The easy, effective system outlined in 1-2-3 Tarot will have you giving accurate readings right away without having to memorize anything. The key to this unique system is the Tarot sentence. A card's complex significance boils down to three elements: identity, action, and direction. You'll learn how to interpret the collective meanings of three-card sets within a variety of spreads designed to answer any question. With Tarot Made Easy you can easily interpret the meaning of any card and apply it to the particular circumstances of your life. With the simple process outlined here, you need only choose one tarot card and then consult one (or several) of the 32 categories listed under each card--including Romance, Travel, Career, Finances, Friends, and Special Guidance--to discover the card's specific message for you. For example, if you want to know about your romantic future and the Queen of Cups turns up, you may find that the standard description given is an honest, devoted woman; loving intelligence and happiness. How should you interpret this? But with Tarot Made Easy, the Queen of Cups Romance category tells you that someone will enter your life in whom you will be very interested...and you will meet this person very close to your home, if not outside your front door.
