

Hermitage

Elizabeth Wagner

The Hermitage Ladies' Hermitage Association, Mary C. Currey Dorris, 1923

Preservation of the Hermitage, 1889-1915 Mary C. Currey Dorris, 1915 The acquisition, restoration, and care of the home of General Andrew Jackson by the Ladies Hermitage Association for over a quarter of a century.

The Hermitage, Home of General Andrew Jackson Near Nashville, Tennessee, U.S.A. ... Ladies' Hermitage Association, 1915

The Hermitage Marie Bronsard, 2001 This novel is a soliloquy, a farewell to a lover long gone, and to the self-imposed exile undertaken by the woman he left behind. The narrator, looking back over the ten years she has spent as a recluse, spends one final night pouring out her feelings of tragedy and loss.

The Hermitage The Hermitage Museum, 2014-09-30 Highlights from the palatial Hermitage Museum in St. Petersburg, Russia, are beautifully reproduced in an accessible volume celebrating the museum's 250th anniversary. For 250 years, the State Hermitage Museum has been one of the world's most palatial and significant museums. The Hermitage collections were developed beginning in 1764 by Catherine the Great, Empress of Russia, and now encompass more than 3 million works of art and artifacts displayed within a spectacular architectural ensemble, the heart of which is the famed Winter Palace. Now, on this important anniversary, this stunning volume captures the masterpieces that make this world-famous institution a cultural destination and a global treasure. The Hermitage: 250 Masterworks explores this sumptuous collection in the manner of a private tour, showcasing the museum's extraordinary and uniquely underpublished treasures: no other institution has thirty-six Rembrandts; works by Italian Renaissance artists including Leonardo da Vinci, Michelangelo, and Titian; Spanish artists such as Velázquez, Ribera, and Murillo; Flemish baroque artists such as van Dyck, Rubens, and Jan Brueghel the Elder; impressionist and post-impressionist works by Renoir, Monet, Van Gogh, Gauguin, Cézanne, and Degas; and modern paintings by Matisse, Picasso, Malevich, and Kandinsky. Priceless antiquities, feats of mechanical engineering such as the famous Peacock Clock, and works of sculpture and decorative arts will also be shown. With lavish reproductions accompanied by texts by the museum's leading curators, this volume is sure to be cherished by art lovers around the world.

The Hermitage , 1921

The Hermitage-Zoar Note-book and Journal of Travel Alexander Gunn, 1902

Hermitage Museum and Gardens Colin Brady, 2013-12-09 In 1907, William and Florence Sloane began construction on a five-room summer cottage on the banks of the Lafayette River in Norfolk. Over the course of 30 years, they would expand their home from its origins as a summer retreat into a 42-room Arts and Crafts mansion nestled on 12 acres of gardens and grounds. As their home grew, so did their desire to bring an arts scene to southeastern Virginia. In 1937, the Sloanes turned their attention to repurposing their home as a museum. By opening the site to the public, the Sloane family created a new space for the arts and education in Norfolk. Today, visitors continue to enjoy their vision through an expansive art collection and acres of gardens and grounds.

The Hermitage Sharon Sobel, 2017-03-07 A disgraced Earl in disguise and a Miss on a mission . . . When an unspeakable secret is uncovered, threatening to destroy the Earl of Westbridge's tranquil life, he seeks refuge while he plots an honorable course of action. Disguised as Robbie Darkwood, he finds sanctuary as a hermit on the newly acquired estate of Mr. George Gardiner. His obligations as a hermit are to be seen but not heard, to resist any interference from others on the estate, and to provide a romantic presence at an unobtrusive distance. His duties seem simple until Miss Laurel Gardiner, Mr. Gardiner's spirited daughter, returns from the London season bored and disillusioned, wanting nothing more than the sanctuary of her secret library in her father's hermitage. When she finds her sacred space occupied by a handsome and enigmatic hermit, she decides to set aside her passion for reading and invest that energy in something infinitely more pleasurable: remaking the common hermit into a gentleman and a romantic interest for her recently jilted friend. The Earl of Westbridge does his best to avoid Miss Gardiner, but she's a force to be reckoned with, and soon he finds himself falling in love with her. But he knows that his love is ill-fated, for no respectable woman will have him once this unspeakable secret is revealed . . . Sharon Sobel is the author of ten historical and two contemporary romance novels. She also served as Secretary and Chapter Liaison of Romance Writers of America. Her short story, *The Jilt*, has been selected for inclusion in the second RWA anthology of romantic fiction. She has a PhD in English Language and Literature from Brandeis University and is an English professor at a Connecticut college, where she co-chaired the Connecticut Writers' Conference for five years. An eighteenth century New England farmhouse, where Sharon and her husband raised their three children, has provided inspiration for either the period or the setting for all of her books.

