

John John And John

Nat Segaloff

Drummer Boy of John John Mark Greenwood,2012

Carnival is coming, and the villagers of John John, Trinidad, are getting ready to jump up and celebrate with music, dancing, and a parade. Best of all, the Roti King has promised free rotis tasty fried pancakes filled with chicken, herbs, and spices for the best band in the parade. Young Winston dreams of feasting on those delicious rotis. But there's a problem: he's not in a band! Pondering his predicament as he wanders through the village junkyard, Winston makes a curious musical discovery that may be just the ticket to realizing his dream. With ingenuity and the help of his friends, Winston takes on the Carnival bands, drumming his way to victory and to the Roti King's prized treat. Musical text and sun-drenched paintings joyously transport readers to the Caribbean in this exuberant story inspired by the early life of Winston Spree Simon, a pioneer in the development of the steel drum

The Book of John John T. Long,2019-05-03 Through his personal experiences John shows how he ultimately reached that place of peace and understanding that the world can neither give nor

take away. Rather than meditating in a cave for twenty years, John has taken life head on in outrageous and sometimes unbelievable experiences that led to his awakening. This book reads like Hunter S. Thompson, Wayne Dyer and Jesus debating the meaning of life while bungee jumping blindfolded out of an Apache helicopter backwards and eating sushi together. The reader will be shocked, crying and then laughing uncontrollably over his strange and wonderful life full of hardship, supernatural experiences and spiritual epiphanies. The story moves along at a good pace, and just when the reader thinks that he/she knows what is going to happen next, something out of the blue occurs. Lots of suspense and surprise and wonder. John tells the story in the present tense. That gives it a sense of immediacy. The humorous touches throughout are great! They balance out the sad stories in a yin-yang kind of way. John's voice in the prose is clear and persuasive. The reader can hear him saying these words sitting as if right next to them. Too many writers try to generate an "authorial" voice and end up sounding contrived. This book, on the other hand, clearly comes from the heart. It peels back layers of mystery yet never goes so far afield that the reader cannot follow. It is a journey the reader will love taking! This book will kick off the reader's year in the right direction, leaving them feeling uplifted, lighter, and exploding into a million pieces of joy!

The Priority of John John A. T.

Robinson, 2011-03-01 It has been the fate of many books on John to be left unfinished, for its interpretation naturally forms the crowning of a lifetime. I have myself been intending to write a book on the Fourth Gospel since the 'fifties, before I broke off (reluctantly) to be Bishop of Woolwich, though I am grateful now that I did not produce it prematurely at that time. It means however that I shall be compelled to refer to and often recapitulate material directly or indirectly related to the Johannine literature, which I have written over the years (some of it indeed while I was bishop). Many scholars in fact, if not most now, think that the author of the Gospel himself never lived to finish it and have seen the work as the product of numerous hands and redactors. As will become clear, I prefer to believe that the ancient testimony of the church is correct that John wrote it 'while still in the body' and that its roughnesses, self-corrections and failures of connection, real or imagined, are the result of its not having been smoothly or finally edited. If so I am in good company. At any rate who could wish for a better last testimony from his friends than that 'his witness is true' (John 21.24)? In other words, he got it right--historically and

theologically. --from the Introduction At the time of his death in December 1983, John Robinson had completed the text of the book on which his 1984 Bampton lectures were to be based, so that it is possible to see the full details of his extremely controversial argument that the Gospel of John was the first Gospel to be written. Dr. Robinson himself once described the dawning of his conviction that this was the case as a 'Damascus Road experience', and his presentation of the evidence is made with all the customary vigor with which he would argue for something in which he deeply believed. The objections which need to be overcome to stand on its head what has long been one of the fundamental assumptions of New Testament scholarship are substantial, but here once again Dr. Robinson shows that so much of what is taken as established fact in that area is no more than preference and presumption. Certainly he will provoke rethinking on a whole series of topics, from the chronology of Jesus' ministry to the nature of his teaching. As The Listener said of the equally controversial Redating the New Testament: The greatest pleasure Dr. Robinson gives is purely intellectual. His book is a prodigious virtuoso exercise in inductive reasoning and an object lesson in the nature of historical argument and historical knowledge. This sequel equals, if not excels, its predecessor in those respects and is a fitting tribute to a brilliant New Testament scholar. The manuscript was prepared for publication by Dr. Chip Coakley, Dr Robinson's pupil, now Lecturer in Religious Studies in the University of Lancaster.

