Dr Vinod K. Mishra

*Panchang* Arijit Roy Chowdhury,2020-08-20 Buying a house? Hosting an annaprasan or a grihapravesh ceremony? Or perhaps you need your child's horoscope for their wedding? The Panchang offers a codified daily guide to auspicious dates and timings throughout the year for important life events, religious festivals and ceremonies, and special occasions. A 'panchang' is the combined analysis of 'panch angas' or five attributes, namely, day of the week, tithi, nakshatra, yog and karan -- each of these elements and its impact is taken into careful consideration to arrive at an auspicious day. This first-ever English panchang, based on the famed 150-year-old Gupta Press Bengali panjika, also explains, in a simple, easy-to-understand manner, what a panchang is, what its different elements signify, and how you can use it. For all those who wish to know the astrological configurations for any special event, this is an indispensable tool.

**Calendars of India** Dr Vinod K. Mishra,2020-01-01 Calendars are created by civilisations to give meaning to the continuous flow of time according to their world-views. Over the past millennia, India has developed its own unique collection of many calendars for regulating its religious and cultural life. The current book presents a comprehensive account of their structure and relative importance at the present time and places them in the context of other calendars prevalent outside India. Suggestions have also been made for making some changes to bring them in line with our current astronomical knowledge. This book will be very useful to students and anyone who is curious about calendars.

It uses Vedic Mathematics so deeply that it guides you towards happiness every moment of the hour, day, month and year. . This knowledge tells you when you are veering into the wrong, as opposed to the right, boundaries in specific situations...and much more!

*7 Secrets From Hindu Calendar Art* Devdutt Pattanaik,2023-08-16 About the Book A DEEP-DIVE INTO THE FASCINATING WORLD OF THE MYTHOLOGICAL IMAGES THAT ARE FOUND IN ALL OUR HOMES AND THE STORIES BEHIND THEM Hindu mythology abounds with fascinating gods, goddesses and characters whose visual representations - through calendar art - are equally colourful. Hindu calendar art may seem fantastic and kitsch, but it is in fact the most democratic expression of a mythic imagery that was once restricted to

temple walls and palm leaf manuscripts. These portraits of the Hindu pantheon of gods and the stories that surround them can be found on the walls and puja rooms of almost every Hindu household in India. Rich in symbols, each image is a piece of an ancient metaphysical jigsaw puzzle. In this book, Dr Devdutt Pattanaik, India's renowned mythologist, decodes these symbols to reveal a wisdom that has nourished India for thousands of years. About the Author Devdutt Pattanaik is an Indian physician turned leadership consultant, mythologist and author whose works focus largely on the areas of myth, mythology and also management. He is former chief belief officer of Future Group, one of India's largest retailers. He writes a column for the newspaper Mid-Day.
