From My Heart Lisa McCann, 2013-12-27 My only son was murdered in December 2012 and I was having a very hard time dealing with my grief. I looked into counselling groups but the meetings were held on week nights, and this was impossilbe for me as I work an afternoon shift. I would come home from work and write how I felt in a notepad, as I was doing this, my expressions of grief were coming out in poems. I began posting my expressions of my grief on my facebook page., my family would comment on how beautiful they were, and that maybe I should consider publishing them in a book. I thought no who would really want to read about my grief and how I hurt inside. Then I found a facebook page for grieving mothers and

Paul Lynde Cathy Rudolph,2013-12 This book will let you into the heart and soul of Paul Lynde. Best remembered for outrageous jokes on The Hollywood Squares, as Uncle Arthur from Bewitched, and as the frantic father in Bye Bye Birdie, Paul was never satisfied with his career - or his personal life. But even as he suffered through some of the cruelest of times, Paul continued to make us forget our troubles, and was forever gracious to his fans. This is the book those fans have been waiting for. Though he was one of the most original, hilarious, and private actor-comedians of all time, author Cathy Rudolph, his trusted friend, reveals her adventures with Paul - along with his turbulent life story. Here for the first time are interviews with his relatives, personal notes, and never-before-published photos. Also included are memories from his friends and peers including Cloris Leachman, Chita Rivera, Florence Henderson, Kaye Ballard, Peter Marshall, Les Roberts, Betty White, and many more. I've been saying for forty years that Paul Lynde could deliver a punch line better than any other comedian. I look forward to having the book on my library shelf. - Les Roberts, novelist and first producer and head writer of the original Hollywood Squares. Odyssey of Love Linda Jämsén,2021-06 When she doesn't receive the marriage proposal she'd long been expecting on her 41st birthday, Linda follows the guidance of a psychic and heads to Europe, seeking her soul mate.

Inside Studio 54 Mark Fleischman,2017 InInside Studio 54, the former owner takes you behind the scenes of the most famous nightclub in the world, through the crowd, to a place where celebrities, friends, and the beautiful people sip champagne and share lines of cocaine using rolled-up hundred-dollar bills. In the early eighties, Mark Fleischman reopened Studio 54, the world's most glamorous and notorious nightclub, after it was closed down by the State of New York. Ten thousand people showed up that night, ready to restart the party that abruptlyended after the raid in 1978 landed its former owners in jail. Inside Studio 54 invites you to revisit the happening scenes of the 1960s, '70s, and '80s, the post-Pill, pre-AIDS era of free love, consequence-free sex, and seemingly endless partying. Following Fleischman as he builtconnections as a hotel, restaurant, and club owner that lead

him to Studio 54. Inside Studio 54 takes the reader from Brazil to the heights of debauchery in the Virgin Islands and finally to New York City. A star-studded thrill ride through decadent and drug-fueled parties at the legendary Studio 54.

Covid-24 Flavio Bell, It was beaten once, but are you prepared for the next outbreak? In 2020 the world changed forever. During a terrifying pandemic, governments struggled to contain a virus that proved to be an elusive enemy like no other. In 2019, a young bio-geneticist knew the Coronavirus was coming and so in an attempt to save thousands of lives, he developed a vaccine. But little did he know, his creation would spark a chain reaction that would threaten the future of humanity. Amid financial greed and a total disregard for human lives, nations turn against each other to unravel a disturbing secret about Covid-19 as the race for survival begins. Four years after the outbreak the world economy is thriving, but the virus hasn't gone away... It's just silently evolving.

Michael and Me Shana Mangatal, 2016-08-29 More than six years after his death, Michael Jackson continues to fascinate the world. Shana Mangatal was one of Jackson's only constant and true rocks of stability for nearly two decades. Their relationship was quiet and sweet and real—a closely guarded secret, known only to a few trusted employees and friends. Shana is now coming forward to tell their love story. Her story is rich with every little detail. She witnessed the scandals, lawsuits, the release of groundbreaking albums and subsequent world tours, big-budget short films, addictions. Michael and Me entertains and inspires, but above all, Shana continues to treat Michael (and his legacy) with respect. This is not an exploitative tell-all, but rather a book that shows the side of Michael people never knew. In it, Shana paints a more intimate picture of this beloved, yet very misunderstood man.

Phone & Spear Miyarrka Media, 2021-10-12 A visually striking intercultural exploration of the use of mobile phones in Aboriginal communities in Australia. Yuta is the Yolngu word for new. Phone & Spear: A Yuta Anthropology is a project inspired by the gloriously cheeky and deeply meaningful audiovisual media made with and circulated by mobile phones by an extended Aboriginal family in northern Australia. Building on a ten-year collaboration by the community-based arts collective Miyarrka Media, the project is an experiment in the anthropology of co-creation. It is a multivoiced portrait of an Indigenous society using mobile phones inventively to affirm connections to kin and country amid the difficult and often devastating

circumstances of contemporary remote Aboriginal life. But this is not simply a book about Aboriginal art, mobile phones, and social renewal. If old anthropology understood its task as revealing one world to another, yuta anthropology is concerned with bringing different worlds into relationship. Following Yolngu social aesthetics—or what Miyarrka Media translate as “the law of feeling”—the book is a relational technology in its own right: an object that combines color, pattern, and story to bring once distant worlds into new sensuously mediated connections.

