Paul and Scripture Steve Moyise, 2011-09-22 This is the only short book available that summarizes the role scripture played in Paul's thought. Accessibly written at undergraduate level, it outlines the key arguments in the debate. Written by an international expert on the subject, *Paul and Scripture* also contributes to contemporary Church discussions about the proper interpretation of scripture.

The Gospel of Jesus Christ Paul Washer, 2016-12-15 Paul Washer escorts readers through a biblical overview of the good news about Jesus. Presenting passage after passage from the Bible, Washer describes the holy character of God, the human problem of sin, and the divine solution found in Jesus's redemptive life, death, and resurrection for all who repent and believe. If you are interested in knowing the basic claims of the gospel or know someone exploring the truths of Christ, this succinct treatment of the greatest news the world has ever heard is just what you need.

The Life of Paul for Today Lyle D. Vander Broek, 2010-03-02 This book presents the life and work of the New Testament's premier missionary, the apostle Paul. It surveys his pre-Christian life, his conversion and call, and his missionary activities, noting the pivotal events that marked his relationship with the congregations he founded and with the Jerusalem church. Vander Broek focuses on Paul's life and labors but also provides important and relevant discussions of how the life of Paul

speaks to Christian faith today. This book will be of much interest to contemporary church groups and individuals who are interested in how the church's most important early missionary continues to impact Christian lives. Questions for discussion are included.

Paul F.B. Meyer, 2002-01-01 From F.B. Meyer's outstanding biographies series of the great Biblical figures of faith, here is the inspiring story of Paul. Meyer shows the readers that Paul's life is a shining example of how God can use even the worst of sinners for his purpose and glory.

Paul for Everyone: The Prison Letters N. T. Wright, 2004-01-01 Enlarged print edition now available! Making use of his scholar's understanding, yet writing in an approachable and anecdotal style, Tom Wright captures the verve and sparkle of these letters. Paul wrote the letters while in prison facing possible death, but their passion and energy are undimmed. They reveal Paul's longing to see young churches grow in faith and understanding, rooted in Jesus himself, and to see this faith worked out in practice. Wright's stimulating comments are combined with his own fresh and inviting translation of the text. Tom Wright has undertaken a tremendous task: to provide guides to all the books of the New Testament, and to include in them his own translation of the entire text. Each short passage is followed by a highly readable discussion with background information, useful explanations and suggestions, and thoughts as to how the text can be relevant to our lives today. A glossary is included at the back of the book. The series is suitable for group study, personal study, or daily devotions.

Prepared, Persistent, and Positioned for God's Blessing Pastor Leon Avery, 2022-06-03 Have you ever wondered how you got to the place that you find yourself in? Like Elijah, many times we as

leaders, mentors, and Christians find ourselves in a place that we never would expect to find ourselves in. Well, this book will reveal to you why God has you where you are now. One thing is for certain, before we can move higher, three things have to happen. We must be positioned by God, and with positioning, God wants to develop in you persistence, which will lead to God's blessings. If you're seeking God's blessings, this book is for you.

Letter and Spirit Scott Hahn, Dave Scott, 2007-09 This is the third annual volume of the remarkably popular journal of biblical theology edited by Dr. Scott Hahn. This volume features important contributions by Pope Benedict XVI, Cardinal Christoph Schonborn, and Cardinal Avery Dulles. Also included are original and thought-provoking contributions on such topics as: the biblical basis of indulgences; feminine and maternal images of the Holy Spirit in early Christianity; and the 'image of God' doctrine in St. Thomas Aquinas' writings. Hahn contributes a deep exploration of how the Gospel of Luke portrays Christ as the Davidic Messiah and the Church as the restoration of the Davidic kingdom.

Holiness in the Letters of Paul J. Ayodeji Adewuya, 2016-10-21 Paul's understanding of holiness stems from the holiness of God as revealed in the Old Testament. Using varied terminology, Paul describes the holiness that should characterize the believers as the people of God. God expects moral integrity of his people, because he has provided believers with his Holy Spirit to enable them to live exemplary, Christlike lives in this present world, though polluted, as they prepare for the world to come. Believers, who, like Paul, anticipate the Parousia, must not only desire but also pray that holiness becomes a reality in their lives, cognizant of the fact that holiness is a matter of practice, not merely a status that one attains upon justification. Thus, holiness is an imperative for the people of God.

