Hidden Words Sandra Chambers,2012-02-21 This book takes you to the inner most depth of my life experience expressed through poems. My aim is to invite the readers and take them on this journey of such deep inspirational words, to motivate and capture the reader's heart by sharing the pleasurable feeling of warmth and the reality of life. The book "Hidden words....Inspirational poems" was simply named by me when I discovered my talent at the lowest point of my life. At the age of 40, I started to write poetry, although I did not pursue it earlier in life, God was able to stir-up the gift that I had buried for such a long time. Had it not been for the struggles, disappointments, good times and bad times this book may not have been written. Sandra Chambers, author

First Flush Orna Ross,2019-10-08 Orna Ross is a major poet and deserves the world's attention. Robin Cutler: Ingram Spark An experienced and adroit writer who effortlessly demonstrates the far-reaching things language can do. kaleeM rajA, The View From Here Literary Review Reaches into the corners of your soul and pulls out all that is beautiful. SoWrite Linda Welcome to the imaginative world of Irish poet Orna Ross. If you're a fan of Maya Angelou, John O'Donoghue, Mary Oliver, or the ancient wisdoms of Rumi or Kabir, you'll find poems here that are likely to inspire you. Unfailing attuned to the beauty and complexity and interconnectedness of life, this small chapbook is a taster of the sort of contemporary inspirational poetry that is spiritual, not religious. The poet explains, "I don't believe in gods made in human image. I believe only in what I've experienced myself as real: the spirit that created me creating through me. The mystery of the creative process. So my poems are acts of praise and love, yes, but they don't shy away from life's challenges. They reflect not just the beauty but also the complexity and interconnectedness of human existence. What the great zen master, Thich Nhat Hanh, calls our "interbeing". These twelve lush and imaginative poems take many forms, from narrative to haiku, with subjects divided into questions, works, histories, moments, gifts and blessings. Whether explaining why true love never hurts, gazing at a newborn baby, or translating an ancient Irish blessing into contemporary relevance, each poem in this pamphlet offers access to that open, inner space where "the splendor of creation awaits" us. Where heart and mind find themselves restored to spirit.

Meet Me Rafika Alami,2012-09 Note to the Reader This is just a quick note to the reader. Obviously if you bought my book then you enjoy poetry. When I began writing poetry I was a 13 year old eighth grader. I had never ever attempted writing a poem before that. I guess the way that I started with poetry was bottling everything inside me that I had to let it out somehow. So I ended up writing about it. I didn't notice that it had taken the form of a poem until halfway through it. To me it sounded so much like a poem. I showed it to my friend and she asked me when I took poetry lessons. Funny thing is that I never took poetry lessons. It just came out of me. I got encouraged so I began to write down everything that came to my mind. Unfortunately I was young, so most of my poems were about love and pain. I knew I could use my poem skills to write inspirational and better poems than just love, but I never took that into consideration. It was only until this year that I started to wise up. I began writing about inspirational topics. I got so happy when I wrote my first uplifting poem. It was like lifting a burden off my shoulders. Everything that is written in this book is meant with all good means. Some people say it's a talent, some people say that it's a gift. Well whatever it is, I want to share it with you. I'm a 14 year old tenth grader (sophomore) now and I know I'm young. I'm sure you'll like my poetry, and if you don't just keep in mind that I'm still very young. I respect your opinion. I'm still trying to get better. I'm not perfect. I really hope you enjoy the book!
