Amber Scorah

Leaving the Witness Amber Scolah, 2020-06-02 A fascinating glimpse into the consciousness of being an outsider in every possible way, and what it takes to find your path into the life you'd like to lead.--Nylon A riveting memoir of losing faith and finding freedom while a covert missionary in one of the world's most restrictive countries. A third-generation Jehovah's Witness, Amber Scolah had devoted her life to sounding God's warning of impending Armageddon. She volunteered to take the message to China, where the preaching she did was illegal and could result in her expulsion or worse. Here, she had some distance from her community for the first time. Immersion in a foreign language and culture--and a whole new way of thinking--turned her world upside down, and eventually led her to lose all that she had been sure was true. As a proselytizer in Shanghai, using fake names and secret codes to evade the authorities' notice, Scolah discreetly looked for targets in public parks and stores. To support herself, she found work at a Chinese language learning podcast, hiding her real purpose from her coworkers. Now with a creative outlet, getting to know worldly people for the first time, she began to understand that there were other ways of seeing the world and living a fulfilling life. When one of these relationships became an escape hatch, Scolah's loss of faith culminated in her own personal apocalypse, the only kind of ending possible for a Jehovah's Witness. Shunned by family and friends as an apostate, Scolah was alone in Shanghai and thrown into a world she had only known from the periphery--with no education or support system. A coming of age story of a woman already in her thirties, this unforgettable memoir examines what it's like to start one's life over again with an entirely new identity. It follows Scolah to New York City, where a personal tragedy forces her to look for new ways to find meaning in the absence of religion. With compelling, spare prose, *Leaving the Witness* traces the bittersweet process of starting over, when everything one's life was built around is gone.

The Reluctant Apostate Lloyd Evans, 2017-01-20 Jehovah's Witnesses, well known for their enthusiastic evangelism, are a global religious movement boasting over 8 million members. Despite being a familiar sight on doorsteps and street corners, little is known about their doctrines and practices. What are their expectations regarding Armageddon, and who do they believe will survive? How do they justify their ban on blood transfusions? What happens to members who decide to leave? In this remarkably candid part-memoir, part-history guide, former Witness Lloyd Evans comprehensively explores the religion of his upbringing, charting the organization's metamorphosis from unassuming 19th Century brethren to global brand in the modern age. The Witness rules on sex are dissected, as are their far-reaching ramifications on the private lives of millions of devotees. Evans also delves into the controversies surrounding child abuse and the prohibition on blood transfusions with the aid of first hand accounts from those who have been personally impacted. Intertwined with the historical narrative and commentary is the story of the author's journey from devout Witness youth to outspoken ex-Witness activist and atheist. Evans lays bare the circumstances leading to his awakening with startling honesty and reveals how the heartbreaking loss of his mother played a profound role in keeping long-held doubts suppressed. In the final chapters, the author discusses the various means by which Witnesses are controlled by their leadership. Evans analyzes the role of shunning (disfellowshipping) and the stigmatization of apostates in enforcing loyalty among Witnesses, and reflects on the indifference of society in general to human rights violations by high-control groups. The phenomenon of fundamentalist brainwashing, or undue influence, is also scrutinized, and those in search of a new life free from its pervasive effects are given reasons for hope. Rather than being a sensationalist rant by an embittered ex-member, *The Reluctant Apostate* offers a relaxed, good-humored tour of Witness history and teachings supported by extensive references (to be found in the Notes section). Though written predominantly with the non-Witness reader in mind, special boxes are also provided for Jehovah's Witness readers. Reviews Both memoir and reference book, Lloyd Evans' work is an extensive compilation of Jehovah's Witness history and theology. In his honest and exhaustively researched expose, Evans has written what is sure to be the most important book on the religion in this century. *The Reluctant Apostate*

is a must-read for Jehovah's Witnesses and anyone else who has been touched by the faith. -Scott Terry, author of *Cowboys, Armageddon and the Truth* Insight only an 'insider' can bring to a subject difficult to understand for those who have never been part of this world, and unthinkable to contemplate for those inside its bubble. Lloyd does a magnificent job of speaking to both audiences and everyone in between. Compassion for the plight of those still held captive bleeds through every page. -Mike Rinder, former senior executive of the Church of Scientology, as featured on the A&E series *Leah Remini: Scientology and the Aftermath* A compelling and informative window on the world of the Jehovah's Witnesses that will be a vital and life changing resource for former members and many others too in forming an authentic understanding of this group, its beliefs, methods and effects on individuals and families. -Professor Rod Dubrow-Marshall, Ph.D. Co-Editor *International Journal of Cultic Studies* and co-founder RETIRN UK Dr. Linda Dubrow-Marshall, Ph.D. Co-founder RETIRN UK