The Skin I'm in Sharon Flake, 2011-07-06 Maleeka suffers every day from the taunts of the other kids in her class. If they're not getting at her about her homemade clothes or her good grades, it's about her dark, black skin. When a new teacher, whose face is blotched with a startling white patch, starts at their school, Maleeka can see there is bound to be trouble for her too. But the new teacher's attitude surprises Maleeka. Miss Saunders loves the skin she's in. Can Maleeka learn to do the same?

Revelation , 1999-01-01 The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the Beast will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

The Gospel of John Paul L. Metzger, 2010-10-18 The Resonate series recovers the ancient wisdom of Scripture and helps us understand how it resonates with our complex world. The stories and insights of each book of the Bible are brought into conversation with contemporary voices of hope and lament--the cultural messages we interact with on a daily basis. The Scriptures become a meeting ground where God speaks to the pressing concerns of our day, and we are confronted in turn with a

fresh experience of God's truth. In this journey through the Gospel of John, Paul Louis Metzger wrestles with the question of what happens when God, who is love, comes to town and takes up residence among us. For some this new neighbor love is welcome; for others, unusual; for still others, suspect--even dangerous. We learn from John's Gospel what it means to be called friends and lovers of God, what it means to put love to death and what it means for love to rise again in our midst and in our lives.

Add One Cossack and Stir-- : the Life Story of John John Dyck John John Dyck, Sylvia Murray Dyck, 1999

Prester John John Buchan, 2023-08-11 The town of Kirkcapple, of which and its adjacent parish of Portincross my father was the minister, lies on a hillside above the little bay of Caple, and looks squarely out on the North Sea. Round the horns of land which enclose the bay the coast shows on either side a battlement of stark red cliffs through which a burn or two makes a pass to the water's edge. The bay itself is ringed with fine clean sands, where we lads of the burgh school loved to bathe in the warm weather. But on long holidays the sport was to go farther afield among the cliffs; for there there were many deep caves and pools, where podleys might be caught with the line, and hid treasures sought for at the expense of the skin of the knees and the buttons of the trousers. Many a long Saturday I have passed in a crinkle of the cliffs, having lit a fire of driftwood, and made believe that I was a smuggler or a Jacobite new landed from France. There was a

band of us in Kirkcapple, lads of my own age, including Archie Leslie, the son of my father's session-clerk, and Tam Dyke, the provost's nephew. We were sealed to silence by the blood oath, and we bore each the name of some historic pirate or sailorman. I was Paul Jones, Tam was Captain Kidd, and Archie, need I say it, was Morgan himself. Our tryst was a cave where a little water called the Dyve Burn had cut its way through the cliffs to the sea. There we forgathered in the summer evenings and of a Saturday afternoon in winter, and told mighty tales of our prowess and flattered our silly hearts. But the sober truth is that our deeds were of the humblest, and a dozen of fish or a handful of apples was all our booty, and our greatest exploit a fight with the roughs at the Dyve tan-work...FROM THE BOOKS.

John Cynthia Lennon, 2012-02-16 Cynthia and John Lennon's relationship spanned ten crucial years of the Beatles phenomenon. But as well as new insight into the Beatles years, Cynthia has a compelling personal story of marriage, motherhood and the man who was to become the most idolised and admired of all the Beatles. Cynthia is candid about the cruel and the loving sides of John. She tells of the end of their marriage and the beginning of his relationship with Yoko Ono in more detail than ever before, and reveals the many difficulties estrangement from John - and then his death - brought for herself and Julian. Cynthia is a remarkable survivor and this is her extraordinary story and unique insight into a man loved and idolised all over the world.

