**Haunt Me Still** Jennifer Lee Carrell, 2011-02-22 The modern heroine of the national bestseller *Interred with Their Bones* returns, in a thriller centering on Shakespeare's eeriest play. A legendary theatrical curse . . . A rune-engraved blade, a mysterious mirror, and an ancient cauldron . . . And a ritually murdered body laid out in the manner of ancient pagan burials. Kate Stanley, Jennifer Lee Carrell's dauntless Shakespearean scholar-turned-director, made a memorable—and New York Times bestselling—debut in *Interred with Their Bones*. Having chased down her mentor's killer (and recovering one of Shakespeare's lost plays in the process), Kate's fame as a director with an expertise in occult Shakespeare catapults her—and Ben Pearl, her partner in crime-solving—into a new production of *Macbeth*, showcasing a fabled collection of objects relating both to the play and the historical Scottish king for whom it is named. The Bard's witch-haunted play is famously cursed, its reputation for malevolence so strong that many actors refuse to quote or even name the play aloud. And as rehearsals begin at the foot of Scotland's Dunsinnan Hill, it doesn't take long for the curse to stir. Strange references to the boy actor who first played Lady Macbeth in Shakespeare's day—and died in the role—pop up. A trench atop Dunsinnan Hill is found filled with blood, and a severed human thumb turns up among the props. And Kate begins sleepwalking, waking early one morning alone atop the hill, her hands smeared with blood. Kate has no memory of how she got there, but later that day a local woman is found dead on the hill in circumstances that suggest not just ritual murder but ancient pagan sacrifice. With the police more focused on Kate as a suspect than as a possible future victim, she and Ben find themselves in a desperate race to discover a lost version of *Macbeth*, said to contain rituals of witchcraft aimed at conjuring demonic forces to gain forbidden knowledge. However much Kate would like to dismiss such rituals as superstition, someone else appears willing to kill for them—and for the manuscript said to spell them out. Marked for sacrifice, can Kate Stanley uncover the killer before she becomes the next victim? Watch a Video

The old place is a haunt for the superstitious, but Remy hasn't seen any proof of the paranormal yet. So when she's asked to host guests for a week-long stay in order to research Carrow's phenomena, she hopes to finally experience some of the sightings that made the house famous. At first, it's everything they hoped for. Then a storm moves in, cutting off their contact with the outside world, and things quickly take a sinister turn. Doors open on their own. Séances go disastrously wrong. Their spirit medium wanders through the house at night, seemingly in a trance. But it isn't until one of the guests dies under strange circumstances that Remy is forced to consider the possibility that the ghost of the house's original owner—a twisted serial killer—still walks the halls. And by then it's too late to escape...

A New Haunt for Mr. Bierce Drew Bridges, 2022-01-11 The ghost of a soldier turned writer joins a quest to save a human life. The ghost of Ambrose Bierce, American writer and civil war Union soldier, has been displaced from the home he had been haunting. Enlisting the aid of a haunting agent, he finds a new residence that has the requisite dark history and terrible secret that makes it appropriate for haunting. Here he meets new spirits who reside in this version of the afterlife, a middle place between life and the ultimate destination. Against his intentions, Bierce becomes caught up in the unsolved mystery of his new haunt. In partnership with an old friend, a Buddhist priest named Sid who has inhabited the spirit world for 25 centuries, he reluctantly involves himself in the matters of still living people. Bierce and his friend also become aware of the presence of mysterious others who are spirits who never held human form. Bierce, Sid, and other new spirit friends ultimately find themselves as part of a quest to save a human life, rescue another spirit from oblivion, and discover the identity of the others.

Sadly, time is a scarce commodity in the world of Ivalis. **The Local Haunt** Kevin Wind,2021-10 Legends, however outlandish, usually have some thread of truth in them and grow over time and retellings. The stories of a Ghost Plane that rides the wind when the moon is full have been told for decades. Stories and supposed sightings of a mysterious Blue Lady who haunt the grounds are believed by some. Others have even had the unfortunate luck to cross paths with a devil dog in the woods surrounding the mansion. Other rumors of a crazy scientist using the mansion to conduct outlandish experiments that defy reason and comprehension don't sit well with people either. Now, where all these stories got started is another matter entirely. Strange things continue to happen for Guy Lemon as he lives and works at the Local Haunt.

But Leda has her own reasons for helping: her fiancé Tod was murdered under mysterious circumstances several years ago. Her psychic abilities weren't good then, but now she's been honing them at her favorite bar's open-mic nights, where she draws a crowd klairvoyant karaoke-singing whatever song comes to mind after holding other patrons' personal effects. With a rag-tag group of bar patrons and friends, Leda and Grady set out to catch a killer--and find that the two cases that haunt them may have more in common than they think--
