In Spite of Everything.... Leila Peters,2010-06-17 In Spite of Everything invites us into the lives of twenty-two ordinary, but also extraordinary women. Part Ellen DeGeneres, part Studs Terkel, Leila Peters allows the women to tell their own stories about their lives, their challenges, their relationships. The women trust her and use enough to share their difficulties and failures as well as their joys and successes and we are richer for their honesty. Although these women share being in long-term lesbian relationships, their lives are incredibly varied. We have much to learn from them about loving and living well. Dr. Nancy Marie Robertson, Director of Womens Studies Indiana University/ Purdue University. Indianapolis Leila Peters has chronicled the inspiring and captivating stories of lesbian couples from all walks of life who maintained long lasting and flourishing relationships in the face of a disapproving and sometimes hostile family and community. This book is important not only as an historical record of determined women who prevailed against the odds, but as powerful evidence of the urgent need to legitimize same-sex relationships through the legal recognition of gay marriage. Barbara Baird, Esquire, With Chuck Loring, Barbara organized the first Lambda Legal Indiana Benefit Dinner, a premiere fund raising event which benefits the legal needs of the LGBT community. Stories, stories I just love to read stories! Warm, thought-provoking, hilarious, gut-wrenching, sexy, wonderful stories. Leila spins the tales of these womens lives sensitively, honestly, and with just the right amount of background. Mary Byrne, Executive Director of Indiana Youth Group In Spite of Everything balances painful stories of sickness, poverty, prejudice and repression with tales of romance, joy and passion. This book is a walk down the not-always-happy memory lanes of lesbian relationships in the latter half of the 20th century into the twenty-first century, rich with detail, and narrated in a matter-of-fact way that sugarcoats nothing but leaves the reader feeling that with love, anything is possible. Id love to see a five years later sequel, bringing us up to date on these fascinating women. Becky Thacker, Amazon Girls Handbook, Wicker Park Press, 2002 Faithful Unto Death, University of Michigan Press, Fall 2010 I was much impressed by the diversity of Relationships described in Leila Peters book. The themes of Honesty, Struggle, and Success are compelling. Its power lies in the telling of real life stories of Women fighting for love. Joseffa Crowe Storyteller, author of Growing Up Under the Swastika.

One set, three books! Get the entire emotionally gripping and action-packed Outliers Saga in one set! ***** Book One: Outliers In the dusty ruins of the world, three groups exist: the Sovereign, the Fortis, and the Outliers. Indra is an Outlier. Living on land that has not healed from the poison of the past, the Outliers have adapted - but to the Sovereign and the Fortis, they are nothing. For centuries the Fortis have made their abuse of Outliers a sport, but when Asa comes to Indra's rescue, she sees something different in him. Something that marks him as so much more than just a Fortis guard. But when Indra's world begins to unravel, even the quiet alliance she and Asa have formed cannot save her from the wrath of the Sovereign. In one life-altering moment, everything Indra has ever known is ripped away, forcing her to face a world even more harsh and unforgiving. Broken and scarred, Indra finds herself on a journey that will challenge everything she's ever been taught, learning along the way that she's stronger than she ever imagined. Maybe even strong enough to free her people forever. ***** Book Two: Uprising Returning to Sovereign City after everything that was stolen from her is something Indra never thought she would do. Despite the scars she wears both inside and out, left there at the hands of the Sovereign and the Fortis, she is determined to save her people from oppression, even if it means putting her own safety at risk. But it isn't long before she once again finds her world shattering around her. As the dust settles, Indra manages to find strength among the ruins, and she sets out on a quest to unite the four Outlier tribes, hoping to take their enemies down once and for all. ***** Book Three: Retribution With the Outliers united and the Fortis eliminated, Indra thought she was nearing the end of her journey. Instead, Asa went into the city only to be captured and the Sovereign decided to unleash the full power of their technology. Now, bleeding and separated from her husband, facing a traitor and an uncertain future, Indra finds herself wondering if she united the Outlier tribes simply so the Sovereign could destroy them more effectively. With vile characters, brutal conditions, and vicious creatures, the final chapter in the Outliers Saga will take readers on an unforgettable journey. Follow Asa and Indra as they fight to start a life together while facing impossible choices that will test their limits and show them what sacrifice, forgiveness, and love really mean.

