The Ropewalker Jaan Kross,2016-07-28 The first part in an epic historical trilogy - The Estonian answer to Wolf Hall - by the nation's greatest modern writer Jaan Kross's trilogy dramatises the life of the renowned Livonian Chronicler Balthasar Russow, whose greatest work described the effects of the Livonian War on the peasantry of what is now Estonia. Like Hilary Mantel's Thomas Cromwell, Russow is a diamond in the rough, a thoroughly modern man in an Early Modern world, rising from humble origins to greatness through wit and learning alone. As Livonia is used as a political football by the warring powers of Russia, Sweden, Poland and Lithuania, he continues to climb the greasy pole of power and influence. Even as a boy, Russow has the happy knack of being in the right place and saying the right thing at the right time. He is equally at home acting as friend and confidante to his ambitious patron and as champion for his humble rural relatives. Can anything halt his vertiginous rise? Like most young men he is prey to temptations of the flesh . . .

General Human Psychology Jaan Valsiner,2022-01-01 The book includes a new theoretical synthesis of William Stern's classic personology

published in the 1930s with contemporary cultural psychology of semiotic mediation developed by the author over the last two decades. It looks at the human mind as it operates in its full complexity, starting from the most complex general levels of aesthetic and political participation in society and ending with individual willful actions in everyday life contexts.

The Signature of God Jaan Ranne, 2021-09-20 Traces of beauty and structure permeate all corners of the living world. What would you see if you took the time to look more closely? In *The Signature of God*, Jaan Ranne guides us through the wonders of creation from a Biblical view. This tour of the natural world mirrors God's first six days of creation. Day by day, we are introduced to the marvellous variety, detail, and power of light, air, land, seas, plants, outer space, and animals of all kinds. *The Signature of God* invites an appreciation of the incredible diversity found in nature, and Ranne urges his readers to think critically about the science behind a creationist view. This investigation is a testament to God's infinite wisdom and power, but it is also a lighthearted and accessible learning resource for budding biologists. Covering everything from orchids to Noah's flood, *The Signature of God* unearths traces of the divine in every corner of the natural world.

The Same River Jaan Kaplinski, 2011-06-01 The first English translation of a major European literary figure and Nobel Prize nominee's most significant work of prose to date, this tense, cerebral, fascinating novel is the perfect introduction to Kaplinski. A semi-autobiographical Bildungsroman, set in the early 1960s, this novel narrates the efforts of Kaplinski's youthful alter ego to lose his innocence and attain sexual and mystical knowledge. The 20-year-old protagonist finds an unofficial teacher in a retired theologian and poet, who is out of favor with the communist authorities. After a summer spent in intellectual and erotic soul-searching, the sexual and political intrigues finally overlap, leading to a quasi-solution. As KGB and university apparatchiks take a close interest in the relation of the two poets, the student outgrows his mentor, who despite accusing the human race of puerility, turns out to be a big and jealous child himself. This novel is seen by many as one of the crowning achievements of a long (and still-flourishing) career in Estonia, but this is the first time this unique work will be widely available in English.

A People without a Past Jaan Kross, 2017-08-24 The second part in an epic historical trilogy - *The Estonian answer to Wolf Hall* - by the nation's greatest modern writer. The year is 1563, and by any account Balthasar Russow can be said to have risen in the world. Fresh from his studies in the German town of Stetten, he has assumed the role as pastor of Tallinn's Holy Ghost Church. Moreover, he is betrothed to a maiden of the town - much to the chagrin of her father, who has no wish to welcome peasant stock to the family when there is no shortage of upstanding young German men - and is poised to begin the chronicle that will ensure his everlasting fame. But tribulations still await the now not-quite-young Pastor - Livonia is still plagued by foreign powers, with Tallinn braced to withstand a prolonged Muscovite siege. And he will discover that marriage is often a battlefield in itself. Translated from the Estonian by Merike Beecher
