Believe, Ask, Act MaryAnn DiMarco,2016-09-20 MaryAnn DiMarco has been communicating with the Other Side since she was 5 years old. As a psychic medium, intuitive counselor, and spiritual teacher, clients from all over the world have sought her out for both personal guidance and as a means to connect with their departed loved ones' souls. Even so, DiMarco's greatest gift is her ability to teach others how to connect to the universe themselves—and in a way that sets meaningful change in motion. Now, in her extraordinary first book, DiMarco shares her teachings for developing intuition that will enable you to control your life using three powerful steps: Believe is about recognizing and demonstrating a belief in a higher power, whether you refer to this powerful energy as God, Divine, Source, or another name. Ask teaches you how to pose the right questions to a personal team of angels, spirit guides, departed loved ones, and evolved souls who help you navigate life's ups and downs. Their job is to love, lead, and protect you as you dream, plan, and move along your soul's best path. Act is a powerful call to get off the meditation cushion and put one earthly foot in front of the other to create momentum and positive change. When you connect to your Universal Team's wisdom and guidance using Believe, Ask, Act, you will raise your intuition and learn how to identify and remove the spiritual, emotional, and real-world obstacles that hold you back. It's time to awaken. Pay attention. Understand your role on this plane and what the world has to offer. You've already signaled to the universe that you're ready to trust, listen, and work to realize your greatest potential.

The Liberal Redneck Manifesto Trae Crowder,Corey Ryan Forrester,Drew Morgan,2017-10-10 The Liberal Rednecks--a three-man stand-up comedy group doing scathing political satire--celebrate all that's good about the South while leading the Redneck Revolution and standing proudly blue in a sea of red. Smart, hilarious, and incisive, the Liberal Rednecks confront outdated traditions and intolerant attitudes, tackling everything people think they know about the South--the good, the bad, the glorious, and the shameful--in a laugh-out-loud funny and lively manifesto for the rise of a New South. Home to some of the best music, athletes, soldiers, whiskey, waffles, and weather the country has to offer, the South has also been bathing in backward bathroom bills and other bigoted legislation that Trae Crowder has targeted in his Liberal Redneck videos, which have gone viral with over 50 million views. Perfect for fans of Stuff White People Like and I Am America (And So Can You), The Liberal Redneck Manifesto skewers political and religious hypocrisies in witty stories and hilarious graphics--such as the Ten Commandments of the New South--and much more! While celebrating the South as one of the richest sources of American culture, this entertaining book issues a wake-up call and a reminder that the South's problems and dreams aren't that far off from the rest of America's--

The Puckerdilly Kiss Teressa Ledford Woodard,2017-09-29 Read chapters 1-5 FREE by subscribing to thepuckerdillykiss.com. If you enjoyed Indiana Jones, Secondhand Lions, The Beverly Hillbillies, or need a faith boost, you will love this collection of true, yet unbelievable stories from the lives of Rex and Marie Cherry Ledford, their extended families, and their children. Reared in a dysfunctional, abusive, alcoholic family, Rex weds a sweet, innocent child-bride from a stable, Christian, Appalachian family. The meshing of their lives is certain to leave you laughing, crying, and shaking your head in disbelief as their 62-year long love story unfolds. Madcap antics, gifted storytelling, and his piloting skills made Rex a local legend in Clay County, North Carolina. My father, Rex Ledford, had developed the ability to captivate an audience like few people I have ever met. Not only were his stories unbelievable and true, he recounted them with a style that left the listener both laughing and crying. I have spent a lifetime listening to and reliving his stories. I have pondered the writing of this book for over thirty years, however, family and my career as a high school math teacher always took precedence. As my Dad's health began to decline in his early seventies, the book became more of a priority. At my prodding, he penciled a few stories, but that proved to be a labor-intensive process for him. I captured a few stories on video and finally, I purchased a voice recorder and insisted he use it. It has taken five years to collect the stories you are about to read. I have spent countless hours and shed many tears reliving my father's life as I attempted to capture the essence of his style and document his adventures in a readable format. I have tried to assume his persona as the writer. My daddy died one month before the book was completed, but he did get to read the skeleton of it. The stories are not necessarily in chronological order. Do visit thepuckerdillykiss.com for videos, slide shows, numerous pictures of the family, and even listen to my father telling stories himself. This work is a labor of love for my family. I hope you enjoy reading his stories as much as I have enjoyed watching that crazy Rex Ledford tell them.

The postsocialist contemporary Octavian Esanu,2021-11-23 The postsocialist contemporary joins a growing body of scholarship debating the definition and nature of contemporary art. It comes to these debates from a historicist perspective, taking as its point of departure one particular art programme, initiated in Eastern Europe by the Hungarian-American billionaire George Soros. First implemented in Hungary, the Soros Center for Contemporary Art (SCCA) expanded to another eighteen ex-socialist countries throughout the 1990s. Its mission was to build a western ‘open society’ by means of art. This book discusses how network managers and artists participated in the construction of this new social order by studying the programme’s rise, evolution, impact and broader ideological and political consequences. Rather than recounting a history, its engages critically with ‘contemporary art’ as the aesthetic paradigm of late-capitalist market democracy.
