Kent P. Jackson, Scott H. Faulring, Robert J. Matthews

The Holey Bible Paulina Larocca,Tony Ibbotson,2020-07-08 The Holey Bible is a book that helps us to more easily spot the holes in our thinking, hence the title. It shows how you can orchestrate personal and professional breakthroughs deliberately. It does not promise you will become creatively enlightened. Yet, it does provide detailed guidance on what you can do to prime your brain for more breakthroughs to encourage your creative enlightenment. If you are seeking a new purpose and are interested in harnessing the power of creative thinking to bring about change, then The Holey Bible is for you. It will help you to identify the questions to bring a new paradigm for transcendent and lasting change.

The Holey Bible Rob Browatzke,2013-12 In the beginning, God created... and millenia later, it got recreated for your enjoyment - all the stories are here, from Noah's Ark to David and Goliath to the Christmas story, but they're not quite how you remember them. This is a comical retelling of classic Bible stories, with some moral lessons updated for the modern age.

Bible in Basic English Samuel Henry Hooke,1949

The Holey Bible James Joyce,2013-02-25 THE HOLEY BIBLE is a trio of interconnected short stories about growing up Catholic in the 1970s. Cloistered in the suburbs and imprisoned at St. Bernadette's, the students are confused, excited, disciplined, worried and hormone-drunk. They spend their days wrestling with parochial school, Dorothy Hamill haircuts, boners, dodge ball, guilt, sin, punishment, Hell, masturbation and terrifying 98-pound nuns. Tommy DiSalvo just moved to the suburbs from Brooklyn, New York. The other kids think he's going to be a greasy hoodlum, like someone from Welcome Back Kotter. But that's just the start of his problems. He needs to draw a picture for the Bishop, learn to tawk normal, and figure out how to impress stuck-up girls with Farrah Fawcett hair.Dan McCready's sitting in Religion class with Sr. James. She asks the class whether a picture of a pretty woman in a baggy sweater is morally wrong. He

doesn't know. Some people say Catholics can only go to second base. Some say masturbation will make you go blind. Some say your nuts will explode if you don't touch it every once in a while. The kid next to him is drawing naked ladies. Dan doesn't know what to think or what to believe. Nothing makes any sense, not when you're 12.
