**Beyond Olá** Isabel Floris, 2019-01-08 So, you know how to say hello, ask where the restroom is, and how much something costs, now what? How do you ask someone if they are on Facebook? Or tell them to mind their business? Go beyond olá with these 400+ phrases for conversational use. Inside are phrases that you have probably used in everyday English conversations. Purchase this book to learn how to say someone is a pain in the 'butt' or to apologize for oversleeping. \*Remember, Portuguese IS NOT a translation of English. There are a lot of idioms that do not literally translate to English. For those of you interested in Portuguese phrases common to most books, like hellos and good-byes, there is a section at the end just for you too.

**The Way of the Linguist** Steve Kaufmann, 2005-11 The Way of The Linguist, A language learning odyssey. It is now a cliché that the world is a smaller place. We think nothing of jumping on a plane to travel to another country or continent. The most exotic locations are now destinations for mass tourism. Small business people are dealing across frontiers and language barriers like never before. The Internet brings different languages and cultures to our finger-tips. English, the hybrid language of an island at the western extremity of Europe seems to have an unrivalled position as an international medium of communication. But historically periods of cultural and economic domination have never lasted forever. Do we not lose something by relying on the wide spread use of English rather than discovering other languages and cultures? As citizens of this shrunken world, would we not be better off if we were able to speak a few languages other than our own? The answer is obviously yes. Certainly Steve Kaufmann thinks so, and in his busy life as a diplomat and businessman he managed to learn to speak nine languages fluently and observe first hand some of the dominant cultures of Europe and Asia. Why do not more people do the same? In his book The Way of The Linguist, A language learning odyssey, Steve offers some answers. Steve feels anyone can learn a language if they want to. He points out some of the obstacles that hold people back. Drawing on his adventures in Europe and Asia, as a student and businessman, he describes the rewards that come from knowing languages. He relates his evolution as a language learner, abroad and back in his native Canada and explains the kind of attitude that will enable others to achieve second language fluency. Many people have taken on the challenge of language learning but have been frustrated by their lack of success. This book offers detailed advice on the kind of study practices that will achieve language breakthroughs. Steve has developed a language learning system available online at: [www.thelinguist.com](http://www.thelinguist.com).

Bruce the Fire Dog and His North Pole Friends Say Hello Buck Boylan,2019-01-15 In this book, all the characters from my first book titled Bruce the Fire Dog Saves Christmas come to life. You will experience detailed drawings of each character. These characters speak to you, the reader, in a person-to-person tone. They describe themselves in a self-profile style. They self-describe what they look like and some of their personality quirks. Bruce the Fire Dog brings the Santa Claus family to life by introducing Papa Claus; Moma Maria Claus; Santa's wife, Helen Claus; Santa's brother, Harold Claus; and his sister, Barbara Jean Claus. Papa Claus tells us of the sparkling, magical miracle of how he started the North Pole Village with just some trees, an ax, and three lily-white angels. Moma Claus tells the story of how she and Papa Claus fell in love and together lived in the new village with all those elf helpers. Harold Claus, the scientists, tells us about his new inventions that Papa and Santa needed. Barbara Jean Claus describes how the North Pole Toy Factory functions on the business side of things. Santa tells us of how he grew up at the North Pole and the extortionary measures Papa Claus went through to get him his new job. Bob the Scottish Elf says hello. Bob's now famed, flying, talking, and multicultural reindeer present themselves to you. They talk about how they each got a job at Bob's sleigh factory as well as giving some heartwarming social advice to children. Go ahead open your heart and imagination. After all, we are all children at heart. For information about Bruce the Fire Dog and His North Pole Friends Say Hello, please go to <https://buckboylan.com/>.