How to Escape from Jehovah's Witnesses Lloyd Evans, 2018-04-25 Jehovah's Witnesses number into the millions globally and are well known for their public evangelism about God's kingdom. But beneath the facade of brotherly love and organizational unity lies a captive organization in which doubts are stifled and dissent is ruthlessly crushed. Once a Witness stops believing, they face being ostracized as a loathed mentally diseased apostate. They must navigate a labyrinth of obstacles and dilemmas due to the organization's cruel policy of shunning former members. Lloyd Evans is a well known ex-Witness writer and activist, and in his second book he draws on his firsthand, insider knowledge as a former elder to guide would-be escapees through the minefield that awaits them. How should elders be dealt with? What resources are available for objective research? What should someone do if they are threatened with judicial action? What about coming clean to family members? How does someone go about rebuilding their social circle? What precautions should be taken to maintain privacy when browsing apostate material online? All these questions and more are answered in *How to Escape From Jehovah's Witnesses*, described by Paul Grundy of JWfacts.com as an invaluable tool in helping [former Witnesses] move on as efficiently and painlessly as possible.

What Does the Bible Really Teach? ,2005 Biblical theology and doctrines of Jehovah's Witnesses.

The Bloomsbury Handbook of Radio Kathryn McDonald, Hugh Chignell, 2023-01-26 The Bloomsbury Handbook of Radio presents exciting new research on radio and audio, including broadcasting and podcasting. Since the birth of radio studies as a distinct subject in the 1990s, it has matured into a second wave of inquiry and scholarship. As broadcast radio has partly given way to podcasting and as community initiatives have pioneered more diverse and innovative approaches so scholars have embarked on new areas of inquiry. Divided into seven sections, the Handbook covers: - Communities - Entertainment - Democracy - Emotions - Listening - Studying Radio - Futures The Bloomsbury Handbook of Radio is designed to offer academics, researchers and practitioners an international, comprehensive collection of original essays written by a combination of well-established experts, new scholars and industry practitioners. Each section begins with an introduction by Hugh Chignell and Kathryn McDonald, putting into context each contribution, mapping the discipline and capturing new directions of radio research, while providing an invaluable resource for radio studies.

The Routledge Companion to Radio and Podcast Studies Mia Lindgren, Jason Loviglio, 2022-06-15 This comprehensive companion is a much-needed reference source for the expanding field of radio, audio, and podcast study, taking readers through a diverse range of essays examining the core questions and key debates surrounding radio practices, technologies, industries, policies, resources, histories, and relationships with audiences. Drawing together original essays from well-established and emerging scholars to conceptualize this multidisciplinary field, this book's global perspective acknowledges radio's enduring affinity with the local, historical relationship to the national, and its unpredictably transnational reach. In its capacious understanding of what constitutes radio, this collection also recognizes the latent time-and-space shifting possibilities of radio

broadcasting, and of the myriad ways for audio to come to us 'live.' Chapters on terrestrial radio mingle with studies of podcasts and streaming audio, emphasizing continuities and innovations in form and content, delivery and reception, production cultures and aesthetics, reminding us that neither 'radio' nor 'podcasting' should be approached as static objects of analysis but rather as mutually constituting cultural forms. This cutting-edge and vibrant companion provides a rich resource for scholars and students of history, art theory, industry studies, journalism, media and communication, cultural studies, feminist analysis, and postcolonial studies. Chapter 42 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution-Non Commercial-No Derivatives (CC-BY-NC-ND) 4.0 license.

