

Israel Days

Jill Hammer

Ten Days of Birthright Israel Leonard Saxe, Barry I. Chazan, 2008 The remarkable story of Birthright Israel, an intensive ten-day educational program designed to connect Jewish young adults to their heritage

Israel's Holy Days Daniel Fuchs, 1985 In this concise presentation the author examines the seven annual sacred feasts of Jerusalem -- their history, present celebration, and prophetic fulfillment.

34 Days Amos Harel, Avi Issacharoff, 2008-04-29 This is the first comprehensive account of the progression of the Second Lebanese War, from the border abduction of an Israeli soldier on the morning of July 12, 2006, through the hasty decision for an aggressive response; the fateful discussions in the Cabinet and the senior Israeli command; to the heavy fighting in south Lebanon and the raging diplomatic battles in Paris, Washington and New York. The book answers the following questions: has Israel learned the right lessons from this failed military confrontation? What can Western countries learn from the IDF's failure against a fundamentalist Islamic terror organization? And what role did Iran and Syria play in this affair? 34 Days delivers the first blow-by-blow account of the Lebanon war and new insights for the future of the region and its effects on the West.

Days of Honey, Days of Onion Michael Gorkin, 1993-01-01

Jewish Days and Holidays Greer Fay Cashman, 1979 Brief text and illustrations introduce special Jewish days and holidays.

Jewish Days Arab Nights Lena D. Walton, 2014-06-09 Israel 1987 - disaffected Palestinians from the then occupied territories are joining together and lighting the fuse of the uprisings that will become known as the Intifada. Men like Rashid Sounar, a journalist once married to a Jew, who thinks he can fight with the pen. His friend Ali, just out of prison, who believes only guns can really win. Fresh off a plane from England a young girl, Fiona, arrives to work on a Kibbutz, romantically imagining Israel as a biblical land full of orange groves and donkeys. The harsh reality is that she has arrived in a country on the brink of a brutal civil war. She forms a friendship with the Jerusalem journalist Rashid - and then falls in love with an Israeli soldier, Rami. Can she remain impartial to a war between Muslim and Jew? Politics, war, history and religion all converge in one young woman's struggle to build a life in a country where there is no room for compromise. A devastating turn of events forces Fiona to face a heart-breaking decision. Can she leave Israel - and Rami?

The Last Days of Israel Barry Chamish, 2000 Barry Chamish is changing Israel's perspective as no other journalist in his field. His previous books: 'Who Murdered Yitzhak Rabin', 'Traitors and Carpetbaggers in the Promised Land', and 'Israel Betrayed' have documented Israeli leadership controlled by dangerous, secretive European and American power brokers, using murder to push peace down an unwilling Israeli public's throat. His research has been accepted in Israel and worldwide. Chamish's Hebrew work has climbed to the top of the Israeli bestsellers lists, while his editions in English, Spanish, French, Russian, and German are impacting readers on 3 continents. In 'The Last Days of Israel', Chamish goes farther than ever before. He names names. He identifies Israel's hidden enemies and shows readers who really murdered Rabin. This book puts all of his previous research into highly focused perspective. When widely understood, this perspective has the potential of saving Israel. This book is a powerful tool for Israel's defense. -- from the cover

The Jewish Book of Days Jill Hammer, 2010-01-01 Throughout the ages, Jews have connected legends to particular days of the Hebrew calendar. Abraham's birth, the death of Rachel, and the creation of light are all tales that are linked to a specific day and season. The Jewish Book of Days invites readers to experience the connection between sacred story and nature's rhythms, through readings designed for each and every day of the year. These daily readings offer an opportunity to live in tune with the wisdom of the past while learning new truths about the times we live in today. Using the tree as its central metaphor, The Jewish Book of Days is divided into eight chapters of approximately forty-five days each. These sections represent the tree's stages of growth--seed, root, shoot, sap, bud, leaf, flower, and fruit--and also echo the natural cadences of each season. Each entry has three components: a biblical quote for the day; a midrash on the biblical quote or a Jewish

tradition related to that day; and commentary relating the text to the cycles of the year. The author includes an introduction that analyzes the different months and seasons of the Hebrew calendar and explains the textual sources used throughout. Appendixes provide additional material for leap years, equinoxes, and solstices. A section on seasonal meditations offers a new way to approach the divine every day.

