Breaking & Mending Joanna Cannon, 2019-09-26

'One of the most beautiful books you will ever read' Kate Mosse In this powerful memoir, Joanna Cannon tells her story as a junior doctor in visceral, heart-rending snapshots. We walk with her through the wards, facing extraordinary and daunting moments: from attending her first post-mortem, sitting with a patient through their final moments, to learning the power of a well- or badly chosen word. These moments, and the small sustaining acts of kindness and connection that punctuate hospital life, teach her that emotional care and mental health can be just as critical as restoring a heartbeat. In a profession where weakness remains a taboo, this moving, beautifully written book brings to life the vivid, human stories of doctors and patients - and shows us why we need to take better care of those who care for us.

How I Became a Life Master Playing the Weak No Trump Eric v.d. Luft, 2009-07-10 A comprehensive exposition of the Kaplan-Sheinwold (K-S) bidding system, incorporating up-to-date aggressive methods. Advantages of this Aggressive Weak No Trump bidding system include: (1) A greater proportion of limit bids and a higher frequency of bids in general, improving communication between partners. (2) More accurate low-level descriptive bids, making it easier during the auction to envision the probable play of the hand and to find your best contract. (3) Increased use of preempts, making it more difficult for the opponents to find their best possible result in a competitive auction.

Strategies for Beating Small Stakes Poker Tournaments Jonathan Little, 2015-02-24 While most poker players dream of winning \$10,000,000 on poker's biggest stage, most find it impossible to win at even the smallest stakes. They usually blame bad luck for their failures whereas in reality, they are simply not skilled enough at poker. The secret to mastering poker is not in memorizing hand ranking charts or following a predetermined system. You must learn to think for yourself while at the table in order to adjust your strategy based on your specific opponents. Strategies for Beating Small

Stakes Poker Tournaments will explain how. In this guide, two-time World Poker Tour champion Jonathan Little explains numerous strategies he uses that will allow you to crush your opponents, giving you the opportunity to progress to the middle and high stakes.

Rogerson's Book of Numbers Barnaby

Rogerson,2013-11-07 Rogerson's Book of Numbers tells the stories behind our iconic numbers. It is based on a numerical array of virtues, spiritual attributes, gods, devils, sacred cities, powers, calendars, heroes, saints, icons and cultural symbols. It provides a dazzling mass of information for those intrigued by the many roles numbers play in folklore and popular culture, in music and poetry, and in the many religions, cultures and belief systems of our world. The stories unfold from millions to zero: from the number of the beast (666) to the seven deadly sins, the twelve signs of the zodiac to the four suits of a pack of cards. Along the way you will discover why Genghis Khan built a city of 108 towers, how Dante forged his Divine Comedy on the number eleven, and why thirteen is so unlucky in the west while fourteen is the number to avoid in China. Now available as a paperback, this is your pocket-book guide to the numerical mysteries of the universe.

It's Called a Spade JJ Barrows,2019-10-04 "it's called a spade" is a reference to calling life like it is instead of hiding the tough stuff and pretending like everything is fine. It's a collection of stories about life, about people and God, recovery and relapse, heartache and brokenness, and the reality that life is hard, even if you believe in God, even if you don't. But there is also hope and humor and healing that comes without answers. This is a collection of stories from a human who almost disappeared in her efforts to be seen, a girl who called spades hearts and smiled while

bluffing.

Here's the deal: Based on your date of birth, you have 13 Cards to play. Each of these Life Cards represents different aspects of your life experience.
