Treasure Series Boxed Set Jessa James,2021-01-11 Capture - 1: One day, I'm cooking dinner for my brothers and dreaming about going off to college. I'm a good girl, protected by the family. After all, my dad is a big mob boss in New Orleans. The next day, I'm stuffed into the back of an SUV against my will. Kidnapped. Shaking with fear. I try to run, try to escape... but I don't realize that I am just a pawn. I don't see the larger picture, or the shadowed man pulling the strings. I don't realize that he is going to capture me. Or that I will be lost from the first moment I look into his eyes... Control - 2: I wake up terrified, humiliated, and chained to a wall. The shackles around my wrists mean only one thing. He owns me now. With his dark glares and barked orders, he is dangerous. He is my tormentor, my captor, a threat to my very existence. Not to be toyed with. Even if my frightened mind whispers maybe... Even if I am very curious how such a man came to be. I am still his dark and twisted pet, to cherish or to scorn. And I am starting to love the darkness... Covet - 3: No one is coming to save me. I am his Fiore now, his flower. To do with as he wishes. And he wants everything. Monster wants my tears, my screams of pleasure, my shudders of fear. In return, he also brings me these moments of startling clarity. I know who I think I am. I know who he says I am. I feel I'm somewhere between, lost in an ocean of pain. When he trots out my brother with a wide smile, I'm forced to choose between them. It's a simple choice: the only family I have left, or the Monster I'm increasingly drawn to? Cherish - 4: Something has shifted and changed in me. I have left Katherine behind, and stepped fully into the blossom of Fiore. But while I am undergoing that transformation, Monster too senses a sea change within. He's violent and moody and... he seems to care about what happens to me. It is unthinkable, but maybe the fragile bond between us has grown into something more. Something dark and glittering and provocative. Profound and emotional. I know that this wasn't his plan. I know that he hates that I might have power over him. But I hope that the delicate thing between us grows. Even if I don't know where it might lead either of us.

A Billion Consequences Jessa York,2021-12-15 Eve You reap what you sow. And aren't we all learning that lesson right about now? The consequences of our actions--all of our actions--are suddenly popping up on our doorstep. Literally. No matter how surprising, and life-changing, we'll learn to live with what life's dealt us. □□□□ □But are there more revelations in store for me?

A Billion Vendettas Jessa York,2022-03-19 Eve What was supposed to be the happiest day of my life-- wasn't. To say the least. Now that my future is more uncertain than ever, Will I ever find my way back to true happiness?

A Billion Lies Jessa York,2021-12-14 Eve When my whole world blows up--again, it leaves me with no one to trust. Everything I thought I knew about the love of my life was a big, fat--lie. Knowing what I do now, there's no way I can forgive him for what he's done. When danger comes knocking at my door, what will I do?

Forsaking the King Jessa York,2022-12-06 Giselle Alone. That's all I'll ever be. It was stupid of me to think otherwise. The two people I love--and who I thought loved me back--discovered who I am. And what I do. Their anger isn't something I'll soon forget. But that part of my life is over, and it's time to move on. Alone. So, when my BFF and her hubby ask a huge favor of me--I actually consider saying--yes. And that could change everything.

Protect Jessa James, I wake up in the wreckage, ready to fight for Rue. Only she is gone, stolen away by my archenemy. I start to see red. No one touches my girl and expects to live. The deck is stacked against us. Emotions are running high. There is one thing that no one else realizes, though. Rue is mine, and I will get her back if it is the last f*cking thing I do.

A Billion Desires Jessa York,2021-10-10 Nick A man like me has certain tastes. And needs. I'll pay top dollar for whatever I'm craving. No price is too high if it means I get what I want. What I desire. Until one day when a certain blonde walks in and turns my life upside down. All I need is one month to get her out of my system forever. At least that's what I hope. Cherry Lying on my back for rich guys is not my idea of a dream job. Ever since my world imploded, I've had to do what I've had to do. I'm not proud of it. But I'm a survivor. I'll do whatever it takes. Until I lay eyes on my billionaire client, Nick. The things he does to me--and the way he makes me feel, blows my mind and shakes my reality. When he asks for one month of exclusivity--I can't say no. My head tells me I can keep it professional. My heart isn't so sure. After all, it's just another job. Right?

Fatal Intent Jessa Jacobs,2015-10-15 Alex Ward has been on a mission since she was five years old, though she hasn't always been aware of it. That was the year her mother left her and her father and disappeared. Now a twenty-year-old college student and already an experienced investigative journalist, Alex is about to make a discovery that rocks her basic beliefs about herself, sets her on a path that puts her at odds with her boyfriend Dylan Chaves, and makes her question the goals she may have sacrificed everything for. Once it was Dylan's secrets that endangered their love. Are Alex's secrets about to do the same? This book was previously published under the pen name Jamie Jeffries. It has been re-edited and has a new cover, but there are no substantial differences from the first edition other than the cover and author name changes.
