

Isreal Of God

Hans K. LaRondelle

The Israel of God Samuel Greene, 2012-05 According to the Bible, who really is the “Israel of God” (Galatians 6:16)? The name Israel was first mentioned in Genesis 32 when Jacob wrestled with the Lord and the Lord said to Jacob, “Thy name shall be called no more Jacob, but Israel: for as a prince hast thou power with God and with men, and hast prevailed” (Genesis 32:28). Jacob had a character change. He went from a deceiver, supplanter, and trickster to a prince with God and a champion of God. Therefore, Israel is a spiritual term that lies deep in the heart of God that defines His changed people. They are God’s holy people made up of every tribe, tongue, and nation who have been washed in the blood of Jesus and now have been transformed into the sons of the Living God. This revelation is a must for all believers because this is God’s promise for His people. This is His emphasis in the last days. He died to deliver us from the Law which envelops all of Jewish tradition, customs, and ordinances, which “gendereth to bondage” (Galatians 4:24). For through Jesus “there is neither Jew nor Greek” and we now are all God’s new creation created in Christ Jesus. This is the Israel of God!

Israel in the Plan of God David Baron, 2000-11-17 David Baron was raised in a devout Jewish family and studied Hebrew in rabbinical school. After completing his own study of the Scriptures, he converted to Christianity and devoted himself to a twofold ministry: explaining Christianity to the Jews and explaining the Jews to Christianity. These two objectives form the basis for his classic work *Israel in the Plan of God*. Israel's past and future, from her national election by God to the final judgment of her enemies, is covered in the balanced, biblical study of this astute scholar.

The Israel of God O. Palmer Robertson, 2000 Robertson offers a look at the questions: Who is the Israel of God today? and What is their relationship to the Promised Land, and to Israel's worship, lifestyle, and future?

'The Israel of God'. Philo-Israel answered Philalethes (pseud), 1878

The Israel of God (Classic Reprint) Stephen H. Tyng, 2018-03-13 Excerpt from *The Israel of God* IT is nearly ten years since the present volume was first published in the city of Philadelphia. The simple purpose of its publication then, was to gratify the wish of a large circle of personal friends, who had often expressed the desire to have in print, some of the discourses which they had been accustomed to hear from the author in the pulpit. Since the first publication of this volume, more than three thousand copies of it have been sold. And in bringing out another edition, to which he has added some further selections from his sermons, the author would record his gratitude to God who has thus given his humble labors so much acceptance among his people, - and his affectionate expressions of thankfulness to the many Christian friends who have so liberally encouraged and sustained his ministry of the Sacred Word. Great indeed is the privilege of proclaiming that glorious and finished salvation, which the Gospel offers to perishing men, as laid up in Christ alone; purchased by the merit of his righteousness, and bestowed by the exercise of his power. Never was there a time, when it was more necessary to preach and teach this great salvation, in the simplicity of its divine revelation, in the words which the Holy Ghost teacheth. The author trusts that this volume will be found to do this clearly and faithfully. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Israel in the New Testament David Pawson, 2015-04-15 Now including a new chapter: 'Israel in Galatians'. Over 80% of the promises and prophecies of the Old Testament have been literally fulfilled. It is a simple matter of faith in God's faithfulness to believe that he means what he says, and will do what he says he will do. This study reveals that both the people and the place called 'Israel' have a significant role in God's future plans for world redemption.

The True Israel of God Larry T Smith, 2020-09-20 The True Israel of God is the second in a series of teachings entitled Kingdom Eschatology. Kingdom Eschatology forms the basis for Kingdom understanding. The truth in this book is not a new truth, but rather it is a restoration of a truth recorded in the pages of your Bible that was originally taught by Jesus and His apostles. Not only does this book help show what these original apostolic teachings were, but it also explains why they are so needed in our churches today. It will also show you why there are hundreds of ministers who, after careful study, are now teaching this very message. This series teaches God's doctrine of faith versus man's Dispensationalist doctrine of fear.

