Just as the world has a system that uses currency as a means of exchange, the Kingdom of God also has a certain currency that is used to obtain blessings in our good or otherwise difficult moments. In this book, we're using the natural things that parallel to everyday human experiences to explain the supernatural, in order to help you discover how to operate in the principles of God to unlock Kingdom increase in your life, how not to ever again forfeit your increase in the midst of trials or temptation, but how to walk obediently into the essence of what it means to be a Kingdom citizen.
