REVIEWS Once again my mind is blown by the way-out imagination of Jennifer Stevenson. She writes some of the hottest, weirdest sex scenes in all my many years of experience while, at the same time, bringing intelligence, an outstanding feel for language, and a highly developed sense of humor to her work. Can't say enough good about this. If there were ten stars to give, I would give them all. -Elaine McCarthy "ECM"

*A Hinky Taste of You* Jennifer Stevenson,2013-10-01 Hel became an energy vampire at seventeen and reduced her first lover to ashes. Forty years later, she still looks seventeen. Hel's life is teaching hyperactive boys, roller derby, and worrying about paying her mother's hospital bills. Nick Jones, federal anti-magic cop, has a secret, too. Magic turns him on, to his shame. This makes it hard for Nick when he's assigned to recruit Hel to his new case. Nick feels guilty for his attraction to a teenager. Hel adores Nick's yummy energy. If he learns she's a vampire, he'll send her to Hinky Guantanamo...if she doesn't kill him first. But can they keep their hands off each other? \_\_\_\_\_

REVIEWS "an enjoyable fun quick read... This story takes place in the same world as her Brass Bed series, but because the characters are totally different, it won't hurt to read this one out of order. If you haven't read anything else by Jennifer Stevenson yet, I would recommend this one as a good introduction." - Rebecca Jaxon "I finished Taste of You and I loved it! I immediately kindled the Stagehands one to read next-very impressed!" - Nicole Matos "...a fun quirky vampire paranormal romance ... Have a good laugh, a cry, a flutter of nerves waiting in anticipation, with the problems they have to face. Read this hot, steamy, sexy book and meet these horny Characters." - Melissa Craig "This book was very entertaining. It made me laugh out loud at some points. I will be reading more from this author. I couldn't put it down!!!" - tattooma "This was an easy, fun read. I highly recommend it to anyone who wants to laugh." - Magelet87 "I have been waiting eagerly, impatiently, hungrily for Stevenson's next book in the Hinky Chicago world and A Taste of You does not disappoint. I bought it one afternoon last weekend, read it that night without putting it down, and now... I'm waiting again. I can't get enough of this world. ... Stevenson's Hinky Chicago owes nothing to any existing magic-touched world. It's the freshest and most creative concept imaginable... and the most convincing. Not only that, the writing is intelligent, snappy, and utterly absorbing, the plot is fast-paced and enjoyably wild, and the characters are fun to be around. This is wonderful stuff. Wonderful. Encore! Encore!" - Elaine McCarthy "ECM" "I ended up actually really enjoying this book. It was a nice fresh take on the vampire type genre where instead of living off blood...The book was quite entertaining, but what I ended up liking most about the book was how funny it was. I highly recommend this book to anyone looking for a fun quick read." - LyzzieB "This is my first book by this author and I really enjoyed it... I enjoyed all the roller derby action and the cool names the girls had given themselves. I especially enjoyed all the names for the different moves the girls would put on people." - Squeak "The Dragon Mother"

Lucky for Clay, fraud-cop Jewel has a weakness for hunky con men! **The Hinky Bearskin Rug** Jennifer Stevenson,2013-09-17 A live-in sex demon sure keeps a girl up at night. But for Jewel, a fraud cop leery of commitment, Randy could be too much of a good thing. Hinky cases and kinky cases dovetail as Jewel and her hot ex-criminal partner Clay investigate an office orgy, a lockerful of pin-up ghosts, and an erotic film studio...where Randy goes undercover. As usual, Jewel's past haunts her, but this time, her sexual indiscretions may hold the key to the mystery. *Sweet Desmonda and the Tender Offer* Mark Bagshaw,2017-04-30 When a possible murder victim appears to have been carried-or walked-from the wreckage of a car lying at the bottom of a ravine on a country road, Hinky Doanes is called in by his protector at the National Counterterrorism Center to assist the FBI investigator in her investigation. Is it only a local crime of passion? Is it merely love gone bad? The victim has a history of promiscuous sexual practices and a list of casual sexual encounters longer than her free-spirit mother's, but FBI Special Agent Dell has managed to narrow the field of suspects to three locals-each of whom has had his or her longstanding and peculiar relationship with Sweet Desmonda Polk, now missing and feared dead. In exploring other suspects and motives for the victim's abduction or murder, Hinky discovers a connection that leads back to the extermination camps of Nazi Germany and the businesses that supplied them. As they follow the money from wartime Hamburg into the complex organizations of the present day, Hinky and Agent Dell begin to sense other, darker forces at work beside the forces of love, and as the bodies pile up locally, the domestic face of international terrorism becomes more and more apparent.
