Blue Bear Zurcasor Asem,2022-08-15 As we travel through the fictional world of Blue Bear and the adorable bear population, we might reminisce of our own journey through life, remember feeling the many splendors of love, the learning from challenges and mistakes, the healing from pain, the God-given strength to face loss and sorrow, the forgetting and forgiving of those who deeply hurt us. Or Blue Bear might even lead us to decide to modify the map for the rest of our journey. The miracle of life, treasured from the moment we receive our souls, breathe our first breath, cry at being welcomed to the world with a cruel spank, until the time when our search to discover and learn ends, the same way we chose to live. As puppies and kittens and cubs do, we see the miracle of life in the animal world as in our world, when it emerges out of a womb, crawls, takes baby steps, swinging from side to side, giggling at the first run without a fall, to then become a unique member of mankind or of the animal kingdom. And although we would have hurt if we fell, it didn't stop us from trying to stand up and walk again, realizing that falls and errors are learning moments. What happens in Blue Bear's world let us see that we have a tomorrow to live for if we accept that we are exactly in the path we chose to travel, accompanied or alone, that we are never lonely if we believe the words of the One who promised to never leave us or forsake us, to be with us to the end of time. Blue Bear believes it; its author believes it. Welcome to Honey Sweet City, bear population of six hundred.

The Giant Ice Cream Mess Tina Kügler,2021 Competitive fox siblings Fritz and Franny both love ice cream, but when Mr. Bear's ice cream truck stops on their street they spend so much time trying to outdo each other imagining multiple flavors and toppings (while all the other kids are getting their cones) that the only flavor left is marshmallow pickle ripple--and they can only have one scoop each.

We Scream for Ice Cream Bernice Chardiet,Grace MacCarone,1998-09 A group of children gets into an argument over a prize-winning ice cream stick before finally finding a way in which all of them can share a happy time.

I Want Ice Cream! Elisabetta Pica,2021-06-01 Someone's definitely screaming for ice cream in this illustrated tale of disappointment, resistance, and acceptance. When a young boy is denied an ice cream cone by his dad, the disappointment he feels is extreme. What begins is a cycle of emotions expressed through color. From sadness (blue), to envy of others with cones of their own (green), to anger (red), and more, his progression through a

range of feelings / tactics is both humorous and cathartic to readers experiencing both his pain and the excessiveness of his reaction. Meanwhile, his father's consistent response of a simple No serves as its own model of effectiveness in the face of tantrum. The art uses sparse, thick-lined images in black and white paired with a full range of colors, each associated with an emotional response. The simplicity of both the art and text combine to open the door to future referencing and resolving similar real-life situations that stem from hearing the word No.
