Hushed Gina Robinson,2015-01-28 Maddie I have a feeling this is going to be the semester. The one where everything comes together and great things happen. Then he walks into my college class. No, not him. My heart races. My pulse pounds. He slides into the seat next to me and introduces himself. Seth Butler. Zach's warned me about him. But my gaze keeps drifting back to him. I hate to admit it, but I'm hyperaware of Seth. Drawn to him. And he's flirting with me. I don't trust my reaction to him. I'm lost. I know I won't stay away, even though there's something familiar and forbidden about him. As I get to know him, I realize that when I figure out who he really is, my whole world will come crashing down. Can our romance survive the truth? *** Standalone novel. No cliffhanger. *** Interview with the Author Q – The Rushed Series of New Adult Romance is an interconnected series with your Reckless Series, what does that mean? A –The Reckless Series is a trilogy that follows the same couple, Ellie and Logan, throughout. The Rushed Series books are standalone romances showcasing a different couple each book, with the featured couple from previous books continuing as minor characters in future books. The romances take place on the same university campus during the same school year as the Reckless Series. Many of the favorite Reckless Series characters make cameo appearances. What's even more fun is that the Rushed Series contemporary romances contain scenes that weren't shown in the Reckless books. They're told from the perspective of the Rushed Series characters so you get an outside view of the Reckless faves. Q - What order should I read the books in? A – You can read either series first. The Reckless books should be read in order. The Rushed books can be read in any order. If you do want to read the books in the series in order, I'd suggest the following sequence: For the Rushed Series: - Rushed - Crushed - Hushed For the Reckless Series: - Reckless Longing--FREE! - Reckless Secrets - Reckless Together Hope you enjoy them all. And thanks for reading!

Nothing very extraordinary in that, surely? He died while smoking. Yes, said the bald-headed man, bending towards the other and lowering his voice into a whisper. He died while smoking a cigar - a cigar that had been poisoned! You know it well enough. What's the use of trying to affect ignorance-with me! Well, asked Philip Poland after a brief pause, his brows knit and his face drawn and pale. Well, I merely wish to recall that somewhat unpleasant fact, and to tell you that I know the truth, said the other with slow deliberation, his eyes fixed upon the man seated opposite him. Why recall unpleasant facts? asked Poland, with a faint attempt to smile. I never do. A brief memory is always an advantage, remarked Arnold Du Cane, with a sinister grin. Ah! I quite follow you.
