Before long the painting comes to life and an afternoon of adventure and discovery unfolds, changing how he sees the world ever after.

*Imagine a Day* Sarah L. Thomson,2011-04-19 Imagine a day when your swing swings you higher than the highest treetops. Imagine a day when you can ride your bike up a path of falling leaves into the very tree they are falling from. Imagine a day when you release a handful of blue balloons into a cloudy, gray sky to create a postcard-perfect day. Imagine a day when the ordinary becomes the extraordinary...a day when anything is possible. *Imagine a Day* is the companion book to the critically acclaimed *Imagine a Night*, which School Library Journal declared a fascinating foray into the imagination. Renowned Canadian artist Rob Gonsalves once again stretches the limits of visual exploration with his breathtaking paintings and encourages parents and children alike to look beyond the limits of the everyday world and imagine.

**Imagine** Mark Haysom,2016-08-02 The party of the sixties is over and what's left is the hangover. It's 1973 - a time of riots, picket lines and unemployment. But it's also a time when you can imagine the stars. Enter the Bird family... Baxter - the first Bird to go to university. It's fresher's week and a new beginning. Except that his troubled past has followed him right into the lecture hall. Christie - haunted by what's gone before and held back by heartbreak. But with her son succeeding against the odds perhaps now it's her turn to follow her dreams? Truman - an absent father and husband for ten years, he now decides he's owed a second chance. And to help him on his way he's found a golden key that will open every door. Or so he believes. In a story of laughter and tears, Haysom takes us on one family's journey to achieve their dreams. And shows us that, stronger than every lie and secret in every family, is the love that lies within - and the ability to imagine...

Featuring the lyrics of John Lennon’s iconic song and illustrations by the award-winning artist Jean Jullien, this poignant and timely picture book dares to imagine a world at peace. *Imagine* will be published in partnership with human rights organization Amnesty International.

*Imagine If . . .* M. Warnasuriya,2019-02-20 This story is a journey through the imagination. There are many possibilities in life if one imagines them. These are dreams that we hold dear to our hearts as children or even as adults. If one can imagine, it can also become reality through dedication and hard work. It is never too late to imagine and dream. This story reminds us of this.

**Imagine If You Will** Elly Fattore,2017-09-21 I want to tell you a story about how the world came to be as it is and how we humans came to be how we are. This story is my story. However the information has come from the many books that I have read over many years. I have taken little bits of information from these books and created my own version of the story.

**Get Back** Donovan Day,2015-10-01 Imagine going back in time and befriending The Beatles at the height of their fame. Imagine seeing the boys interact onstage and off, hanging out with them in the dance clubs of London, visiting John & Paul at Paul's house across from Abbey Road Studios. Imagine all the questions when they learn you're from the future: How are records made? Will their music last? Will anyone remember The Beatles? And then John Lennon asks the biggest question of them all - What will become of me? That last question sets 17-year-old Lenny Funk off on the adventure of his life with a goal that seems impossible - to stop John Lennon's assassin, Mark David Chapman. Lenny Funk is able to time travel, thanks in part to his baby boomer grandfather's old iPod Nano which is loaded with the classic rock and roll, and pop and folk tunes of the 1960s & '70s. Together with his new friend Yoko (yes, she's named after that Yoko), Lenny time slips backwards where he meets some of his musical heroes -- not only The Beatles but also Jim Morrison & James Taylor, among others. Lenny must make some difficult and heartbreaking decisions- should he change the course of history, or not? And what are the consequences if he does? The year 2015 marks what would have been John Lennon's 75th birthday and, sadly, the 35th year since he was murdered.

**The Mirror** Yolanda S. Peay,2011-07-25 How does it feel to not fit in at school, to be shut out and treated like an outcast? This isn’t a typical story about an average preteen who is treated like a misfit by her peers. Phalecia, who can’t seem to fit in, has always been taught to be herself. She doesn’t know it, but she is in for the ride of her life. The mirror will show her that image isn’t everything. You should never judge a girl by her cover!
