Syberia Hugo Sokal,2017-04-19T00:00:00+02:00 Kate Walker, a lawyer from New York, was only supposed to spend a few hours in the village of Valadilène in the French Alps. She goes there to finalize the purchase of the Voralberg automation factory on behalf of her client, Universal Toys. But she soon finds out that while the director of the company, Anna Voralberg, has just died, Anna's younger brother is still alive and is the heir to the family business. To find him, she has no choice but to begin a journey through the history of the 20th century. Little by little, she uncovers the story of Hans Voralberg, a genius inventor of complex automatons who has been in exile in Eastern Europe since childhood. For the first comics adaptation of his cult game, Benoît Sokal has chosen to revisit Syberia and propose an alternative version to the reader. The result is a perfect prelude to the third installment of the game and an ideal opportunity for the young illustrator Johann Blais, chosen by Sokal himself.

Deep Game Hugo W. Matson,1999-09 When M/Sgt Cory Masterson, U.S. Army, Retired, a recovering alcoholic, drives through the gates of Fort Jackson and heads north to Crescent Hills, New York he knows that he is lucky to be able to retire honorably, having been saved from disgrace by his Mohawk Indian friend, Billy Healing Turtle. He is uncertain what he will find in Crescent Hills, New York. His father's attorney, George Sawyer, notified him that his father is dead, but the body wasn't found until almost a week later, lying on the back porch of their farmhouse. This was the second violent death in Cory's family. There is still his sister Barbs' unsolved rape-murder. Reluctantly, Cory heads north to the Adirondacks to settle his father's affairs. Along the way, Cory picks up a hitchhiker, Wally Snapes, and his pitbull at a truck stop. Wally is half-bagged out and broke. He is willing to sell the dog. Cory buys the pitbull, but he wonders if it's because his sister collected strays or because he is going home to an empty house. Cory arrives in time for the memorial service for his father and meets friends of his father's- Roger Waldron, his father's banker and a Vietnam veteran, Bettina and Joel Kirovsky, environmental activists, neighbors, and Josh Billings, a retired reporter and now a stringer for the Schenectady Herald. It is Josh who suggests that Cory's father may have been murdered. He chides Cory for not wanting to remain in Crescent Hills and continue his father's search for Barbara's murderer. When he learns that his father had used the reenlistment bonus money and allotments he'd sent home over the years to invest in land, he finds that his father was a rich man. And now it is his. In Crescent Hills, Cory meets Sue Bradley, a receptionist at the bank and is attracted to her even though he feels she is leading him on. He meets her at The Old Red Barn. She is not only an engaging, businesslike woman but there is also a racy side to her. He isn't given time to decide which is the real Sue Bradley because the Schultz brothers who own a local kennel severely beat him. Mike Schultz has staked a claim on Sue. The day after his beating, Wally Snapes appears at Cory's door, having pulled himself together. He dropped drugs cold turkey. He and the pitbull, now called Dog, are reunited. Cory decides he must learn more about the underside of Crescent Hills and contacts Josh Billings who is more than willing to give him the background on what is happening in the county. Cory learns that Nate Whelan, a local developer, has been buying up large tracts of land and covets the acreage that Cory now owns. Nate is suspected of using the motorcycle gang, The Sons From Hell, out of Troy, to intimidate the local farmers and force them off the land. Al Schultz controls the gang, and it is common knowledge that Al also controls dogfighting in the North Country. Al and the gang are also suspected of distributing drugs. Dog, Cory's pitbull, is dog-napped shortly after a visit to the local veterinarian. Wally is offered a job by the local veterinarian, Dr. Fred Miller. Dr. Fred upon learning that Wally is a pitdog man gets him a job at the Schultz Kennel. Al warns Wally,

after a beating, that if he jeopardizes the Schultz operations he will burn out Cory Masterson and kill Dog, whom Wally finds at the kennel. Wally endures several beatings by the brothers, but it is the fear of Cory and Dog being killed that holds him in line. After being further goaded by Al, Wally bets Al that Dog can beat Ajax, Als champion, a much heavier and experienced pitbull. Why? Because Dog has heart and is deep game. Wally finds himself in further trouble when he falls in love with Black Barts mama, Big Mable. Bart is the leader of the motorcycle gang. Wally is killed when he discovers that the Schultz brothers murdered Frankie The Kid Czarnowicz in a hit and run accident. Frankie may have been a witness to Barbara Mastersons murder, twenty years earlier. Cory

A Quest for Adventure Jzonay Reitz,2019-01-25 When twenty-year-old Bert Ray Libe read “Men wanted for Alaska to build a railroad—apply 526 Jackson Street” on a signboard in San Francisco one July morning in 1905, he immediately envisioned hunting adventures and gold-seeking opportunities in the rugged land of the north. The next morning his adventurous soul was infused with excitement as he boarded the SS Valencia bound for Seward, Alaska, accompanied by over four hundred other men, a woman dressed as a man, and a teenage boy. Bert was soon given the moniker, Fuzzy, by his shipmates because of his unruly hair. In a fascinating retelling of Bert’s adventures, Jzonay Reitz invites others to witness the breathtaking beauty of Alaska through Fuzzy’s eyes as he hunts in the pristine Kenai Mountains and traverses the Matanuska and Susitna Valleys of Southcentral Alaska, then ventures across snow-covered benches of Denali (Mt. McKinley) with four dogs and a sled and returns in the spring to search for gold in the glacial tributaries. Interspersed throughout his stories are an abundance of historical facts and revealing photographs. *A Quest for Adventure* is an inspiring and engaging memoir, brimming with energy and personality, and laced with humor even during challenging circumstances. KIRKUS REVIEW A historically satisfying...memoir. Reitz intersperses occasional historical photographs and notes...particularly helpful in guiding the reader through her uncle's portrayals of Alaskan life, as in her detailed description of the lay of the land in the town of Seward in 1905...'Home Brew Alley'...'Millionaire's Row'... ~Kirkus Indie - a review service from Kirkus Reviews

The Bookmaker Michael J. Agovino,2009-10-06 Marking the debut of a gifted new writer, *The Bookmaker* teems with humanity, empathy, humor, and insight. At the heart of Michael J. Agovino's powerful, layered memoir is his family's struggle for success in 1970s, '80s, and '90s New York City—and his father's gambling, which brought them to exhilarating highs and crushing lows. He vividly brings to life the Bronx, a place of texture and nuance, of resignation but also of triumph. The son of a buttoned-up union man who moonlighted as a gentleman bookmaker and gambler, Agovino grew up in the Bronx's Co-op City, the largest and most ambitious state-sponsored housing development in U.S. history. When it opened, it landed on the front page of *The New York Times* and in *Time* magazine, which described it as relentlessly ugly. Agovino's Italian American father was determined not to let his modest income and lack of a college education define him, and was dogged in his pursuit of the finer things in life. When the point spreads were on his side, he brought his family to places he only dreamed about in his favorite books and films: the Uffizi, the Tate, the Rijksmuseum; St. Peter's, Chartres, Teotihuacán. With bad luck came shouting matches, unpaid bills, and eviction notices. *The Bookmaker* is both a bold, loving portrait of a family and their metropolis and an intimate look into some of the most turbulent decades of New York City. In elegant and soaring prose, it transcends the personal to illuminate the ways in which class distinctions shaped America in the last half of the twentieth century.