Uprising Kate L. Mary,2021-07-16 I stood by and let it happen for too long, but I will not do it anymore. I will not be the person who watches others get hurt and does nothing to stop it. Not anymore. Returning to Sovereign City after everything that was stolen from her is something Indra never thought she would do. Despite the scars she wears both inside and out, left there at the hands of the Sovereign and the Fortis, she is determined to save her people from oppression, even if it means putting her own safety at risk. But it isn't long before she once again finds her world shattering around her. As the dust settles, Indra manages to find strength among the ruins, and she sets out on a quest to unite the four Outlier tribes, hoping to take their enemies down once and for all. An emotional second book in an exciting dystopian series, perfect for fans of The Hunger Games and The Handmaid's Tale.

Her Tower of Babel Daphne Balinda, 2021-08-30 Brokenness causes us to do one of two things: either we build towers of prominence, edifices with our names lifted high to be like God or keep so busy with all the games of life that we never have time to think about the most important game of life. In other words, we are running away from God with all our busyness, achievement, and performance. And if the truth were known, we often like it that way. Xandra and Sean looked good together and were potentially good for each other, but how could they be so ill suited for each other? She was a smart, ambitious, and high-flying executive when she was swept off her feet by the seemingly eligible gorgeous Sean. He promised her the world and against all wisdom, she dared to dream. He demanded high standards of service and she gave it heartily. Sean raised the bar with every achievement, and she attributed it to his high standards. His demands gradually took their toll, then she discovered that she was not the only one in his life; and she was not allowed to confront that issue. Muzzled, Xandra had fallen into the dark abyss of despair, feeling her prayers returned unanswered. She had been confronted with the trifecta of loss of self-confidence, treachery, and was facing the loss of family. This was the dungeon of the used and abused. Her choices: succumb to fear and die in bondage or stand courageously against all odds and live.

The Alpha and Her Hunter Mate Kai Lee, 2023-09-30 What is this? Tyler asked, reading what I wrote. That is what you say in response, Tyler looked even more confused. I took a deep breath, trying not to cry even more. There would be plenty of time for that later. I, Jessica Ridgewood, reject you Tyler Goen as my mate, Pain started to throb in my chest. Tyler looked down at the paper, then back up to me. I nodded for him to continue. I, Tyler Goen, accept your rejection as my mate and Alpha, He recited. The throbbing pain in my chest turned sharp, and I doubled over as I clutched my chest. Jessica! What just happened? Tyler asked, his voice quivering. I released you, Ty, I said through my pain. What?! No! I don't want to reject you! I love you! Tyler said. *** As a rare female Alpha, Jessica unexpectedly encountered her human mate, Tyler. With scant time for grief, Jessica swiftly gathered herself to shoulder the mantle of pack leadership and ensure the safety of its members. What will happen between them? Read to learn more.

A COMPENDIUM OF CLASSIC AND POSTMODERN NOVEL SUMMARIES Vivian Siahann, 2019-08-03 This book is comprised of a compendium of summaries from all novels that I have read for almost twelve years. Obviously, the summaries have been documented on my blog since 2016, and seemingly, in my opinion, it is better bundled in a book form since the statistic views show that the classic fictions are those among most read, so I rose to comply with that demand. The purpose for which I devote myself to compose 85 summaries is to provide quick reading for novel readers and students. Numerous genres are presented because I am quite conscious those will bequeath you an imaginative horizon. As a work of art, many of them transcend their expiatory aspects. And still more important to us than scientific significance and literary worth is the inspirational impact those novels have on serious readers. Finally, happy reading and I hope you will find this book useful.