Studying the Holy Scriptures Paul Washer, 2021-02-26 The Scriptures are the greatest treasure that a person can possess. They are the only source of inspired, inerrant, and infallible revelation regarding God, His will, and His works--especially His work of redemption through Jesus Christ. The Christian cannot hold too high a view of the Bible or exalt it beyond what it deserves. For these reasons and many others, the Christian should consider the study of the Scriptures to be his or her primary and lifelong task. In this workbook, the fifth of his Biblical Foundations for the Christian Faith series, Paul Washer helps the student use the Scriptures to learn more about the Scriptures and discover why and how the Bible should be studied and obeyed. This workbook can be used as a 7-week study for individuals, families, Sunday school classes, small groups, and churches.

The Call Adam Hamilton, 2015-05-26 With Adam Hamilton, we have traced the life of Jesus from his birth The Journey, through his ministry The Way, to his death and resurrection 24 Hours That Changed the World. What happened next? Follow the journeys of Paul, beginning with his dramatic

conversion, as he spread the Gospel through modern-day Greece and Turkey. Travel to the early church sites and explore Paul's conversations with the Romans, Corinthians, Galatians, Ephesians, Philippians, Colossians, and Thessalonians. In this six-week study, you are invited to experience faith through Christ's greatest teacher and missionary. ?Endorsements "Adam Hamilton has proven to be a faithful guide to applying the Bible to modern life in a sane and balanced way, and I trust him as an interpreter of the Apostle Paul for today." -Philip Yancey, author of *Vanishing Grace* and *The Jesus I Never Knew* "Pastor and teacher Adam Hamilton succeeds brilliantly in introducing the life and ministry of Paul. Adam's interweaving of personal testimony and ministry insights provide important lessons for Christian disciples today—something Paul himself would have readily welcomed." - Dr. Mark Wilson, Asia Minor Research Center, Antalya, Turkey "Adam Hamilton demonstrates theologically and spiritually how indispensable the apostle Paul is to both the early Christian and 21st century church. This book is a wonderful gift for the church, and I recommend it with utmost Christian enthusiasm." - Dr. Israel Kamudzandu, Associate Professor of New Testament and Biblical Interpretation, Saint Paul School of Theology "I regularly lead groups of seminary students, alums, clergy, and laity on immersion trips to Greece and Turkey. This book will certainly be on my reading list." - Jaime Clark-Soles, Associate Professor of New Testament, Altshuler Distinguished Teaching Professor, Perkins School of Theology

Abused, Obscure, or Misused Scripture Steven Paul, 2015-11-17 "Paul looks to illuminate basic faith, tradition and practice, offering direction to those who may feel dizzy in a world where cultural, political and religious landscapes seem to be changing by the minute. Paul covers such hot button topics as divorce, homosexuality, and abortion . . . [also] the Trinity . . . good and bad angels, the Sabbath, . . . tattooing and piercing . . . The author has an informal, conversational style that makes

primarily for easy reading.” —Blueink Review Also discussed are the great “stories” of Adam and Eve, Noah’s Ark, The Red Sea, the Feeding of 5000. How do these stories and lessons apply to today’s society? Can the Bible really teach modern-day individuals about abortion, immorality, sexual indiscretion, and political progress? Can it still guide us to become better people, better parents, and better citizens? In *Abused, Obscure, or Misused Scripture*, these questions and more are answered through an engaging and diligent investigation and study into some of the most commonly misunderstood and misinterpreted Bible passages. From its ancient stories to its lessons of morality and character, a detailed and faithful analysis of these scriptures reveals how God’s Word—in any time and for any place—maintains a deep and abiding relevance. By guiding readers through the Word with careful attention to the language and different translations and versions of the Bible, author Steven Paul helps fellow believers both better understand and embrace fully the underlying meanings and applications of the sometimes exciting, sometimes confounding, but always inspiring scriptures.

Getting Christianity Right! Robert Paul Sessions, 2007-11 The finest statement of the Christian message I have read! -Dr. Barry Bailey, retired pastor of one of America's largest United Methodist churches (First UMC, Ft. Worth) An exceptional challenge by a devoted Christian scholar! -Dr. Robert Richardson, retired executive, Mercer University, Macon, Georgia There are truths and falsehoods, treasures and trash, in what we call the Holy Bible and Christianity. Separating those elements is not always easy. Through the centuries, our churches have added a multitude of beliefs and practices to the life and religion of Jesus of Nazareth. Some of those beliefs and practices are appropriate expressions of Jesus' mind and spirit. Others are far from, even caricatures of, what Jesus would want. For eighty years I have learned and taught about Christianity, at personal, community, church,

college, university, state, national, and international levels. I have learned that there are many Christianities, some loving, some hateful, some intelligent, some stupid, some healing, some hurtful. If we are going to live our Christianity-in our small and big worlds-may God help us get it right!