Big Bad John: The John Milius Interviews Nat Segaloff, "John comes on a bit strong at first; he plays the Hemingway bit. I think he's very clever. I think he's very talented and kind of refreshing." - Sean Connery "Francis [Coppola] couldn't tell a story like John. George [Lucas] is a great storyteller; he couldn't tell a story like John. None of us." - Steven Spielberg "I think he likes the grandiose. He liked something that . . . borders on the line and pushing people to the edge where you go from reality to ridiculous, and sometimes the ridiculous is more fun." - Clint Eastwood "John is such an interesting person and such a great storyteller just in life. Everything memorable of Apocalypse Now was invented by John Milius." - Francis Ford Coppola For over half a century John Milius has either written, directed, or written and directed some of the movies' most memorable moments: "I know what you're thinking" from Dirty Harry; the Indianapolis speech from Jaws; "I love the smell of napalm in the morning" from Apocalypse Now; and more. His films as director include Big Wednesday, Conan the Barbarian, Red Dawn, The Wind and the Lion, Flight of the Intruder, and Rough Riders. Drawn from nearly fifty years of personal encounters and interviews, and exploring his life and craft in a riveting Q&A format, Big Bad John is the first full-length book about this iconoclastic, battle-scarred, remarkable filmmaker. The memorable original cover is by

award-winning artist Thomas Warming. Nat Segaloff has written books and/or produced documentaries on William Friedkin, Stan Lee, Larry King, Arthur Penn, Paul Mazursky, John Belushi, Stirling Silliphant, Harlan Ellison, Shari Lewis & Lamb Chop, and other figures. He lives in Los Angeles waiting for his phone calls to be returned. An absolutely fascinating and impressively informative read from cover to cover, 'Big Bad John: The John Milius Interviews' is certain to be an immediately welcome and enduringly popular addition to personal, professional, community, college, and university library Cinematic History collections in general, and John Milius supplemental curriculum studies lists in particular. - Midwest Book Review

On My Worst Day John Lynch, 2020-11-28 John has been one of those used of God to bring me into these lifegiving truths of grace and our identity in Jesus. He is my friend. You will feel he is yours as you read these real-life stories of redemption. Bart Millard of MercyMe Not a moment of your life has been left to chance. Not a moment have you been uncared for. Many of us stumbled into Jesus and discovered the one we'd been searching for our entire lives-whether we knew it or not. Now that we've found Him though, it's hard not to wonder where He was before... Where was He on our worst days? Were we as overwhelmingly alone as we felt? What if every single moment of every single day-He had been magnificently redeeming your worst days into your best ones? What if redemption wasn't a tenet of cold theology, but instead, a relationship of love that was formed

most deeply, not when you were on your game, but when you couldn't seem to make sense of almost anything? The hope-infused pages of *On My Worst Day* reveal the redemption you've longed for. Discover firsthand how the narrative of your life changes as you dare to believe that your worst days do not define you. With each impactful story, you will be awakened to the undeniable power of the cross that sets you free. Whether for the first time or the first time in a long time, you will encounter the voice of God, who has adored you from the beginning and you will hear His words to you: You are enough, My child. Surpassingly enough. Praise for *On My Worst Day*: Everyone I know wants to hang out with John Lynch. He's just that type of guy. You're drawn to him, almost without explanation. Maybe it's because he's so uniquely gifted, but more likely it's because he makes you feel important. John Lynch is raw. John Lynch is real. And most importantly, John Lynch knows Jesus. This book is your chance to hang out with John, share some incredibly honest moments with him, and discover the rejuvenating power of God's grace. Dr. Andrew Farley, host of Andrew Farley LIVE on Sirius XM, bestselling author of *The Naked Gospel* and *Twisted Scripture* John Lynch is a trusted storyteller who brilliantly engages the human journey, both his and ours, with kind humor, authentic insight, and deep compassion. Paul Young, author of *The Shack*, *Cross Roads*, *Eve*, and *Lies We Believe About God* I urge you to listen to your heart and accept John's invitation in his book to experience, as he is, God's amazing grace. Bill Thrall, co-founder of Trueface, co-author of
