**The Cutting Edge** Rod Millen,2014-08-15 One of New Zealand's greatest rally drivers and a hill-climbing superstar tells his inspiring story for the very first time. Rod Millen was a hero of New Zealand rallying in the 1970s. Having won several championships he quickly established himself as New Zealand's number one driver. But thereafter Millen went on to do what very few Kiwis have achieved, finding podium success in American motorsport. He won the North American Race and Rally Championship in 1979, 1980 and 1981, then in 1989 Millen achieved perhaps his greatest feat, winning the Pikes Peak International Hill Climb, America's second oldest motor-racing event. Writing his name into history, he went on to win the race more times than any driver. The hill-climb is often referred to as 'Millen's Mountain'. Rod Millen is also a highly successful businessman. As a continuation of his off-road driving interests, he founded Millenworks in California in 1980, specializing in cutting-edge light tactical vehicles, armored and off-road vehicles and subsystems for the US military and theme parks. Millen has recently returned to New Zealand, building a 140-acre, ocean-front estate at Hahei with a racetrack as a driveway, modeled on his favourite hill-climb corners around the world. He's also established Leadfoot Festival, a unique weekend held every two years at the estate, bringing together a mix of classic cars, vintage motorcycles and motorsport legends, inspired by the famous British Goodwood Festival of Speed. Aside from rallying, Rod is well known for other forms racing such as super touring, drifting and extreme off-road races like the Baja 1000 (often considered the most dangerous race in the world) and Transsyberia rally (which he won in 2007). Rod also won the Race to the Sky hill-climb in New Zealand in 2002 and posted the fastest time at the 2002 Goodwood Festival of Speed in England - and he still has the record up his own front driveway. The Cutting Edge is Rod's story, in his own words, of a life lived pushing the boundaries, of record-breaking off-road driving, working at the forefront of motorsport technology, and of creating the ultimate petrol-head heaven, right in his own backyard.

**Peak 928** Carl Fausett,2008-05-01 Oh, Brother Arnold Gordon thought when he retired from the NYPD, he was through with detective work. But when his older brother Mortimer's life is in danger, Arnold rallies to his side. Along the way, the arcane Fermat's Theorem, the Israeli Mossad and the Satmar community are involved in an international intrigue. Although the free spirited Arnold and the stiff necked Mortimer had never been close as brothers, danger brings them together to solve the greatest challenge either of them has ever faced. The Fund Raiser Harry Wolfe is middle aged wheeler dealer whose penchant for the quick buck lands him in hilarious trouble. While other fund raisers raise money for good causes, Harry will promote any charity, no matter how obscure or lame brained, that promises a good pay off. A twist of fate gives Harry the opportunity to make big money although it also gives him the opportunity to become a cadaver. The path Harry treads towards his goal of staying alive is a delightfully crooked one. His film maker daughter Isobel's involvement with a conventional veterinarian is a unique romance she is sure that her father will approve of, provided Harry stays alive long enough to give it his blessings.

**A Corinthian Endeavour** Paul Jones,2015-06-10 Every year on the last weekend of October the death knell of the cycling season is sounded by the National Hill Climb Championship. It's been won by luminaries like Brian Robinson, Chris Boardman and Malcolm Elliott, and yet the story of the championship is one of ordinary people doing extraordinary things, of amateur cyclists prevailing against the professionals. The violence of the race is set against the beauty of the landscape, from the supernatural past of Pendle Moor to the granite outcrops of Dartmoor, from the glacial High Peak to the bucolic charms of the Cotswolds. This book traces the full history of the event from its inception in 1944 through to 2014, and the incorporation of a Women's Championship from 1998 onwards.

**100 Greatest Cycling Climbs** Simon Warren,2013-04-01 Cycling is Britain’s biggest boom sport and nowhere is the boom more evident than on the road: once seen as the preserve of serious racers, the road bike has recently found a new lease of life due to the popularity of challenge rides and Sportives.
