Tangled Vines John Glatt,2023-08-08 In Tangled Vines, bestselling true crime author John Glatt reconstructs the rise of the prestigious Murdaugh family and the shocking double murder that led to the downfall of its patriarch, Alex Murdaugh. Among the lush, tree-lined waterways of South Carolina low country, the Murdaugh name means power. A century-old, multimillion-dollar law practice has catapulted the family into incredible wealth and local celebrity—but it was an unimaginable tragedy that would thrust them into the national spotlight. On June 7th, 2021, prominent attorney Alex Murdaugh discovered the bodies of his wife, Maggie, and son, Paul, on the grounds of their thousand-acre hunting lodge. The mystery deepened only months later when Alex himself was discovered shot in the head on a local roadside. But as authorities scrambled for clues and the community reeled from the loss and media attention, dark secrets about this Southern legal dynasty came to light. The Murdaughs, it turned out, were feared as much as they were loved. And they wouldn't hesitate to wield their influence to protect one of their own; two years before he was killed, a highly intoxicated Paul Murdaugh was at the helm of a boat when it crashed and killed a teenage girl, and his light treatment by police led to speculation that privilege had come into play. As bombshells of financial fraud were revealed and more suspicious deaths were linked to the Murdaughs, a new portrait of Alex Murdaugh emerged: a desperate man on the brink of ruin who would do anything, even plan his own death, to save his family's reputation.

Swamp Kings Jason Ryan,2024-04-02 The stranger-than-fiction story of the now-notorious Lowcountry clan, in all its Southern Gothic intensity—by an author with unparalleled access to and knowledge of the players, the history, and the place. The most famous man in South Carolina lives in prison. He stands convicted of a staggering amount of wrongdoing—more than 100 crimes and counting. Once a high-flying, smooth-talking, pedigreed Southern lawyer, Alex Murdaugh is now disbarred and disgraced. For more than a decade, prosecutors asserted that Alex was secretly a fraud, a thief, a drug trafficker, and an all-around phony. On the night of June 7, 2021, they claimed, he also became a killer, shooting dead his wife and son in a desperate bid to escape accountability. The many crimes of Alex Murdaugh, exposed piecemeal over the last two years, have appalled the general public. Yet his implosion—the spectacular manner in which he has turned his vaunted family name to mud—has also proved mesmerizing. With every revelation, Alex Murdaugh has been shown to be a man without bottom, though he insists he never harmed his family. Remarkably, all of his misdeeds have precedent. In *Swamp Kings*, Jason Ryan reveals Alex's evil actions are only the tip of the iceberg. When it comes to the Murdaugh family of Hampton County, history has a way of repeating itself. For every alleged, headline-grabbing crime associated with Alex Murdaugh, mirror-image incidents have played out within his family's past, including parallel instances of fraud, theft, illicit trafficking of babies and booze, calamitous boat crashes, and even alleged murder. There were some crimes committed by Alex's kin that even he would not dare mimic. Covering a century of depravity in an impoverished and isolated stretch of the Deep South, *Swamp Kings* weaves together the jaw-dropping narratives of generations of Murdaughs before culminating in the telling of a murder trial for the ages. Page after page the family's legacy is laid bare as a spotlight is finally trained on the Murdaugh men who have long lorded over the South Carolina Lowcountry.

American Comics: A History Jeremy Dauber,2021-11-16 The sweeping story of cartoons, comic strips, and graphic novels and their hold on the American imagination. Comics have conquered America. From our multiplexes, where Marvel and DC movies reign supreme, to our television screens, where comics-based shows like *The Walking Dead* have become among the most popular in cable history, to convention halls, best-seller lists, Pulitzer Prize-winning titles, and MacArthur Fellowship recipients, comics shape American culture, in ways high and low, superficial, and deeply profound. In *American Comics*, Columbia professor Jeremy Dauber takes readers through their incredible but little-known history, starting with the Civil War and cartoonist Thomas Nast, creator of the lasting and iconic images of Uncle Sam and Santa Claus; the golden age of newspaper comic strips and the first great superhero boom; the moral panic of the Eisenhower era, the Marvel Comics revolution, and the underground comix movement of the 1960s and '70s; and finally into the twenty-first century, taking in the grim and gritty *Dark Knights* and *Watchmen* alongside the brilliant rise of the graphic novel by acclaimed practitioners like Art Spiegelman and Alison Bechdel. Dauber's story shows not only how comics have changed over the decades but how American politics and culture have changed them. Throughout, he describes the origins of beloved comics, champions neglected masterpieces, and argues that we can understand how America sees itself through whose stories comics tell. Striking and revelatory, *American Comics* is a rich chronicle of the last 150 years of American history through the lens of its comic strips, political cartoons, superheroes, graphic novels, and more. **FEATURING...** • American Splendor • Archie • The Avengers • Kyle Baker • Batman • C.
