The Avengers in Video Games Blair Farrell,2021-03-19 For decades, Marvel Comics' superhero group the Avengers have captured the imagination of millions, whether in comics, multi-billion dollar grossing films or video games. Similar to the chronology of the Marvel Cinematic Universe, the Avengers video games first started with titles driven by single characters, like Iron Man, the Hulk, Thor and Captain America. Over time, the games grew to include more and more heroes, culminating in playing experiences that featured the Avengers assembled. This is the first-ever book assessing the video games starring Earth's Mightiest Heroes. Featured games span consoles and platforms, from popular PlayStation and Xbox titles to an arcade game in danger of being lost to time. All video games are covered in depth, with each entry including game background and a detailed review from the author. Some game entries also include behind-the-scenes knowledge from the developers themselves, providing exclusive details on the Marvel video game universe.
