*Christian Temperance and Bible Hygiene* James White,Ellen Gould White,2005 Elder James White and his wife, Mrs. E. G. White, enjoyed speaking and writing about how true science and the Scriptures are related to one another. Various experiences motivated them to consider questions about health and ultimately share their knowledge with others. Written in a time when the subject of health was almost wholly ignored, the articles they wrote led thousands of people to change life-long habits. They were also among the first to present the subject of hygiene in consistency with the Bible and Christian beliefs. The principles presented in this book have not only stood the test of time, but have been proven to be even more accurate over the past several years by scientific evidence. Mrs. E. G. White shared her thoughts on Christian temperance, while Elder James White wrote on the subject of Bible hygiene. This collection of their more important writings will both inspire and instruct you in temperance and hygiene from a Biblical point of view.

The Eucharist, Our Sanctification Raniero Cantalamessa,1993 The Eucharist should not be limited to the congregation that gathers to hear the word of God and proclaim its faith. It is, first of all, the active presence of the sacrifice of Christ, who gathers us together and lets us partake of his divine life through his body and blood in Communion. Christians are always hoping to find helpful ways to contemplate the eucharistic mystery in all its fullness, and this set of meditations by Father Raniero Cantalamessa - presented by him in the presence of Pope John Paul II - is written in a simple and warm style and nourished by Scripture and the teachings of the Church Fathers from both the East and the West. These meditations answer the needs of all who hope to experience the radiant and radiating Eucharist that shines into their hearts and into the life of the Church.
