*The Charm of Charms* Jade Albert, Ki Hackney, 2005-05-01 From antique shops to such upscale stores as Tiffany and Cartier, from flea markets to the chic design houses of Dolce & Gabbana and Chanel, charms are making a grand reappearance on the fashion scene. Drawn to these tiny treasures for their ability to express elements of the wearer's personality, today's charm lovers are using them to adorn everything from bracelets and necklaces to dog collars and diaper pins. In *The Charm of Charms*, photographer Jade Albert and writer Ki Hackney tell the fascinating story of this ever-popular jewelry item. The stunning color photographs provide an up-close and personal view of hundreds of cherished charmed jewels, including pieces belonging to Claudette Colbert, Joan Crawford, the Duchess of Windsor, Mariah Carey, and Mary J. Blige among other celebrities. The intriguing stories behind these beloved trinkets are told in the lively, informative text, which also covers the history of charms and amulets from prehistory to the present. Combining up-to-

the-minute trendiness with nostalgic glamour, this gorgeous volume will appeal to fashion and jewelry enthusiasts both young and old.

**The Power of Gems and Charms** George H. Bratley, 2015-06-05 Excerpt from The Power of Gems and Charms Every one who has the least romance in his soul is interested in charms, though few of the present age have ever troubled themselves to inquire into their origin and history. To openly declare one's belief in such things, whether it be in any ordinary charm, in a gem or jewel, is to lay oneself open to ridicule, if nothing worse. Why is this? The answer must be because of the inability to distinguish between superstition and romance. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

*The Butterfly in Amber: The Chain of Charms* 6 Kate Forsyth, 2008-07-01 Once there was a gypsy queen who wore on her wrist a chain of six lucky charms. The queen gave each her six children one of the charms as their lucky talisman, but ever since the chain of

charms was broken, the gypsies had been dogged with misfortune. Life for the Finch tribe has gone even more horribly wrong. They have been accused of vagrancy and murder, and thrown into gaol with only three weeks to live. The only members of the family to escape are 13-year-old Emilia and her cousin Luka. They have been entrusted to find the six charms and bring them together again. Then, perhaps, the gypsies could once again have some luck... and the Finch tribe could walk free. What Emilia and Luka do not realise is that there is a price to be paid for each lucky charm, and that the cost may prove too high...

28th August-3rd September, 1658: Luka and Emilia travel to London to find the last of the Graylings tribe, who has married a Puritan lawyer and turned her back on her past. As well as all the perils of the capital city, the children must escape the vengeful Coldham, and still get to Kingston-Upon-Thames in time to rescue their families. But then, on the anniversary of his greatest victory, the Lord Protector Oliver Cromwell is mysteriously stricken down... Will everything change? And can the children save their family in time? The thrilling conclusion to the Chain of Charms series.

**Abhidharmakosa-Bhasya of Vasubandhu** Gelong Lodro Sangpo, Bhikkhu K.L. Dhammajoti, 2012-01-01 Vasubandhu's Abhidharmakosa-Bhasya (ca. 380-390), besides its culminating achievement in streamlining the overall structure of the exposition of the preceding Abhidharma manuals, is unmatched by any of the preceding manuals in respect of its comprehensiveness-incorporating all important Vaibhasika doctrines since the time of the Abhidharma-mahavibhasa-of its excellent skill in definition and elucidation, and of its ability to clarify the difficult point involved in doctrinal disputations. Added to these qualities is its great value as a brilliant critique and insightful revaluation of all the

fundamental Sar-vastivada doctrines developed up to its time. Since its appearance, it has been used as a standard textbook for the understanding of not only the Abhidharma doctrines but all the fundamental Buddhist doctrines in general. Translated into Chinese by Paramartha in 563 A.D. and by Hsuan-tsang in 651-654 A.D., Hsuan-tsang's disciple P'u-kuang tells us that in India the Abhidharmakosa-Bhasya was hailed as the 'Book of Intelligence'. In China, Japan and the Far-east, too, the Kosa has generally been highly treasured as a textbook of fundamental importance for Buddhist studies. Vasubandhu's brilliant critique of the doctrines of the Vaibhasika was answered by the equally brilliant Samghabhadra - a contemporary staunch defender and expounder of the doctrines of the Vaibhasikas - in his masterwork, the Abhidharmanyayanusara, now extant only in Hsuan-tsang's translation (653-654 A.D.). The Sanskrit text, considered for a long time to be irremediably lost, was discovered by Rahula Samkrtyayana in 1935 in the Tibetan monastery of Ngor and was published by P. Pradhan in 1967 (1st edition).

**Catalog of Copyright Entries, Third Series** Library of Congress.
