Kali dasa

Eastern Monachism Robert Spence Hardy,1850

Pon and Zi Jeff Thomas,2012-11-01 The complete collection of the Pon and Zi webcomic series, created by Jeff Thomas.

Warhol-isms Andy Warhol,2022-05-10 A unique collection of brilliant quotations from the legendary Pop artist One of the most influential artists of his time and ours, Andy Warhol is nearly as renowned for what he said as for what he did. Indeed, he is so quotable that things he never said are endlessly and plausibly attributed to him, including, fittingly, the most celebrated fake Warhol saying—“In the future, everyone will be world-famous for 15 minutes.” Warhol-isms separates legend from fact to present a unique and comprehensive collection of authentic quotations from the Pop artist. Gathered from interviews and other primary sources, these deadpan, droll, ironic, and sincere gems—in which a superficial embrace of superficiality often disguises provocative, unconventional ideas—provide compelling insights into the life and work of an artist who has left an indelible mark on art and popular culture. Select quotations from the book: I think an artist is anybody who does something well.I went to [a psychiatrist] once, and he never called me back.They always say that time changes things, but you actually have to change them yourself.I’ve never met a person I couldn’t call a beauty.New things are always better than old things.I’m still a commercial artist. I was always a commercial artist.

The Mahavagga (Annotated Edition) Thomas William Rhys Davids,2012 This is the extended and annotated edition including * an extensive annotation of more than 10.000 words about the history and basics of Buddhism, written by Thomas William Rhys Davids * an interactive table-of-contents * perfect formatting for electronic reading devices The Mahavagga includes accounts of the Buddha's and his great disciples' awakenings, as well as rules for uposatha days and monastic ordination.

Malavika and Agnimitra Kali dasa,2009-10-31 Its frivolous subject may have been the reason why Malavika and Agni mitra is sometimes considered to be the least significant of the three dramas of Kali dasa, the poet laureate of Indian antiquity who probably lived in the fifth century CE. Yet the play’s lively and playful plot more than makes up for its lack of deities, heroic prowess and pathos. The machinations of King Agni mitra’s jester to help him add a dancing girl to his harem in spite of the subtle intrigues of the two jealous queens carry the gallant hero through hope and despair to the happy ending.
