Idream Ice-cream Iscream - Decoded Alex Russell,2016-07-12 Alone in his bed, the sleeper dreams. A restless sleep. An uneasy mix of humour and horror. It is the last night of his life. Half-forgotten images and fears jostle to the surface for their final appearance. This new edition includes iDream Decoded, which clarifies the intentionally ambiguous use of words and phrases and gives sources for the references used.

Idream Ice-cream Iscream Alex Russell,2015-07-09 iDream... Alone in bed, on the last night of his life, the sleeper dreams. Small movements and sounds around him frequently intrude and alter the course of his dreaming - a world of menace which gradually unfolds within a stream of (often distorted or inverted) events and references. Alex Russell, in this epic poem, leads us on an hallucinatory trip through the sub-conscious. It is, by turns, whimsical and disturbing. The reader is kept off-balance throughout. This is the author's first book. His second A Russell in the Undergrowth is a collection of short stories based on his bizarre experiences while living in France, interspersed with snippets of poetry.
