Millay's heritage: witches and witchcraft. It does not come from history books but from stories passed on by generations of a family of mystics who have made magic since the beginning of time.
