As a grim picture of what really happened begins to emerge, Nathan realizes this investigation runs deeper than they could ever have guessed. And each step nearer to the truth puts Alex in danger of being the next to disappear.

Tangled Up In You (A small town grumpy sunshine romance!)

Barbara Freethy, 2022-03-15 Barbara Freethy is one of my favorite authors! She creates amazing characters and stories, with a lot of love, friendship and mystery that make her books always very, very good. Cinthia - Goodreads Molly Trent is a passionate herbalist whose sorrow-filled childhood has driven her to a new mission in life—to make people feel better. Unfortunately, a series of burglaries at her wellness shop and a disgruntled customer put her in the path of a cynical and suspicious detective, who thinks she does more harm than good. She's used to criticism, but she sees something in the tightly-controlled police detective that she wants to unleash, if only she could get him to trust her. Trust doesn't come easily to Detective Adam Cole. He has been a loner for as long as he can remember. He's very good at protecting people. He's great at being a friend, but relationships that go beyond that—not so much. After a heartbreaking tragedy at nineteen, he put up walls that are never coming down. Despite what Molly Trent might think, he does not need help or herbs to be happy. Unfortunately, what he needs is her. The chemistry between them almost makes him wonder if she hasn't cast some sort of spell over him. But he fights their attraction hard, because he doesn't do forever, and he can't imagine that an optimistic romantic like Molly would settle for anything less. But when they

Vanishing Hour Laura Griffin, 2022-10-25 When a cold case in Texas leads to a sinister string of disappearances, a newcomer to the small town helps a detective piece together the clues in this new romantic thriller from New York Times bestselling author Laura Griffin. Corporate lawyer Ava Burch has had enough of the big city and the daily grind. She grew up with her father, who raised search-and-rescue dogs, in rural Texas and has moved to the small town of Cuervo to spend time in the dry, rugged wilderness near Big Bend National Park. When she and her dog, Huck, discover an abandoned campsite on a volunteer search-and-rescue mission, she's perplexed, but she carefully photographs it all the same. All Grant Wycoff can see when he looks at Ava is a city slicker—with her designer jeans and shiny car—who has no business on a serious team made of seasoned outdoorsmen and retired cops. But when she tells him of her findings on the trail, he sees there's more to her than meets the eye. Ava's discovery reminds Grant of the unsolved case of a young woman who went

missing two years ago. As they look into the campsite further, another woman disappears under odd circumstances. With time running out, Ava and Grant must work against the brutal heat from both the Texas sun and their own electric chemistry to solve the case.
