It's All About the Face Cindy Richard,Phyllis Cullen,2020-11-11 How do you Quilt a Face? How do you bring your favorite people to life with fabric? Fabric portrait artists and teachers, Phyllis Cullen and Cindy Richard, show you how to create amazing, true-to-life portraits! It's All About the Face was born when the authors realized there was little available instruction about how to quilt faces. Having taught the subject for years, they decided to collaborate. Capturing the essence of a subject is the goal. Phyllis and Cindy have applied the rules of fine art to quilting faces. The book offers in-depth direction - even if you cannot draw, have never taken an art class or even a sewing class. Using large, full color, detailed images as examples, the authors lead the reader step by step through the process of: - Composing a portrait so it tells a story and WOWS the viewer - Using digital technology to reveal the values in every face - Selecting fabrics - Creating a totally recognizable fabric collage - Quilting your masterpiece by following anatomical contours The authors offer tips about lighting, taking reference photos, and photographing your finished quilts. They make recommendations about needles, thread, surface design, and even how to please the judges! Finally, Phyllis, who is also a doctor, touches on ways to keep your hands healthy. Cindy and Phyllis want you to succeed! They offer classes and workshops to support the book and stand ready to answer your questions and help you with your projects. They feel confident that anyone who follows their instructions will get a great start on the fascinating journey that is All About the Face!

A Very Punchable Face Colin Jost,2020-07-14 NEW YORK TIMES BESTSELLER • In these hilarious essays, the Saturday Night Live head writer and Weekend Update co-anchor learns how to take a beating. “I always wanted to punch his face before I read this book. Now I just want to kick him in the balls.”—Larry David NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Cosmopolitan • Vulture • Parade If there’s one trait that makes someone well suited to comedy, it’s being able to take a punch—metaphorically and, occasionally, physically. From growing up in a family of firefighters on Staten Island to commuting three hours a day to high school and “seeing the sights” (like watching a Russian woman throw a stroller off the back of a ferry), to attending Harvard while Facebook was created, Jost shares how he has navigated the world like a slightly smarter Forrest Gump. You’ll also discover things about Jost that will surprise and confuse you, like how Jimmy Buffett saved his life, how Czech teenagers attacked him with potato salad, how an insect laid eggs inside his legs, and how he competed in a twenty-five-man match at WrestleMania (and almost won). You'll go behind the scenes at SNL and Weekend Update (where he's written some of the most memorable sketches and jokes of the past fifteen years). And you’ll experience the life of a touring stand-up comedian—from performing in rural college cafeterias at noon to opening for Dave Chappelle at Radio City Music Hall. For every accomplishment (hosting the Emmys), there is a setback (hosting the Emmys). And for every absurd moment (watching paramedics give CPR to a raccoon), there is an honest, emotional one (recounting his mother’s experience on the scene of the Twin Towers’ collapse on 9/11). Told with a healthy dose of self-deprecation, A Very Punchable Face reveals the brilliant mind behind some of the dumbest sketches on television, and lays bare the heart and humor of a hardworking guy—with a face you can’t help but want to punch.

At Swim, Two Boys Jamie O'Neill,2002-04-01 Praised as “a work of wild, vaulting ambition and achievement” by Entertainment Weekly, Jamie O’Neill’s first novel invites comparison to such literary greats as James Joyce, Samuel Beckett and Charles Dickens. Set during the year preceding the Easter Uprising of 1916–Ireland’s brave but fractured revolt against British rule–At Swim, Two Boys is a tender, tragic love story and a brilliant depiction of people caught in the tide of history. Powerful and artful, and ten years in the writing, it is a masterwork from Jamie O’Neill. Jim Mack is a naïve young scholar and the son of a foolish, aspiring shopkeeper. Doyler Doyle is the rough-diamond son–revolutionary and blasphemous–of Mr. Mack’s old army pal. Out at the Forty Foot, that great jut of rock where gentlemen bathe in the nude, the two boys make a pact: Doyler will teach Jim to swim, and in a year, on Easter of 1916, they will swim to the distant beacon of Mullins Rock and claim that island for themselves. All the while Mr. Mack, who has grand plans for a corner shop empire, remains unaware of the depth of the boys’ burgeoning friendship and of the changing landscape of a nation.