Conversations with God Neale Donald Walsch, 2010 Suppose you could ask God the most puzzling questions about existence questions about love and faith, life and death, good and evil. Suppose God provided clear, understandable answers. It happened to Neale Donald Walsch. It can happen to you. You are about to have a conversation. . . Walsch was experiencing a low point in his life when he decided to write a letter to God, venting his frustrations. What he did not expect was a response. As he finished his letter, he was moved to continue writing and out came these extraordinary answers to his questions. They will amaze you with complex paradoxes that make perfect sense, profound logic, and astounding truths. Here are answers that bring together as one the deeper meaning of all beliefs and traditions. Here are the answers that will change you, your life, and the way you view other beings. For those with an open mind, a limitless curiosity, and a sincere desire to seek the truth, this book is stunning.

Barbarian Lover Ruby Dixon, 2022-07-12 The third novel in the Ice Planet Barbarians series, an international publishing phenomenon—now in a special print edition with bonus materials and an exclusive epilogue! Kira plans on remaining single on this alien planet—she doesn't want a mate anyway. At least, that's what she tells herself. But when Aehako comes along, everything changes. . . . As one of the humans stranded on the ice planet, I should be happy that I have a new home. Human women are treasured here, and one alien in particular has made it clear that he's interested in me. It's hard to push away the sexy, flirtatious Aehako when I long to grab him by his horns and insist he take me to his furs. But I've got a terrible secret—a few of them, actually. I'm convinced that Aehako can never love me if he knows the full truth. More worryingly, the aliens who abducted me are back, and thanks to the translator in my ear, they can find me. My presence here endangers everyone . . . but can I give up my new life and the man I desire more than anything? And will he even want me if he knows my secrets?

Karen's Journal of CSF Leak Headaches and Chronic Pain Karen Shettler Paddock,2015-10-10 There are four parallel stories running through Karen's writings: What it is like to live in Chronic Pain every day, the pain of systemic tendonitides caused by the Fluoroquinolone antibiotic poisoning from Levaquin(R) (Levofloxacin) and what it is like to be ostracized by family and friends to end up alone with no help, no support. Too constantly hear from doctors that there is nothing wrong with you you are just doing this to get attention or pain pills. The idea behind this book is that if you see yourself in one of those threads that you can put this book into the hands of someone, family, friend or doctor and say This is me! in the hopes that they 'get it' instead of thinking of you as a crazy hypochondriac out to get attention or drugs. If someone you know who has Chronic Pain gave you this book, they want you to understand, through Karen, what they are dealing with, possibly every moment of their life. What your friend or relative wants to hear the most from you after you've read what Karen had to say is I believe you. Your brain is meant to be floating around in your skull and when it is not due to Intracranial Hypotension from a Cerebrospinal Fluid (CSF) Leak or the opposite Intracranial Hypertension (too much pressure), things are getting yanked on that were never meant to be yanked on, causing debilitating pain that the word 'Headache' fails to describe. Karen's Journal is required reading at Duke University School of Medicine. Foreword by Connie Deline, MD, Co-founder, Spinal CSF Leak Foundation. If you have Intracranial Hypotension caused by a Cerebrospinal Fluid (CSF) Leak; Idiopathic Intracranial Hypertension (IIH); Chiari; Chronic Pain; Ehlers-Danlos Syndrome (EDS); Invisible Disabilities, Rare Diseases, Scoliosis or injury from Fluoroquinolone Antibiotic this may be the book that resonates with you. Spinal CSF Leak Foundation edition. Updated August 7th, 2018. All royalties go directly to the Foundation.

For the Soul Barbara Daniels Dena,2021-08-22 Memories and fiction fill this collection of short stories with humor, heartwarming compassion, and

spine-tingling fright from the author's own experiences and imagination that she can barely control. Quilts, children, and dogs have always played a large part in the author's life. Therefore it is not surprising to find stories of warm quilts wrapped around her tales and tails. A trait the reader finds in Barbara's writing is that much like life, nothing within the covers of this book will be what you expect.

Fashion 2001 Lucille Khornak,1982 Chronicles what the leading designers of the 1980s thought fashions in the year 2001 would look like. Details more about haute couture of the 1980s than about fashion forecasting.

Thebes of the Hundred Gates Robert Silverberg,2013-02-01 Edward Davis, a rookie of the Time Service, has already made several successful jumps to the past. Now he is given his most important mission. *** Two members of the Service have disappeared in ancient Egypt and Edward Davis's assignment is to locate and rescue them. *** But is he ready for all that Egypt has to offer and for the surprising truths he discovers as he explores this ancient land of myths and mysteries-truths that jeopardize his own mission and return back to the future?