How to Understand Israel in 60 Days or Less Sarah Glidden, 2016-08-30 The award-winning graphic memoir about Israel that offers more questions than answers about identity and politics Sarah Glidden is a progressive Jewish American twentysomething who is both vocal about and critical of Israeli politics in the Holy Land. When a debate with her mother prods her to sign up for a Birthright Israel tour, Glidden expects to find objective facts to support her strong opinions. During her two weeks in Israel, Glidden takes advantage of the opportunity to ask the people she meets about the fraught and complex issue of the Israeli-Palestinian conflict, but their answers only lead her to question her own take on the conflict. Simple linework and gorgeous watercolors spotlight Israel's countryside, urban landscapes, and religious landmarks. With straightforward sincerity, lovingly observed anecdotes, and a generous dose of self-deprecating humor, *How to Understand Israel in 60 Days or Less* is accessible while retaining Glidden's distinctive perspective. Over the course of this touching memoir, Glidden comes to terms with the idea that there are no easy answers to the world's problems, and that is okay. This debut book landed on several best-of-the-year lists, including *Entertainment Weekly's*; earned a YALSA Great Graphic Novels for Teens distinction; and won an Ignatz Award. Her second book, *Rolling Blackouts*, which documents her experience shadowing journalists in Turkey, Iraq, Lebanon, and Syria, will also come out this fall from Drawn & Quarterly.

Days of Lead Moshe Rashkes, 2018-04-17 #1 Best Seller - Over 50,000 Copies Sold Hailed by Israel's founder David Ben-Gurion, *Days of Lead* is a gripping best seller recounting the author's life on the front line during Israel's War of Independence. Exquisitely written with a poetically beautiful touch, *Days of Lead* is the page-turning true story of a young soldier's brave escapades during Israel's War of Independence in 1948. This incredible account is a story of determination and heroism, but also a stinging portrait of life on the battlefield—of looking an enemy soldier, also wide-eyed and only eighteen, in the eyes and knowing that it's his life or yours, either you take a life or you lose yours. Far from a regular coming-of-age story, this is a firsthand account of a young man trying desperately to save the lives of his fellow soldiers, but watching them taken down one-by-one until he's the last man alive on his platoon. It's heartrending, but enthralling. This new edition of *Days of Lead*, published in English for the first time, provides an up-close view of Jerusalem and Tel Aviv long before they became the bustling cities we know today. It also presents fascinating, never-before-shared context on the making of the book and its enduring relevancy, as Israeli soldiers continue to fight for Israel's right to exist. In a personal letter to the author, Israel's founder and first prime minister, David Ben-Gurion, one of many well-known celebrators of the book, writes, "I started reviewing your book without the intention of reading to its end, but from the first pages I was captivated and I read it to the end through excitement and astonishment. From where all of a sudden pops up such mighty expression, truth telling, and wonderful description? It seems to me that until now I have not read such a precise and true story of combat from the War of Independence. . . . You have contributed a valuable asset . . . to our literature at large."

The Process Uri Savir, 2010-10-06 Meet your Enemy Number One, a nervous Norwegian diplomat said to Uri Savir, the young director-general of Israel's Foreign Ministry, as he introduced him to Abu Ala, one of Yasser Arafat's top aides. They were in Oslo, and this was the first official encounter between Israel and the PLO. The atmosphere was tense. Savir read from prepared notes: The aim of Israel's elected government, he began, is to bring about a historic reconciliation with the Palestinian people. We have no interest in only a cosmetic change of the status quo. It is not our wish to control your lives. . . . For more than half a century, both sides had denied the other's right to exist; both had sustained a terrible toll. Yet in the three years that followed that first encounter, after thousands of hours of subtle and complex secret negotiations, they hammered out the blueprint

for a peaceful conclusion to a conflict that had seemed irreconcilable. This book is the Israeli chief negotiator's extraordinary account of those negotiations, their implementation and aftermath, and of the unlikely partnership that emerged between Yitzhak Rabin, Yasser Arafat, and Shimon Peres. As the process initiated at Oslo began to reshape allegiances throughout the Middle East, Israeli and Palestinian extremists set out to violently destroy what they described as the threat of peace. This is the inside story of the race between those committed to reconciliation and those who vowed to destroy the peace. It is also a poignant story of the developing relationship between Savir and Abu Ala, both from Jerusalem, both committed to their people, to their land, and to peace. Will the peace process initiated at Oslo prevail against the assault of extremists and enemies of peace on both sides? The answer to this question, and the future of the peace process, is crucial not just to Israel and the Palestinians, but to the Middle East and the world.

In Those Days, at this Time Eliezer Segal, 2007 Eliezer Segal's approach to Jewish history and tradition has often been light-hearted and humorous. Through his web site and newspaper columns, he has reached out to non-specialist audiences with his entertaining style. *In Those Days, At This Time* is a collection of short essays that explore the intricate framework of sacred days and times which make up the Jewish festival calendar. Each piece is devoted to an occasion in the cycle of sacred seasons. Segal investigates the ways festival observances have been shaped over the generations, looking at different interpretations of their rituals, their symbolism, and their adaptation to changing historical circumstances. With such clever titles as *Getting a Handel on Hanukkah* and *The Eggs and the Exodus*, these essays bring a touch of whimsy to a complex and deep-rooted religious tradition.

