Sir John Lubbock

Falling into Now Claire Smith, 2018-10-19 When Claire reflects on her life now in the opening chapter, she mentions that her right leg is in a brace. Readers are left wondering what happened. Why is she grateful to be able to walk only a few steps? The answer is gradually revealed over the course of the memoir as Claire writes about her equestrian life and the years following its sudden end on September 13, 1997. While she chronicles her past, her story weaves into and out of the now. Although Claire feels that she will never completely let go of the successes—or of the crushing disappointments—that accentuated her time in the equestrian world, this memoir is about so much more. It's about being driven to pursue a goal. It's about a life-changing loss. It's about arduous recovery. It's about a life evolving into something completely unexpected. A compelling story of determination, resilience, and persistence in the face of tremendous loss, this memoir is bound to be inspiring, particularly for the many individuals who are forced to confront life-altering challenges.

Simple Pleasures: Tune Into Now! Sir John Lubbock, 2011-11-22 The *Simple Pleasures of Life: How to Tune Into the Moment to Enjoy NOW* was derived from Sir John Lubbock's endearing classic, *The Pleasures of Life* completely rewritten and abridged by Beverly Potter, PhD. Principles of living in the moment are woven into Lubbock's appealing descriptions of simple pleasures and around us?if only we looked when we, too often, overlook. Lubbock's robust but sensitive descriptions of nature, money, friends, home help readers get out of their minds to experience moments of NOW and living more fully in the present?the secret of a happy life. The *Simple Pleasures of Life: How to Tune Into the Moment to Enjoy NOW* guides readers to be more conscious of how their thoughts and emotions get in the way of living in genuine peace and happiness. Have more joy right now?just stop and smell the flowers, a simple

pleasure. Frantic enlightenment seekers with lives packed schedules and busyness with especially love this friendly, loving little book.

From Then Into Now Christian Michener, 1998 From Then Into Now is the first study of William Kennedy's famous Albany novels that provides both a close analysis of each novel and describes the integrated nature of the cycle of novels.

Eye Into Now Hugh Fox, 1967

Journey Into Now Leonard Jacobson, 2007 With perfect precision, the author guides the reader along a path of awakening which leads to liberation from the pain and limitations of the past into the joyful and unlimited world of Now. This book reveals, in the simplest way, how to still the mind and become fully present and awake in the truth of life. Perhaps the most important aspect of this book is the author's unique insight into the nature of the mind and ego. He describes in detail how the ego's resistance to Presence is the primary obstacle to awakening and how we can overcome that resistance in a simple and effective way. Each page of this book reveals a part of the mystery. There are hidden keys to awakening on every page. It is like a road map home.
