Love You Like a Romance Novel Megan Derr,2017 Jet gave up everything to make it to the top of rock. On track to take over his family's business and wealth, he defied everyone to start at the bottom and work his way up to become drummer of one of the world's most popular bands, Forever and a Dai. Jason is everything Jet chose not to be: an obedient son, a powerful and respected lawyer, wealthy, established, and set to inherit the family kingdom. Lift System Induced Aerodynamics of V/STOL Aircraft in a Moving Deck Environment James H. Kamman,Charles L. Hall,1978 The propulsive lift system induced aerodynamics of multi-jet VSTOL aircraft configurations were experimentally evaluated over a moving deck and at static hover conditions. Several model configurations representative of advanced subsonic and supersonic VSTOL aircraft were tested. Dynamic jet-induced force and moment data were obtained for heaving, pitching, and rolling motions of a simulated seaborne landing platform over a range of heights, amplitudes, and frequencies. Configuration effects were assessed at both static hover and deck motion conditions, including the effects of wing height, fuselage contouring, lift improvement devices, and nozzle arrangement. In addition, tests were performed to separate the effects of deck motion on the fountain impingement forces. Empirical procedures were defined to aid in predicting the dynamic jet- induced forces and moment variations with deck motion. Configuration design and model testing guidelines for VSTOL aircraft are described. Recommendations are also made for further research to provide additional information required to develop generalized prediction procedures.
