

Hand Of War

Joseph Spark

The Hard Hand of War Mark Grimsley,1995 This volume explores the Union army's treatment of Southerners during the Civil War, emphasising the survival of political logic and control.

Stay the Hand of Vengeance Gary Jonathan Bass,2014-04-28 International justice has become a crucial part of the ongoing political debates about the future of shattered societies like Bosnia, Kosovo, Rwanda, Cambodia, and Chile. Why do our governments sometimes display such striking idealism in the face of war crimes and atrocities abroad, and at other times cynically abandon the pursuit of international justice altogether? Why today does justice seem so slow to come for war crimes victims in the Balkans? In this book, Gary Bass offers an unprecedented look at the politics behind international war crimes tribunals, combining analysis with investigative reporting and a broad historical perspective. The Nuremberg trials powerfully demonstrated how effective war crimes tribunals can be. But there have been many other important tribunals that have not been as successful, and which have been largely left out of today's debates about international justice. This timely book brings them in, using primary documents to examine the aftermath of the Napoleonic Wars, World War I, the Armenian genocide, World War II, and the recent wars in the former Yugoslavia. Bass explains that bringing war criminals to justice can be a military ordeal, a source of endless legal frustration, as well as a diplomatic nightmare. The book takes readers behind the scenes to see vividly how leaders like David Lloyd George, Winston Churchill, Franklin Roosevelt, and Bill Clinton have wrestled with these agonizing moral dilemmas. The book asks how law and international politics interact, and how power can be made to serve the cause of justice. Bass brings new archival research to bear on such events as the prosecution of the Armenian genocide, presenting surprising episodes that add to the historical record. His sections on the former Yugoslavia tell--with important new discoveries--the secret story of the politicking behind the prosecution of war crimes in Bosnia, drawing on interviews with senior White House officials, key diplomats, and chief prosecutors at the war crimes tribunal for the former Yugoslavia. Bass concludes that despite the obstacles, legalistic justice for war criminals is nonetheless worth pursuing. His arguments will interest anyone concerned about human rights and the pursuit of idealism in international politics.

War's Relentless Hand Mark H. Dunkelman,2006-10-21 A happy-go-lucky soldier falls at Gettysburg. An officer survives a hair-raising escape after capture at Gettysburg, only to die in the Atlanta campaign. A young volunteer retreats into insanity. Though they did most of the fighting and dying in the American Civil War, ordinary soldiers largely went unheralded in their day and have long since been forgotten. Mark H. Dunkelman retrieves twelve of these common soldiers from obscurity and presents intimate accounts of their harrowing, heartbreaking, and occasionally humorous experiences. Their stories, true to the last historical detail yet as dramatic as the most powerful fiction, put a human face on the terrible ordeal of a country at war with itself. These were soldiers from the 154th New York Volunteer Infantry, a regiment that Dunkelman has studied for forty years. He weaves a complex and intimate portrait of each man -- portraits that reveal how, even for the common soldier, war was a cataclysmic event forever marking his life and the lives of those around him. Through a vast array of primary sources, Dunkelman reconstructs the lives and legacies of soldiers who died on the battlefield and others who later died of war-related injuries, some who were permanently disabled and others who saw their families undergo trauma. A reluctant soldier is doomed by red tape. A veteran is crippled for life because of his brutal treatment as a prisoner of war. Father and son are killed at Chancellorsville. A dying private is immortalized by Walt Whitman. Separated by the war, a husband and wife agonize when their children contract a deadly disease. A veteran claiming he was blinded by campfire smoke is at the center of one of the largest pension scandals of the postwar era. Recalling a lost world, *War's Relentless Hand* tells of the resilience, perseverance, and loyalty that distinguished these men, the families and communities that supported them, and the faith and character that sustained them. Though the full human cost and grief of the Civil War can never be calculated, deeply felt and carefully retold lives like these help convey its magnitude.