Paul (Ancient-Future Bible Study: Experience Scripture through Lectio Divina) Stephen J. Binz, 2011-01-01 Ancient-Future Bible Study incorporates contemporary study of the Bible with an experience of the church's most ancient way of reading Scripture, lectio divina. This time-honored practice consists of five basic movements: biblical study (lectio), reflection (meditatio), prayer (oratio), discernment (contemplatio), and contemplative action (operatio). In six clearly written volumes, bestselling author Stephen Binz helps readers study the Bible in a way that leads to spiritual transformation and brings them closer to God. Binz leads readers in a vivid study of key biblical characters, including Abraham, Paul, Peter, David, the women of the Torah, and the women of the Gospels. He shows all Christians who desire to have a transforming experience with the inspired Word of God how studying Scripture through lectio divina can enrich their discipleship. This ecumenical Bible study, designed for use by individuals or groups, includes questions for personal reflection and suggested action. Each volume includes leader's notes for guiding a study over the course of six sessions.

The Preeminent Christ Paul Washer, 2023-03-13 In *The Preeminent Christ*, Paul Washer declares the unmatched significance of the good news of Jesus Christ. Compelled by a desire for men to know God's love, Washer draws from the church's greatest theologians to herald Christ's centrality in revelation, salvation, sanctification, study, proclamation, and glory. *The Preeminent Christ* will stimulate readers to forsake their tendency to view worldly "needs" as central by zealously seeking this Christ in the gospel. Endorsements (take your pick, these are all heavy hitters): "The disciples

saw Jesus shining like the sun on the Mount of Transfiguration. Today we see the glory of Christ shining in the gospel. Paul Washer lifts up our eyes to consider the supremacy of the gospel for the Christian life and ministry. Drawing from the wisdom of great preachers and teachers of the past, Washer offers a feast for the soul and a powerful exhortation to keep our eyes fixed on the gospel in all we do.” —Joel R. Beeke, president, Puritan Reformed Theological Seminary, Grand Rapids, Michigan “Here is Paul Washer at his very best, addressing the greatest subject that could ever be expounded—the preeminence of Jesus Christ. In these riveting pages, Washer demonstrates that the person and work of the Lord Jesus are the alpha and omega, the sum and substance of the gospel message. Read this book carefully because it contains the most vital truth you will ever hear.” —Steven J. Lawson, president, OnePassion Ministries “As any true believer knows, Christ must be our all or our nothing. This is because of who He is as the infinitely glorious God-man and because of the indescribably wonderful salvation He has procured for us. Paul Washer does an excellent job of showing us these breathtaking realities in this Scripture-saturated and historically reinforced book. It will leave you worshipping God as your soul is saturated afresh with the unsearchable riches of Christ!” —Conrad Mbewe, pastor of Kabwata Baptist Church and founding chancellor of the African Christian University in Lusaka, Zambia “I’m grateful for the voice and the pen of Paul Washer, who stands in stark contrast to the trifling superficiality of our generation. He understands and remains committed to the value and preeminence of the gospel, and he writes about it with passion and clarity. I love what he has done in this book, skillfully explaining the gospel, describing its incredible legacy, demonstrating its inestimable worth, and arguing convincingly for the gospel to have its rightful place—first place—in the study, conversation, fellowship, and worship of Christians individually and the church collectively.” —John MacArthur, from the foreword

Paul C. J. den Heyer,2000 The apostle Paul is a controversial figure. He is both admired and reviled. His letters have highly influenced creeds and dogmatic statements; but he is also accused of turning the 'simple' Gospel that Jesus preached into a complex dogmatic system. Furthermore, on the authority of Paul, for many centuries women have been given second place in church and society. The apostle to the Gentiles has sometimes been a source of inspiration, but more often a stumbling block when Jews and Christians meet. This book presents Paul for the widest possible audience. In his *Jesus Matters* and *Jesus and the Doctrine of the Atonement*, C.J. den Heyer has already shown that he has an enviable gift for clear and popular writing. Here he takes on a particularly difficult task and shows great mastery in offering a detailed portrait of one of the most controversial figures of the ancient world. C.J. den Heyer is Professor of New Testament at the Theological University of the Reformed Churches in The Netherlands.
