I Dream of Popo Livia Blackburne,2021-01-05 From New York Times bestselling author Livia Blackburne and illustrator Julia Kuo, here is I Dream of Popo. This delicate, emotionally rich picture book celebrates a special connection that crosses time zones and oceans as Popo and her granddaughter hold each other in their hearts forever. I dream with Popo as she rocks me in her arms. I wave at Popo before I board my flight. I talk to Popo from across the sea. I tell Popo about my adventures. When a young girl and her family emigrate from Taiwan to America, she leaves behind her beloved popo, her grandmother. She misses her popo every day, but even if their visits are fleeting, their love is ever true and strong. A New York Public Library Best Book of 2021 A Booklist Editors' Choice Winner for 2021

I Dream He Talks to Me Allison Moorer,2021-10-12 When Allison's son, John Henry, stopped using his growing vocabulary just before his second birthday, she knew in her bones that something was shifting. In the years since his autism diagnosis, Allison and John Henry have embarked on an intense journey filled with the adventure, joy, heartbreak, confusion, and powerful love lessons that are the hallmarks of a quest for understanding. In *I Dream He Talks to Me*, Allison details the meltdowns and the moments of grace, and how the mundane expectations of a parent turn into extraordinary achievements. The saying goes, "If you know one person with autism, you know one person with autism"; no two stories are alike, and yet there are universal truths that apply to all parent-child relationships. With gorgeous prose, Allison shares her and John Henry's experience while also creating a riveting narrative that will speak to anyone who parents—and who has questioned their own ability to do so. An exploration of resilience and compassion—both for ourselves and for others—*I Dream He Talks to Me* is also a moving meditation on our place in the world and how we get there; what words mean, what they don't; and, ultimately, how we truly express ourselves and truly know those whom we love.

I Dream I Dream of Thee Franz Abt, 1860

Sometimes I Dream in Italian Rita Ciresi, 2008-12-10 Angel Lupo grew up in a traditional Italian home – an exclusive club where Mama’s word was everything ... and where nice girls saved themselves for marriage. All Angel wanted was to be movie-star blond, change her name, and get as much attention as her prettier older sister Lina. Now Angel is nearing thirty, penning Catholic greeting cards for a living, and still jealous of her sister, who has a house in the suburbs, two kids, and a husband who loves her. So Angel does the next best thing: She answers a personal ad. Dirk Diederhoff is blond, teaches at Vassar, and is definitely not Italian. Nor is he the thrill-a-minute lover and soul mate Angel prays for. But as Lina, recklessly embarked on an affair of her own, would tell her: There are no perfect tens out there – only men who want you to talk to them in Italian during sex. The award-winning author of *Pink Slip* gets the rituals and rhythms of domestic life just right in *Sometimes I Dream in Italian*, a bittersweet comedy about sisters, lovers, and a family that doesn’t quite translate.