He Teaches My Hands to War Larry Stockstill,2007-04 He Teaches My Hands to War As a believer, you are engaged in a fierce war with the devil and his demons. They want nothing more than to steal your worship of God and chip away at the fabric of your spiritual life. Their ultimate goal is to take you to hell with them when you die. But you are not left to fend for yourself! God wants to teach you how to engage the enemy and come out on top. He wants to embolden you to fight with every fiber of your being as you wage war for your family, finances, and every area of life. He wants to empower you to violently assail the kingdom of darkness and step confidently into your calling as a liberator. He's ever watching, ever guarding, ever protecting, as He teaches your hands to war! Larry Stockstill is senior pastor of Bethany World Prayer Center in Baton Rouge, Louisiana. As one of America's leading cell churches, Bethany is known for its small group mentoring relationships and its emphasis on prayer and missions outreach. The church currently holds weekend services at three campuses in the Baton Rouge area and meets weekly in small groups around the city. Pastor Stockstill is also president of Heartbeat of Louisiana, a coalition of pro-life ministers. In addition, he serves on the board of directors for Church Growth International in Seoul, Korea. He also hosts a local television program called Lifeline with Larry Stockstill. From 1998 to 2004, Pastor Stockstill led a weekly Bible study at the Governor's Mansion for Governor Mike Foster of Louisiana and his staff.

Cold War 2: The Start of a New Conflict - Russia's Hand in Ukraine Joseph Spark,2014-09-19 In recent times, United States and Russia have had much to squabble over. However, between the Russian occupation of Crimea, the U.S. sanctions that followed, as well as granting Edward Snowden asylum; Russia's and the United States leadership is threatening to finally push these old foes to full blown conflict – the Second Cold War. Since the end of the Cold War in the early 90s, following the disintegration of the Soviet Union, the palpable international tension as well as the stark political and economic chasm that separated the two main blocs has slowly disappeared. Nonetheless, the perpetual conflict between the United States and the Russian Federation continues to be expressed in subtle ways. Although these two nations have sometimes been forced to forgo their conflict and collaborate to ensure mutual prosperity and international security, their association has generally been met with cynical apprehension.

Witness to the Civil War Jim Lewin,2006-08-01 For four bloody years, the Civil War ravaged America. Those at home could only imagine the sights and events overtaking their husbands and sons, fathers and brothers who were under arms. Frank Leslie's Illustrated Newspaper was a primary source of information during those dark days. The reporters and artists who traveled with the armies were eyewitnesses to events, great and small, for their captivated readers. Sometimes the news was sensational. At other times it was tragic. But it was always eagerly sought after. Here are the accounts, in pictures and stories, of those first wartime journalists. Here are their reports from the front lines. Here is the Civil War's news as originally presented to loved ones at home. Here you will find images of the battles, the leaders, the camp life, and of the soldiers who gave their all for North and South. In your hands you hold the testimony of those who were Witness to the

Civil War.

The Dead Hand David Hoffman,2010-08-03 WINNER OF THE PULITZER PRIZE The first full account of how the Cold War arms race finally came to a close, this riveting narrative history sheds new light on the people who struggled to end this era of massive overkill, and examines the legacy of the nuclear, chemical, and biological weapons that remain a threat today. Drawing on memoirs, interviews in both Russia and the US, and classified documents from deep inside the Kremlin, David E. Hoffman examines the inner motives and secret decisions of each side and details the deadly stockpiles that remained unsecured as the Soviet Union collapsed. This is the fascinating story of how Reagan, Gorbachev, and a previously unheralded collection of scientists, soldiers, diplomats, and spies changed the course of history.

The Desolating Hand Lowell Gene Wise,2006

The Civil War in Apacheland George O. Hand,1996 The publication of *Whiskey, Six-Guns and Red-Light Ladies* in 1994 introduced readers to the ribald 1870s diary of frontier saloon keeper, George Hand. More than a decade earlier, George Hand kept another spirited journal, this one recording his service with the Union Army. Marching from California through Arizona, West Texas and southern New Mexico, Sergeant Hand and the other volunteers of the California Column protected the southwest from further invasions by the Texas Rebels. Their hardships and adventures are recorded in Hand's salty journal; heat, dust, thirst and cold; ethnic tensions, frontier whiskey, and Apache depredations; bad food and disease; and imperious officers whom enlisted man Hand does not hesitate to cuss. George Hand also hunted ducks and quail in a pristine Southwest, pulled huge catfish from the Rio Grande, and rescued a damsel in distress. *The Civil War in Apacheland* provides an intimate view of a little-known theater of the Civil War, and is the first-hand chronicle of an army that contributed mightily to the American settlement of the Southwest.

