HEROES OF CALIFORNIA GEORGE WHARTON JAMES ,1910

**Native California Hero’s of the Miwok Confederation Teleguac, Estanislás and Yolosko** Guy Nixon,2020-03-16 Teleguac aka Chief Jose Jesus was one of California’s native freedom fighters. Living through an extremely turbulent period in time where everything was put into chaos by climatic disasters and invasions by other races to the very foundations upon which the tribes were based, he would not only survive but forged a future for his people. This unique leader was also chosen by an animal that protected him in numerous battles and who’s presence brought many tribes together in common cause creating what can best be described as the Miwok Confederation. His life’s story inspired the fictional California Hero we call Zorro but the real story is even more fascinating than the fiction. The real history of California Natives is almost completely unknown yet it shaped the history in so many ways that it merits being brought out for all to learn.

Heroes of the Environment Harriet Rohmer,2010-07-01 This inspiring book presents the true stories of 12 people from across North America who have done great things for the environment. Heroes include a teenage girl who figured out how to remove an industrial pollutant from the Ohio River, a Mexican superstar wrestler who works to protect turtles and whales, and a teenage boy from Rhode Island who helped his community and his state develop effective e-waste recycling programs. Plenty of photographs and illustrations bring each compelling story vividly to life.

(2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

**A Picture of Pioneer Times in California** William Francis White,1881 William Francis White (1829-1891?) and his young wife sailed from New York in 1849 round the Horn to San Francisco, where he set up an import business. He later represented Santa Cruz in the state constitutional convention and served as a bank commissioner. A picture of pioneer times in California (1881), written under the pseudonym William Grey, presents White's revisionist version of California history challenging the picture presented in the 1854 Annals of San Francisco. In particular, he attacks the Annals' discussion of the Mission Fathers and the Mission Indians, the United States conquest of California in the Mexican War, discovery of gold at Sutter's Fort, and the role of women during the Gold Rush. He also reminisces about his voyage to California and experiences as a San Francisco merchant, 1849-1850, as well as legends of the gold mines. The volume concludes with three fictional tales of California in the Gold Rush.
