Always On Brian Chen, Even Steve Jobs didn't know what he had on his hands when he announced the original iPhone as a combination of a mere three revolutionary products--An iPod, a cell phone, and a keyboard-less handheld computer. Once Apple introduced the App Store and opened it up to outside developers, however, the iPhone became capable of serving a rapidly growing number of functions--now more than 350,000 and counting. But the iPhone has implications far beyond the phone or gadget market. In fact, it's opening the way to what Brian X. Chen calls the always-on future, where we are all constantly connected to a global Internet via flexible, incredibly capable gadgets that allow us to do anything, anytime, from anywhere. This has far-reaching implications--both positive and negative--throughout all areas of our lives, opening the door for incredible personal and societal advances while potentially sacrificing both privacy and creative freedom in the process. Always On is the first book to look at the surprising and expansive significance of Apple's incredibly powerful vertical business model, and the future it portends.

Insights From A Travel Mastermind Doug Knell,2018-01-12 Before, my only travels were to and from the toilet at home. With these insights, I now also use toilets in other continents -- Dominique LaSalle, Travel Blogesque Magnifique Written by a groovy expert who traveled continuously for years in over 60 countries and studied, lived, and worked on 4 continents without getting arrested! Smile broadly and preview this book to get a glimpse of this mastermind's mindset. Okay? Warning: Travel Books Like This One Will Forever Electrify Your Vacation Experiences! Before you do any travel planning anywhere on any budget using any of the typical travel guides, get this, the best of all travel books. No matter how savvy you think you are, there are dozens upon dozens of vacation tips and secrets we are sure you don't know about. Reading through this funny travel book, authored by a mastermind who went traveling the world for years, on budgets ranging from a cheap travel backpacker to a five-star connoisseur, you'll become transfixed by the idea of traveling the world for yourself. The mastermind began his journeys before the internet existed, so his philosophy includes both online and offline insights. Stop acting like every other traveler and taking their trips. We'll wager their trips are generic cookie-cutter affairs travel companies sold them or itineraries mindlessly copied out of travel books. Soak in the adventurous feelings of difference and make your own trip. Life's too short to be living someone else's dreams. Learn the most effective travel hacking secrets no one but the mastermind will ever bother to tell you: * Vacation tips to experience your destinations more like a local. This secret opens you up to adventures you couldn't previously fathom. The mastermind stayed with a French family in their ski chalet in Chamonix, lounged in the penthouse of a Swiss flight executive in Berne, and camped in the swag of an Australian couple in the Outback mining town of Andamooka. Cost: \$0. * Which travel series guides are worth your time and which are not. * The words and phrases you really need to know for your trip. * Vacation tips to keep devious locals from sticking their unwanted paws in your travel luggage and pockets. * Tips to stay healthy on your vacation. You needn't quake in your boots concerning all the horrendous diseases you've heard about out there, not after the travel mastermind goes over everything with you. * How to effectively compare the cost of living of the country you're visiting with your home country. The mastermind knows how to travel cheap but he also travels with style and value. * Foreign currency vacation tips to keep money in your wallet. The mastermind saved 60% on a room in Nepal with one secret. With another, he saved an additional 5%

on a Kenyan safari he'd already gotten the best possible deal on - without the safari operator losing a penny! Tracking hacking doesn't get better than this. * Plentiful mobile phone and calling travel hacking cues that should save you a small fortune at your destination. * The best cheap and free mobile phone travel apps for a variety of platforms. Android, iPhone/iPad, Windows Phone, or BlackBerry - the mastermind has got you covered. * How to get travel companies or web sites to execute travel planning at no cost to yourself. * The secret places to book your airfares to score the absolute best bargains on cheap flights. Scrutinize the plane and the destination and layover airports before you book. Investigate the crosswinds, density altitudes, and aviation temperatures before you fly so, even on cheap flights, you won't wind up like Buddy Holly. * Where to hide your travel cash. Hint: it's not your hotel room safe. * How to bargain and barter with nefarious merchants. Use the mastermind's secrets to shut them out or get them to succumb to your price. * And much more.
