*Love Worth Finding 25 Pack* Adrian Rogers, 2016-01-31 Psychologists have long known that every person has two great longings and inward needs. The first is to be loved, and the second is to love. But when pressures and heartaches come into our lives, many give up any hope of ever finding love. The tragedy is that we often look in the wrong places to fill this deep need and longing. Some substitute lust for love. Others pursue material things or superficial relationships--all in the futile attempt to fill a God-shaped vacuum in the human heart. But there is good news! There is a love worth finding and a love worth sharing. The Bible says, For God so loved the world, that he gave his only Son, that whoever believes in him should not perish but have eternal life (John 3:16). On the cross of Christ, God's mighty love was revealed and offered unconditionally to all who would be saved. Do you long to know this mighty love? Then I need to ask you the most important question you'll ever be asked: Do you know beyond a shadow of a doubt that God loves you, that your sins are forgiven, and that you are saved and on your way to heaven? The great news is, you can know! Let me share with you how to discover the greatest love worth finding. Admit Your Sin. First, you must admit that you are a sinner. The Bible says, None is righteous, no, not one. . . . For all have sinned and fall short of the glory of God (Romans 3:10, 23). It is our sin that separates us from God and from fulfilling our deepest needs and longings. Sin is an offense against God that carries a serious penalty. According to Romans 6:23, The wages of sin is death [eternal separation from the love and mercy of God]. Abandon Your Efforts. Second, you must abandon any efforts to save yourself. If we could save ourselves, Jesus's death would have been unnecessary! Even getting religion cannot get you to heaven. The Bible says it is not because of works done by us in righteousness, but according to his mercy that we are saved (Titus 3:5). Salvation is by God's grace, not a result of works, so that no one may boast (Ephesians 2:8-9). Acknowledge Christ's Payment. What you cannot do for yourself, Jesus Christ has done for you! But God shows his love toward us in that while we were still sinners, Christ died for us (Romans 5:8). He died on the cross for you and then rose from the dead to prove that his payment was acceptable to God.

But you must acknowledge and believe this fact. Believe in the Lord Jesus, and you will be saved (Acts 16:31). Accept Christ as your Savior. Salvation is God's gift to you. The free gift of God is eternal life in Christ Jesus our Lord (Romans 6:23). When someone offers you a priceless gift, the wisest thing you can do is accept it! This very moment, you can receive Christ's gift of salvation by sincerely praying this simple prayer from your heart: Dear God, I know that I am a sinner. I know that you love me and want to save me. Jesus, I believe you are the Son of God, who died on the cross to pay for my sins. I believe God raised you from the dead. I now turn from my sin and, by faith, receive you as my personal Lord and Savior. Come into my heart, forgive my sins, and save me, Lord Jesus. In your name I pray. Amen.

Easton's Bible Dictionary M. G. Easton,2017-08-19 Easton's Bible Dictionary is a classic book of definitions which serves to explain and clarify the meaning of the names, places, and words found in the Bible. Many Christians and scholars who read the Bible often remain unawares of the meanings or significance of the Holy Book's vocabulary. Such words are often derived from Ancient Hebrew or other old scripts, which makes it even more difficult for readers who only speak English to understand. Location names, in the context of ancient geography, are likewise hard to scrutinize - yet Easton's Dictionary not only explains what these places are, but their size and overall impact across the entire Bible. First published in 1893, this dictionary uses the authoritative King James Bible as its source. As well as containing definitions and accounts of the many terms found throughout the Old and New Testaments, Easton's Bible Dictionary points out the significance of certain things and exactly where mentions of such phenomena appear in the Bible. The presence and significance of iron, for example, is noted in the Books of Genesis, Chronicles, Ezekiel, Deuteronomy, Isaiah, Job, Joshua, Kings and in the Psalms. Individuals in the Bible are also given biographical definitions. Through Easton's referencing of the names, we can discover the exact Bible passages where such figures are mentioned. Likewise we hear of terms relevant to the life of the ancient peoples; the term 'Levy' for instance is shown to equate to a form of involuntary recruitment which kings ordered. Words in frequent use today, such as 'Schism', are also shown to originate from the Bible. Other words we use today - such as 'Teeth', are shown to have been informal terms: 'cleanness of teeth' in Amos 4:6 denotes an outbreak of famine, for example. Many of the parables and tales of the Bible are retold in abbreviated form in Easton's Bible Dictionary. These retold anecdotes reference other relevant passages, further evidencing how the various portions of the Bible are interconnected and related to one another. Such a style also gives this unconventional dictionary a flowing quality, making it easier for the reader to enjoy large tracts of this text without pause. The ancient world of the Biblical canon is given life and color by Easton's descriptions. Primarily however, Easton's masterwork is designed for reference. Yet it not only defines the individual entries, but places these entries in their proper context throughout both the Old and New Testaments. Owing to this wealth of information, the reader may perceive that Easton's Dictionary is not merely a book of definitions, but an authoritative and significant work of classic Christian literature.