While in the Hands of the Enemy Charles W. Sanders, Jr.,2005-10-01 During the four years of the American Civil War, over 400,000 soldiers -- one in every seven who served in the Union and Confederate armies -- became prisoners of war. In northern and southern prisons alike, inmates suffered horrific treatment. Even healthy young soldiers often sickened and died within weeks of entering the stockades. In all, nearly 56,000 prisoners succumbed to overcrowding, exposure, poor sanitation, inadequate medical care, and starvation. Historians have generally blamed prison conditions and mortality rates on factors beyond the control of Union and Confederate command, but Charles W. Sanders, Jr., boldly challenges the conventional view and demonstrates that leaders on both sides deliberately and systematically ordered the mistreatment of captives. Sanders shows how policies developed during the American Revolution, the War of 1812, and the Mexican War shaped the management of Civil War prisons. He examines the establishment of the major camps as well as the political motivations and rationale behind the operation of the prisons, focusing especially on Camp Douglas, Elmira, Camp Chase, and Rock Island in the North and Andersonville, Cahaba, Florence, and Danville in the South. Beyond a doubt, he proves that the administrations of Abraham Lincoln and Jefferson Davis purposely formulated and carried out retaliatory practices designed to harm prisoners of war, with each assuming harsher attitudes as the conflict wore on. Sanders cites official and personal correspondence from high-level civilian and military leaders who knew about the intolerable conditions but often refused to respond or even issued orders that made matters far worse. From such documents emerges a chilling chronicle of how prisoners came to be regarded not as men but as pawns to be used and then callously discarded in pursuit of national objectives. Yet even before the guns fell silent, Sanders reveals, both North and South were hard at work constructing elaborate justifications for their actions. *While in the Hands of the Enemy* offers a groundbreaking revisionist interpretation of the Civil War military prison system, challenging historians to rethink their understanding of nineteenth-century warfare.

War With Empty Hands, Supplement 2 Lenox Cramer,1991-10-01

The Red Hand of Fury R.N. Morris,2018-07-01 A series of bizarre suicides leads Detective Inspector Silas Quinn to revisit his own troubled past ... June, 1914. A young man is mauled to death by a polar bear at London Zoo. Shortly afterwards, another young man leaps to his death from a notorious Suicide Bridge. Two seemingly unconnected deaths – and yet there are similarities. Following a third attempted suicide, DI Silas Quinn knows he must uncover the link between the three men if he is to discover what caused them to take their own lives. The one tangible piece of evidence is a card found in each of the victims’ possession, depicting a crudely-drawn red hand. What does it signify? To find the answers, Quinn must revisit his own dark past. But can he keep his sanity in the process?

Maiwa's Revenge; Or, the War of the Little Hand. - War College Series H. Rider Haggard,2015-02-24 This is a curated and comprehensive collection of the most important works covering matters related to national security, diplomacy, defense, war, strategy, and tactics. The collection spans centuries of thought and experience, and includes the latest analysis of international threats, both conventional and asymmetric. It also includes riveting first person accounts of historic battles and wars. Some of the books in this Series are reproductions of historical works preserved by some of the leading libraries in the world. As with any reproduction of a historical artifact, some of these books contain missing or blurred pages, poor pictures, errant marks, etc. We believe these books are essential to this collection and the study of war, and have therefore brought them back into print, despite these imperfections. We hope you enjoy the unmatched breadth and depth of this collection, from the historical to the just-published works.

The American Civil War Christopher J. Olsen,2007-04-15 Succinct, with a brace of original documents following each chapter, Christopher J. Olsen's *The American Civil War* is the ideal introduction to American history's most famous, and infamous, chapter. Covering events from 1850 and the mounting political pressures to split the Union into opposing sections, through the four years of bloodshed and waning Confederate fortunes, to Lincoln's assassination and the advent of Reconstruction, *The American Civil War* covers the entire sectional conflict and at every juncture emphasizes the decisions and circumstances, large and small, that determined the course of events.
