Boots of Leather, Slippers of Gold Elizabeth Lapovsky Kennedy, Madeline D.

Davis,2014-05-09 *Boots of Leather, Slippers of Gold* traces the evolution of the lesbian community in Buffalo, New York from the mid-1930s up to the early 1960s. Drawing upon the oral histories of 45 women, it is the first comprehensive history of a working-class lesbian community. These poignant and complex stories show how black and white working-class lesbians, although living under oppressive circumstances, nevertheless became powerful agents of historical change. Kennedy and Davis provide a unique insider's perspective on butch-fem culture and argue that the roots of gay and lesbian liberation are found specifically in the determined resistance of working-class lesbians. This 20th anniversary edition republishes the book for a new generation of readers. It includes a new preface in which the authors reflect on where the last 20 years have taken them. For anyone interested in lesbian life during the 1940s and 1950s, or in the dynamics of butch-fem culture, this study remains the one that set the highest standard for all oral histories and ethnographies of lesbian communities anywhere.

Northern Knits Gifts Lucinda Guy,2012-12-11 In *Northern Knits Gifts*, knitwear and textile designer Lucinda Guy continues her exploration of folk-knitting traditions in this colorful volume of small projects and accessories. You'll learn some of the traditional knitting techniques of Scandinavia, Estonia, Iceland, and the Faroe and Shetland islands, through modern interpretations of such heritage techniques as twined knitting, two-color knitting, lace techniques, damask, fair isle, embroidery, and rya (knotted knitting similar to shag carpet). Accompanied by notes on the history and folk culture surrounding each technique, the projects in the book embrace the Danish notion of hygge--taking pleasure in comforting and cozy things, which is often associated with family and close friends. The 20 projects include mittens, socks, hats, scarves, and bags, and are perfect for wearing and gifting. Emphasizing pattern and color, these knitted designs also embody the Scandinavian aesthetic of making utilitarian objects beautiful as well as useful. Additionally, the book celebrates the specific wools traditionally used in each project. Immerse yourself in Lucinda's world as you enjoy thumbnail sketches of the history and folk culture surrounding each technique.