The Israel of God in Prophecy Hans K. LaRondelle, 1983

Israel and the Church Amir Tsarfati, 2021-04-06 "Amir Tsarfati tells the prophetic story of the Bible from Genesis to Revelation and in the process helps his readers to comprehend God's unique purpose and plan for both Israel and the Church. His refutation of Replacement Theology is profound and yet easy to understand. This book answers a lot of questions many prophetic writers are afraid to ask." —Dr. David Jeremiah As the day of the Lord rapidly draws near, we must appreciate God's plans for all His people To truly grasp Bible prophecy, we must first understand how God's promises to Israel complement His vision for the church. While some believe God has forsaken Israel for the church, this goes against the nature of the faithful Lord we find in Scripture. In his latest book, native Israeli and bestselling author Amir Tsarfati makes clear what the Bible says about God's unique master plans for His two chosen groups, Israel and the church. Amir gets to the heart of key questions, such as... Do the promises God made to the Old Testament nation of Israel still apply to the Jewish people today? Has God replaced rebellious Israel with the church? Now that the church exists, does Israel possess a distinct role in the present age? How are current events in Israel relevant to the church? What should the church's attitude be toward Israel? *Israel and the Church* provides a fascinating look at all that God has prepared for His two peoples—and why it's so relevant to us today!

Miracle of Israel Gary Frazier, Jim Fletcher, 2016-03-06 Everyone is looking for a miracle. Families devastated by a faltering economy. A college student facing the horrific diagnosis of cancer. Corporately, whole nations are teetering on the brink of despair and chaos. The *Miracle of Israel* is a stunning examination of the millennia-old love that God has for His people that: Clearly conveys the promise God gave to Abraham Examines the ancient prophecies regarding Israel that have happened and are unfolding even today Provides an easy-to-read timeline of miracle after miracle related to the nation of Israel Tracing the history of the Jewish people to the present day, the authors look at prophecy after prophecy that clearly attest to the Lord's miraculous promises. From historical records to personal, dramatic stories, the *Miracle of Israel* shows us that in keeping epic promises to the nation of Israel, God's provision for each of us is sure, perfect, and on time, every time.

The Israel of God, 2020-03-09

The “God of Israel” in History and Tradition Michael J. Stahl, 2021-03-22 In *The “God of Israel” in History and Tradition*, Michael Stahl examines the historical and ideological significances of the formulaic title “god of Israel” (‘elohe yisra’el) in the Hebrew Bible using critical theory on social power and identity.

Israel My Son Faith Marie Baczko, 2020-11-26 *Israel My Son* reveals the transcendent plan of God for Mankind, birthed through the nation of Israel. From before the foundation of the world, God intentioned that His plan for the Salvation of mankind be centred and administered in and through Israel, as the Word of God says, ...salvation is of the Jews (John 4:22). The Spiritual Promised Land of Christ and the natural land of Israel became forever intertwined in the purposes of God beginning with Abraham's Obedience and completed in Christ. A proper understanding of the significance of Israel to the counsels of God, provides access to keys allowing us to apprehend the fullness of God's comprehensive plan, and the facility to be aligned with His purposes in this hour, for our nations. *Israel My Son* is a key to understanding your Hebraic roots, and how your identity is shaped as it relates to God's comprehensive plan. If you are Christ's then this book is important for you as Jesus is the King of the Israel of God, who will reign eternally in Jerusalem. From the beginning to the end, it reveals key features of the greatest story ever told, and without which major parts of the panoramic landscape of God's vision are obscured, producing many errors of interpretation.