The Last Days in Israel Abraham Diskin, 2003 This volume examines the challenges and circumstances Israel has faced during the 1990s and addresses both the public's and leadership's singular goal of peace and security.

Six Days Jeremy Bowen, 2013-12-03 Suicide attacks on Israelis, bombings, assassinations, and bloodshed in Jerusalem, Gaza, and the West Bank dominate the news from the Middle East. It is the most troubled region on earth. At its heart is the conflict between Palestinians and Israelis - and the legacy of six days of war in 1967. After the state of Israel emerged from war in 1948, both sides knew more battles were coming. In June 1967, years of slow-burning tension exploded. In six extraordinary days, Israel destroyed the armed forces of Egypt, Jordan, and Syria. But far from bringing peace, as many Israelis hoped, their stunning victory turned into a curse. From the initial battle order issued to the Israeli air force on Monday June 5, 1967 to the final ceasefire on the evening of Saturday the 10th, the Six-Day War was a riveting human drama. Building on his first-hand experience of the region after his five years as the BBC's Middle East Correspondent, as well as extensive original research, Jeremy Bowen presents a compelling new history of the conflict. *Six Days* recreates day by day, hour by hour, the bullying and brinkmanship that led four nations to war, interweaving testimonies of combatants from all sides in a seamless narrative. A rigorous and original piece of modern history is as vivid as fiction, *Six Days* not only sheds new light on one of the key conflicts of the twentieth century, it explains much about the Middle East and the problems the region still faces today.

Israel's Years of Bogus Grandeur Nissim Rejwan, 2010-01-01 On the eve of the Six-Day War in 1967, Israel was nineteen years old and as much an adolescent as the average nineteen-year-old person. Issues of identity and transition were the talk among Israeli intellectuals, including the writer Nissim Rejwan. Was Israel a Jewish state or a democratic state? And, most frustratingly, who was a Jew? As Nancy Berg's foreword makes clear, these issues became more critical and complex in the two decades after the war as Israel matured into a regional power. Rejwan, an Iraqi-born Jew whose own fate was tied to the answers, addresses the questions of those days in his letters, essays, and remembrances collected in *Israel's Years of Bogus Grandeur*. Israel's overwhelming victory in 1967 brought control of the former Palestinian territories; at the same time, Oriental Jews (i.e., those not from Europe) became a majority in the Israeli population. The nation, already surrounded by hostile, recently humiliated Arab neighbors, now had an Arab majority (Jewish, Muslim, Druze,

and Christian) within its borders—yet European Jews continued to run the country as their own. Rejwan wrote tirelessly about the second-class status of Arab Israelis (and especially of Arab Jews), encouraging a more inclusive attitude that might eventually help heal the wounds left by the Six-Day War. His studies in sociology at Tel Aviv University informed his work. For his cause, Rejwan lost his job and many of his friends but never his pen. Through Munich, Entebbe, political scandals, economic crises, and the beginning of the Intifada, Rejwan narrates Israel's growing pains with feisty wit and unwavering honesty.

How to Understand Israel in 60 Days or Less Sarah Glidden, 2021-04-22 Sarah Glidden is a progressive Jewish American twentysomething who is both vocal about and critical of Israeli politics in the Holy Land. When a debate with her mother prods her to sign up for a Birthright Israel tour, Glidden expects to find objective facts to support her strong opinions. During her two weeks in Israel, Glidden takes advantage of the opportunity to ask the people she meets about the fraught and complex issue of the Israeli-Palestinian conflict, but their answers only lead her to question her own take on the conflict. Simple linework and gorgeous watercolors spotlight Israel's countryside, urban landscapes, and religious landmarks. With straightforward sincerity, lovingly observed anecdotes, and a generous dose of self-deprecating humor, *How to Understand Israel in 60 Days or Less* is accessible while retaining Glidden's distinctive perspective. Over the course of this touching memoir, Glidden comes to terms with the idea that there are no easy answers to the world's problems, and that is okay. This debut book landed on several best-of-the-year lists, including *Entertainment Weekly's*; earned a YALSA Great Graphic Novels for Teens distinction; and won an Ignatz Award. Her second book, *Rolling Blackouts*, which documents her experience shadowing journalists in Turkey, Iraq, Lebanon, and Syria, will also come out this fall from Drawn & Quarterly.

