NAMED ONE OF THE BEST BOOKS OF THE YEAR BY PARADE When country music star Thomas Rhett won the ACM Award for Single of the Year with "Die a Happy Man," his wife, Lauren Akins, was overjoyed. Her childhood best friend and now husband was being anointed the hottest new star in country music—for a song he had written about her. He was living his dream. Lauren was elated, but she was also wrestling with some big questions, not the least of which was, How can I live my own life of purpose? Lauren Akins never wanted to be in the spotlight, but as Thomas Rhett made his relationship with Lauren the subject of many of his hit songs, she was tossed into the role of one of America's sweethearts. Revered by fans for her down-to-earth ease and charm, her commitment to humanitarian work, and the pure love she exudes for her family, Lauren has never shared her side of their story—full as it's been with deep love, painful loss, tremendous joy, and a struggle to stay grounded in faith along the way—until now. In Live in Love, Lauren shares details about her childhood friendship with Thomas Rhett, explaining how they reconnected as young adults. She offers a rare behind-

the-scenes look at the challenges of being married to her best friend, who just happens to be a music star, and the struggle to find her own footing in the frenzy of her husband's fame. And in heart-wrenching detail, she opens up about her life-changing experiences doing mission work in Haiti, and then in Uganda, where she met the precious baby who would become their first daughter. From sharing the romance of their handwritten wedding vows to the challenges they faced as they adjusted to the reality of becoming first-time parents, *Live in Love* takes an intimate look at one couple's life—and opens a window into all of our journeys on the path to self-discovery. *Live in Love* is a deeply personal memoir that offers inspiring guidance for anyone looking to keep romance alive, balance children and marriage, express true faith, and live a life of purpose.

The Dumbest Generation Grows Up Mark Bauerlein,2022-02-01 From Stupefied Youth to Dangerous Adults Back in 2008, Mark Bauerlein was a voice crying in the wilderness. As experts greeted the new generation of “Digital Natives” with extravagant hopes for their high-tech future, he pegged them as the “Dumbest Generation.” Today, their future doesn’t look so bright, and their present is pretty grim. The twenty-somethings who spent their childhoods staring into a screen are lonely and purposeless, unfulfilled at work and at home. Many of them are even suicidal. The Dumbest Generation Grows Up is an urgently needed update on the Millennials, explaining their not-so-quiet desperation and, more important, the threat that their ignorance poses to the

rest of us. Lacking skills, knowledge, religion, and a cultural frame of reference, Millennials are anxiously looking for something to fill the void. Their mentors have failed them. Unfortunately, they have turned to politics to plug the hole in their souls. Knowing nothing about history, they are convinced that it is merely a catalogue of oppression, inequality, and hatred. Why, they wonder, has the human race not ended all this injustice before now? And from the depths of their ignorance rises the answer: Because they are the first ones to care! All that is needed is to tear down our inherited civilization and replace it with their utopian aspirations. For a generation unacquainted with the constraints of human nature, anything seems possible. Having diagnosed the malady before most people realized the patient was sick, Mark Bauerlein surveys the psychological and social wreckage and warns that we cannot afford to do this to another generation.