God's Saved Israel Philip La G. Du Toit, 2019 *God's Saved Israel* examines identity in the Pauline corpus in terms of how Paul expresses the new identity in Christ in relation to the identity of ancient Israel. In this study, the way in which Paul uses the terms Israel, Israelite, and Judean is approached on the basis of the way in which these terms were used in the second temple period by both insiders and outsiders, rather than presupposing that Paul used it in a different way. By thoroughly engaging with the New Perspective on Paul and the Radical New Perspective on Paul, Paul's conception of identity is pursued mainly along theological-exegetical lines, especially in terms of the contrast between flesh and S/spirit. While Rom 11:26, which points to all Israel that will be saved, and Gal 6:16, which points to the Israel of God who are blessed, are often utilized in a paradigmatic way to interpret the rest of Paul, the approach in this book is the other way around. These two texts are approached by first assessing Paul's conception of identity in the whole of the Pauline corpus and then by interpreting Rom 11:26 and Gal 6:16 with a larger understanding of identity in Paul at hand. Written as a dissertation for Stellenbosch University in South Africa, this is a magisterial study of Romans 11:26 (and Galatians 6:16), which surveys each of our interpretative options and offers a creative and convincing solution. Every advanced study of Paul's theology and his letter to Rome must make this monograph required reading. --Gary M. Burge, Calvin Theological Seminary Philip La Grange Du Toit's robustly exegetical study of a long-standing crux is a breath of fresh air in the midst of the pedestrian oversimplification emanating from all too many theological camps. Instead of trying to find what isn't there in the text, Du Toit starts with the exegesis of the text and then in clear and simple language explains who the Israel of God is based on the teaching of the apostle Paul. If you're looking for an informed discussion of a seemingly endless debate, then this book is for you. --David Alan Black, Southeastern Baptist Theological Seminary Scholars interested in Pauline rhetoric and theology, identity studies, as well as Judaism, Hellenism, and early Christianity, will find here a range of theological topics and semantically important terminologies to critically engage within their own research. --Gert J. Steyn, Theologische Hochschule Ewersbach, Germany This book challenges the mistaken idea that God's promises to OT Israel have to be fulfilled in a future restoration of physical Israel. The author shows that these promises have been fulfilled in Christ and have been made available to all nations, including Israel, from which he gathers in his church. As such, the book contributes to the debate in the Christian

world about the relationship between Israel and the church. --Steven Paas, author of *Christian Zionism Examined* Philip La G. Du Toit is Senior Lecturer in New Testament at North West University, South Africa. He is the author of various scholarly articles and conference papers of the New Testament.

Two Nations Under God Tom Doyle, 2008-08-01 Why should you care about Israel? With the war in Iraq, possible engagement in Iran, and an imminent presidential election, U.S. foreign policy in the Middle East and the issue of solidarity with Israel remain important. In *Two Nations Under God*, American missionary Tom Doyle presents even greater reasons why the U.S. should show concern for Israel. Part one, "Why Should America Care?" is a biblical and historical primer on Israel with fascinating insights into connections between American and Middle East culture. Part two, "Sorting Out the Middle East Maze," presents more facts about Islam and the spiritual roots behind the Middle East conflicts. Part three, "Maximizing the Moment," is a call to action and prayer for the American church regarding the future of Israel. Best of all, readers will learn throughout that, despite the headlines, there is plenty of good news coming from the Middle East. Doyle reports on the increasing number of Muslims converting to Christianity, profiles local disciples and church planters, and provides helpful timelines, comparison charts, photographs, and more to keep every detail concerning Israel in perspective. Endorsements: Chaos. Carnage. Confusion. For many, that's the modern Middle East. But Tom Doyle gets it. Better yet, he can really explain it. With a pastor's heart, he clearly and concisely describes why God loves the Jews of Israel and her Muslim neighbors, and why we should, too. What's more, Tom reveals how powerfully God is moving in the modern Middle East, and how we can join Him. *Two Nations under God* is a must read—fascinating, insightful, and deeply thought-provoking. Get one for yourself, and another for your pastor. Joel C. Rosenberg, New York Times best-selling author of *Epicenter: Why the Current Rumblings in the Middle East Will Change Your Future*