Art of Memories Vincent Antonin Lépinay, 2019-05-14 Once the home of Catherine the Great's private art collection, Russia's State Hermitage Museum became the largest museum in the Soviet Union and, since the collapse of the USSR, one of the most active museums in the world. The Hermitage is a global model for the collection and preservation of fine art, deeply shaped by its need to protect itself and its holdings from the world beyond its gates. In *Art of Memories*, Vincent Antonin Lépinay documents the Hermitage's curatorial practices in an innovative consideration of the museum as a cultural laboratory. Lépinay analyzes the tensions between the museum as a space of exploration of the collections and as a culture heavily invested in self-protection from the outside world. During a time when traveling abroad was rare, a generation of art historians produced a culture of confined scholarship premised on their proximity to the holdings of a museum enclave. As the Hermitage has become increasingly present on the world museum scene, its culture of secrecy and orality has endured. Lépinay analyzes the ethos of Hermitage curators and scholars over the transition from Soviet to post-Soviet museum cultures, considering the mobility of art, documentation of the collection, and the transformation of expertise. Based on Lépinay's extraordinary access to the Hermitage and the scholars who work there, *Art of Memories* opens the door of one of the world's great museums to reveal how art history is made. It is an essential study for readers interested in the role that outside forces play in culture, organizations, and the production of knowledge.

The Hermitage Within , 2023-10-15 Not everyone can, or should, live as a hermit. Yet all Christians need an inner hermitage, a place apart where we come face-to-face with our true selves, and listen to the still small voice of God. It is a place of silence, of fear and fascination, of anguish and grace. The writer of this profound yet simple volume encourages us to find our own inner hermitage—a place of calm and contemplation, apart from the demands of the modern world, a place so silent that we can hear God. The desert, the mountain, and the temple provide the focus of the anonymous author's reflections. He meditates on the wilderness experiences of such biblical persons as Jesus, John the Baptist, and Mary Magdalen. He considers the place held in the Christian story by Mount Sinai, the Mount of Olives, and Calvary. He ponders the idea of temples, using such images as our inner temple and Christ the temple, the foundation of the Church.

Seasons in My Garden Elizabeth Wagner, 2016-03-25 In *Seasons in My Garden*, award-winning writer Sr. Elizabeth Wagner reveals how tending to a garden in her Maine hermitage brought her to a deeper understanding of what it means to have faith, love others, and hope in the mercy of God. Her keen eye for the most intricate details of nature will help you find a path that brings you closer to God as well. Sr. Elizabeth Wagner believed God was calling her into deeper contemplation, so she built a hermitage in the Maine wilderness in order to ponder nature and become closer to God. *Seasons in My Garden* is a thought-provoking series of

meditations, written as Sr. Wagner watched her own monastic garden progress through the seasons. Her reflections invite you to look over her shoulder as she tends to her beautiful garden and meditates on the mysteries of God’s creation and how it corresponds with her own life. In this captivating book, you will relate to Sr. Wagner as she struggles with feelings of a cold heart—just as her garden lay frozen under a foot of snow—and realizing that God was working to renew her spirit. As sudden storms threatened to destroy her hard work, Sr. Wagner will help you understand that careful preparation of the soul will help you resist the temptation to resent others. Seasons in My Garden intricately weaves insights from Sr. Wagner’s own growth through the seasons with spiritual guidance and an understanding that patient tending to your soul will help you grow into a beautiful garden that God can use to reflect his glory.

The Hermitage and Random Verses Frank Dayton Ervin Stowe,1902

Follow the Ecstasy John Howard Griffin,2010 In 1969, one year after Thomas Merton's tragic (and suspicious) death, John Howard Griffin was invited to write a biography of America's most famous monk, a monk who strangely had become a best-selling theologian. The result was Follow the Ecstasy: The Hermitage Years of Thomas Merton (1983). Both Merton and Griffin were converts to Catholicism, and they had become fast friends during Griffin's occasional retreats to the Trappist Abbey of Gethsemani where Merton was cloistered. As Robert Bonazzi writes in his Foreword, With natural humility and intense spirituality, they taught each other by example and silence. Merton and Griffin were both photographers as well as writers. Griffin wrote about Merton's painting and photography in A Hidden Wholeness: The Visual World of Thomas Merton (1970). They also shared a fascination with the French theologian Jacques Maritain, as well as French modernists Pierre Reverdy, George Braque, and Albert Camus. Griffin fell ill before he could finish his biography of Merton, and the mantle of official biographer passed to Michael Mott, author of The Seven Mountains of Thomas Merton, an essential compendium of the monk's life. Yet Follow the Ecstasy gets closer to the man--a portrait made by one who shared not only personal histories and interests with Merton, but an intuitive perspective of solitude.