The End of Days Gershom Gorenberg, 2002 A seasoned journalist guides readers through the violent struggle for Jerusalem's sacred Temple Mount.

Six Days of War Michael B. Oren, 2017-06-06 NEW YORK TIMES BESTSELLER • The first comprehensive account of the epoch-making Six-Day War, from the author of *Ally*—now featuring a fiftieth-anniversary retrospective Though it lasted for only six tense days in June, the 1967 Arab-Israeli war never really ended. Every crisis that has ripped through this region in the ensuing decades, from the Yom Kippur War of 1973 to the ongoing intifada, is a direct consequence of those six days of fighting. Writing with a novelist's command of narrative and a historian's grasp of fact and motive, Michael B. Oren reconstructs both the lightning-fast action on the battlefields and the political shocks that electrified the world. Extraordinary personalities—Moshe Dayan and Gamal Abdul Nasser, Lyndon Johnson and Alexei Kosygin—rose and toppled from power as a result of this war; borders were redrawn; daring strategies brilliantly succeeded or disastrously failed in a matter of hours. And the balance of power changed—in the Middle East and in the world. A towering work of history and an enthralling human narrative, *Six Days of War* is the most important book on the Middle East conflict to appear in a generation. Praise for *Six Days of War* “Powerful . . . A highly readable, even gripping account of the 1967 conflict . . . [Oren] has woven a seamless narrative out of a staggering variety of diplomatic and military strands.”—*The New York Times* “With a remarkably assured style, Oren elucidates nearly every aspect of the conflict. . . . Oren's [book] will remain the authoritative chronicle of the war. His achievement as a writer and a historian is awesome.”—*The Atlantic Monthly* “This is not only the best book so far written on the six-day war, it is likely to remain the best.”—*The Washington Post Book World* “Phenomenal . . . breathtaking history . . . a profoundly talented writer. . . . This book is not only one of the best books on this critical episode in Middle East history; it's one of the best-written books I've read this year, in any genre.”—*The Jerusalem Post* “[In] Michael Oren's richly detailed and lucid account, the familiar story is thrilling once again. . . . What makes this book important is the breadth and depth of the research.”—*The New York Times Book Review* “A first-rate new account of the conflict.”—*The Washington Post* “The definitive history of the Six-Day War . . . [Oren's] narrative is precise but written with great literary flair. In no one else's study is there more understanding or more surprise.”—Martin Peretz, Publisher, *The New Republic* “Compelling, perhaps even vital,

reading.”—San Jose Mercury News

The Last Days of the Kingdom of Israel Shuichi Hasegawa, Christoph Levin, Karen Radner, 2018-11-05 Despite considerable scholarly efforts for many years, the last two decades of the Kingdom of Israel are still beneath the veil of history. What was the status of the Kingdom after its annexation by Assyria in 732 BCE? Who conquered Samaria, the capital of the Kingdom? When did it happen? One of the primary reasons for this situation lies in the discrepancies found in the historical sources, namely the Hebrew Bible and the Assyrian texts. Since biblical studies and Assyriology are two distinct disciplines, the gaps in the sources are not easy to bridge. Moreover, recent great progress in the archaeological research in the Southern Levant provides now crucial new data, independent of these textual sources. This volume, a collection of papers by leading scholars from different fields of research, aims to bring together, for the first time, all the available data and to discuss these conundrums from various perspectives in order to reach a better and deeper understanding of this crucial period, which possibly triggered in the following decades the birth of new Israel in the Southern Kingdom of Judah, and eventually led to the formation of the Hebrew Bible and its underlying theology.

End of Days Ethics, Tradition, and Power in Israel Mikhael Manekin, 2023 End of Days is an Israeli Orthodox Jew's attempt to provide a Jewish faith-based alternative to ethnic superiority in Israel, and a theological political framework for those wishing to promote equality in Israel and Palestine.

Unveiling the Magic of Words: A Report on "Israel Days"

In a world defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their power to kindle emotions, provoke contemplation, and ignite transformative change is actually awe-inspiring. Enter the realm of "Israel Days," a mesmerizing literary masterpiece penned by a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve into the book's central themes, examine its distinctive writing style, and assess its profound affect on the souls of its readers.

Israel Days Introduction

In the digital age, access to information has become easier than ever before. The ability to download Israel Days has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Israel Days has opened up a world of possibilities. Downloading Israel Days provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Israel Days has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access

information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Israel Days. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Israel Days. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Israel Days, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices

have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Israel Days has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Israel Days Books

1. Where can I buy Israel Days books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than

hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.

3. How do I choose a Israel Days book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Israel Days books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book

collections.

Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.

7. What are Israel Days audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Israel Days books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
