Murakami T Haruki Murakami,2021-11-23 The international literary icon opens his eclectic closet: Here are photographs of Murakami's extensive and personal T-shirt collection, accompanied by essays that reveal a side of the writer rarely seen by the public. Many of Haruki Murakami's fans know about his massive vinyl record collection (10,000 albums!) and his obsession with running, but few have heard about a more intimate passion: his T-shirt collecting. In *Murakami T*, the famously reclusive novelist shows us his T-shirts—from concert shirts to never-worn whiskey-themed Ts, and from beloved bookstore swag to the shirt that inspired the iconic short story *Tony Takitani*. These photographs are paired with short, frank essays that include Murakami's musings on the joy of drinking Guinness in local pubs across Ireland, the pleasure of eating a burger upon arrival in the United States, and Hawaiian surf culture in the 1980s. Together, these photographs and reflections reveal much about Murakami's multifaceted and wonderfully eccentric persona.

Polari - The Lost Language of Gay Men Paul Baker,2003-09-02 Polari is a secret form of language mainly used by homosexual men in London and other cities during the twentieth century. Derived in part from the slang lexicons of numerous stigmatised and itinerant groups, Polari was also a means of socialising, acting out camp performances and reconstructing a shared gay identity and worldview among its speakers. This book examines the ways in which Polari was used in order to construct 'gay identities', linking its evolution to the changing status of gay men and lesbians in the UK over the past fifty years.

"As powerful as *The Wind-Up Bird Chronicle*.... Reading Murakami ... is a striking experience in consciousness expansion." —The Chicago Tribune

How to Be Parisian Wherever You Are Anne Berest, Audrey Diwan, Caroline De Maigret, Sophie Mas, 2014-09-02 From four stunning and accomplished French women—a charming bestseller about how to slip into your inner cool and be a Parisienne. In short, frisky sections, these Parisian women give you their very original views on style, beauty, culture, attitude and men. The authors—Anne Berest, Audrey Diwan, Caroline de Maigret, and Sophie Mas—unmarried but attached, with children—have been friends for years. Talented bohemian iconoclasts with careers in the worlds of music, film, fashion and publishing, they are untypically frank and outspoken as they debunk the myths about what it means to be a French woman today. Letting you in on their secrets and flaws, they also make fun of their complicated, often contradictory feelings and behavior. They admit to being snobs, a bit self-centered, unpredictable but not unreliable. Bossy and opinionated, they are also tender and romantic. You will be taken on a first date, to a party, to some favorite haunts in Paris, to the countryside, and to one of their dinners at home with recipes even you could do -- but to be out with them is to be in for some mischief and surprises. They will tell you how to be mysterious and sensual, look natural, make your boyfriend jealous, and how they feel about children, weddings and going to the gym. And they will share their address book in Paris for where to go: At the End of the Night, for A Birthday, for a Smart Date, A Hangover, for Vintage Finds and much more.

Homer and the Poetics of Hades George Alexander Gazis, 2018 This book examines Homer's use of Hades as a poetic resource. By portraying Hades as a realm where vision is not possible, Homer creates a unique poetic environment where social constraints and divine prohibitions are not applicable. The resulting narrative emulates that of the Muses but is markedly distinct from it, as in Hades experimentation with and alteration of epic forms and values can be pursued, giving rise to a 'poetics of Hades'. In the *Iliad*, Homer shows how this alternative poetics works through the visit of Patroclus' shade in Achilles' dream. The recollection offered by the shade reveals an approach to its past in which regret, self-pity, and a lingering memory of intimate and emotional moments displace an objective tone and a traditional exposition of heroic values. The potential of Hades for providing alternative means of commemorating the past is more fully explored in the 'Nekyia' of *Odyssey* 11; there, Odysseus' extraordinary ability to see (idein) the dead in Hades allows him to meet and interview the shades of heroines and heroes of the epic past. The absolute confinement of Hades allows the shades to recount their stories from their own viewpoint. The poetic implications of this are important since by visiting Hades and hearing the shades' stories, Odysseus and Homer--gains access to a tradition in which epic values associated with gender roles and even divine law are suspended in favour of a more immediate and personally inflected approach to the epic past. -- Prové de l'editorial.

Rohan at the Louvre Hirohiko Araki, 2012 Rohan, a young mangaka (Japanese manga artist), meets a beautiful mysterious young woman with a dramatic story. Seeing him draw, she tells him of a cursed 200-year-old painting that used the blackest ink ever known, from a 1000-year-old tree that the painter had brought down. The painting was saved by the curator of the Louvre - Rohan forgets this story until, 10 years later, he tries to locate it on a visit to Paris. Little does he know how violent the curse really is. Fans of manga will appreciate the innovative storyline and the energetic, psychedelic visuals within.

Anrealage Kunihiro Morinaga, 2021-09-21 Recognized as one of the most innovative designers in contemporary fashion, Tokyo-based *Anrealage* is the brainchild of Kunihiro Morinaga. Born in 1980, Morinaga launched the brand in 2003, began showing in Tokyo in 2006 and Paris in 2014, and would later be the recipient of the Mainichi Grand Prize for design—Japan’s top fashion prize previously conferred to Issey Miyake, Rei Kawakubo and Yohji Yamamoto. Cerebral and tech-savvy, the *Anrealage* approach to design is forever putting high-concept theory into practice. Known principally for introducing photochromatic textiles into dresses that react and change colors in response to varying degrees of light, he has also received acclaim for juxtaposing contrasting textures with deconstructed elements to create unique silhouettes. A master of provocation, Morinaga has always been preoccupied by integrating humanity with rapidly evolving technologies and is actually wary of modern society’s excesses. Bemoaning the smartphone’s impact on real world, person-to-person interaction, one of his most recent shows featured fabrics that repelled cellular signals. *Anrealage* has rightly won itself a devoted fashion following not only in Japan, but overseas as well, with recent insurgent collaborations with brands such as Fendi, augmenting its growing influence with a firm grasp on how the street informs high fashion. *Anrealage: A&Z* is conceived as a celebration, approximating with printing effects (including augmented reality) some of the mystery and detailing associated with brand. The visual narrative itself provides an instructive look at the process of design from Morinaga’s own point of view—illustrating that he is at once comfortable with developing technologies and respectful of traditional approaches

Shot in Soho Karen McQuaid (Photographer), Julian Rodriguez, 2019 A visual exploration of London's most intriguing square mile captures Soho's essence--from seedy to sublime, and everything in between. During a time of development and change that has the potential to transform the unique character of London's Soho, this book delves into the area's storied past as a place of disobedience and eccentricity. Opening with a look at Soho through the years, this book includes archival images of Suffragettes learning Jiu-jitsu in a Soho gym, David Bowie preparing to record at Trident Studios, and Francis Bacon drinking at the French House. The book then presents the work of photographers who have shed light on Soho's many faces through the decades, including Kelvin Brodie, Clancy Gebler Davies, Corinne Day, William Klein, and Anders Petersen. Also featured is a new series of work by young, up-and-coming photographer Daragh Soden, whose images were specially commissioned by The Photographers' Gallery for this project. These streetscapes and portraits are by turns intimate and haunting, visceral and vibrant, nostalgic and provocative. Throughout the volume, texts narrate a social history marked by subculture and controversy. This book captures Soho as a refuge for marginalized, pioneering, and unconventional people.
