Shark Week 2 Steve Hutchison,2023-02-23 Nothing puts a smile on a shark's face like Shark Week. Getting your leg bitten off is trendier than getting a tattoo, nowadays. It makes a great story to tell and you can even make a movie about it. When they are not exploring space, growing five additional heads, or traveling by means of tornadoes, sharks are busy getting turned into robots, lava, sand, ice, or ghosts. Sharks are our friends, except when they're hungry, which they usually are. If you show signs of weakness or hostility, you will be attacked. If you bleed, you will be attacked. Shark Week is the time of the year when you do not want to be swimming with sharks. In this second edition of Shark Week, I review 78 shark movies and rank them from pathetic to great. Watch them in order; they will only get better!

The sharks are back! At Waverly Middle School, there are two worlds: one on land, and one at sea. Tammy, Kyle, and Alex are three founding members of their school's Marine Science Club. Porbeagle, Hammerhead, and Mako are the three founding members of their school's Terrestrial Land Club. Together, they form one superclub - a superclub that's out to benefit humans and sharks, forever! The only issue is... people are still afraid of sharks. And sharks are still afraid of people.

Official Shark-Tastic Guide Arie Kaplan,2019 Guide to all of the sharks from the Hungry Shark game franchise. With exclusive info about fearsome fish like Tiger Shark and Great White, to goofballs like Mako Shark and Porbeagle, this is a guide with some serious teeth.

Shark Week Steve Hutchison,2023-02-23 Sharks can be giant, mutated, metallic, or prehistoric. Some of them live in tornadoes, some in the snow. Sharks are our friends, except when they're hungry, which they usually are. If you show signs of weakness or aggression, you will be attacked. If you bleed, you will be attacked. Shark Week is the time of the year when you do not want to be swimming with sharks. In this book, I review 64 shark movies ranked from worst to decent. If you watch them in order, they will only get better.
