Ronnie Remonda

Gourmet on a Hot Plate Judy Alter, 2018-11-06 Judy Alter cooks in a four-by-six kitchen where zoning laws forbid built-ins but allow anything that plugs in. She cooks with a hot plate, a toaster oven, and a large refrigerator/freezer. Given these limitations, she has developed a new approach to food, one that she says lets her get in touch with the food itself. By choice, she does not have an Insta-Pot, an air-fryer, a microwave. Her menu choices are dictated by her cooking facilities-and she loves it. She shares her tiny kitchen tips and recipes, developed over the past couple of years, in *Gourmet on a Hot Plate*. Alter is the author of three previous cookbooks: *Cooking My Way through Life with Kids and Books*, *Texas is Chili Country*, and *Extraordinary Texas Chefs*, and a contributor to *Bake, Love, Write* and *We'd Rather Be Writing*. Her recipe for Doris' Casserole has been included in so many books it's almost an American classic by now.

Bug on a Hot Plate Ronnie Remonda, 2000-01-14 George Neff returned from WW II to find a world he no longer understood. His girlfriend is married, most of his friends are gone, and his folks no longer understood him. So he takes to the open road, moving with the seasons and working odd jobs, not wanting to be from anywhere or care for any body. George meets Bo while working at a job, cutting pulpwood, and the two strike up an unlikely friendship. They continue to bum around the country together, until they come to the town of Warren. Warren changes their lives. Here they find people who accept them, and believe in them. Here George finds out that there are still things in life that are worth fighting for, while Bo faces his worst nightmare.

Hot Plate Ryan Wright, 2020-03-06 It's not a question of rather you've been losing your mind, no for me it was rather a question of how long ago I lost it? Many of us have our personal demons, some worse than others. This is a collection of poetry of such a

ponderance. Now I could go about telling my story through conventional means and write a rather long-winded and somewhat melodramatic story about my fall from grace, but like someone once called me I shall be a rebel without a cause. James Dean if you will in a literary sense, and depict my journey through a series of chaotic and depressing poems. Every poem that lies on each page is the rawest, most pure form of my inner thoughts and there is no editing, no fixing of grammar. This poetry is the most accurate depiction of my thoughts and feelings over this arduous eight years. These pages will range from my battles with an Eating Disorder, Cutting and most recently my struggle with Bipolar Disorder. So join me won't you, and take a bite from the Hot Plate.