An Army of Davids Glenn Reynolds, 2007-02-04 There was a time in the not-too-distant past when large companies and powerful governments reigned supreme over the little guy. But new technologies are empowering individuals like never before, and the Davids of the world-the amateur journalists, musicians, and small businessmen and women-are suddenly making a huge economic and social impact. In *Army of Davids*, author Glenn Reynolds, the man behind the immensely popular *Instapundit.com*, provides an in-depth, big-picture point-of-view for a world where the small guys matter more and more. Reynolds explores the birth and growth of the individual's surprisingly strong influence in: arts and entertainment, anti-terrorism, nanotech and space research, and much more. The balance of power between the individual and the organization is finally evening out. And it's high time the Goliaths of the world pay attention, because, as this book proves, an army of Davids is on the rise. Endorsements: George Orwell feared that technology would enable dictators to enslave the masses. Glenn Reynolds shows that technology can empower individuals to determine their own futures and to defeat those who would enslave us. This is a book of profound importance-and also a darn good read. -MICHAEL BARONE, senior writer at U.S. News & World Report and author of *Hard America*, *Soft America* Blogger extraordinaire Glenn Reynolds shows how average Americans can use new technologies to overcome the twin demons of corporate greed and incompetent government. Reynolds is a compelling evangelist for the power of the individual to change our world. -ARIANNA HUFFINGTON, author of *Pigs at the Trough* and *Fanatics and Fools* A smart, fun tour of a major social and economic trend. From home-brewed beer to blogging, Glenn Reynolds is an engaging, uniquely qualified guide to the do-it-yourself movements transforming business, politics, and media. -VIRGINIA POSTREL, Forbes columnist and author of *The Future and its Enemies* and *The Substance of Style* A student in her dorm room now commands the resources of a multi-million dollar music recording or movie editing studio of not so many years ago. The tools of creativity have been democratized and the tools of production are not far behind (Karl Marx take note). Glenn Reynolds's beguiling new book tells the insightful story of how an 'army of Davids' is inheriting the Earth, leaving a trail of obsolete business models not to mention cultural, economic, and political institutions in its wake. -RAY KURZWEIL, scientist, inventor, and author of several books including *The Singularity is Near* 'Must-read,' 'gotta have,' 'culture-changing' . . . I am suspicious of blurbs with such overused plugs. But Glenn Reynolds's *An Army of Davids* is in fact a must-read new book that you gotta have if you are going to understand the culture-changing forces that are unleashed and at work across the globe. -HUGH HEWITT, syndicated talk radio host and author of *Blog and Painting the Map Red* Glenn Reynolds has written an essential book for understanding how technology and markets are creating a bottom-up shift in power to ordinary people that is changing business, government, and our world. Packed with fresh ideas and adorned with graceful prose, *An Army of Davids* is a masterpiece. -JOE TRIPPI, author of *The Revolution Will Not Be Televised*

Radio's Second Century John Allen Hendricks, 2020-03-13 Winner of the 2022 Broadcast Education Association Book Award One of the first books to examine the status of broadcasting on its one hundredth anniversary, *Radio's Second Century* investigates both vanguard and perennial topics relevant to radio's past, present, and future. As the radio industry enters its second century of existence, it continues to be a dominant mass medium with almost total listenership saturation despite rapid technological advancements that provide alternatives for consumers. Lasting

influences such as on-air personalities, audience behavior, fan relationships, and localism are analyzed as well as contemporary issues including social and digital media. Other essays examine the regulatory concerns that continue to exist for public radio, commercial radio, and community radio, and discuss the hindrances and challenges posed by government regulation with an emphasis on both American and international perspectives. Radio's impact on cultural hegemony through creative programming content in the areas of religion, ethnic inclusivity, and gender parity is also explored. Taken together, this volume compromises a meaningful insight into the broadcast industry's continuing power to inform and entertain listeners around the world via its oldest mass medium--radio.

Can I Get a Witness? Brian Garcia, 2013-12 Jehovah's Witnesses are among one of the most misunderstood religious groups in the World today. Can I Get A Witness? How to Understand and Set Free Jehovah's Witnesses" is a book that helps interested persons and especially Christians, to better understand what Jehovah's Witnesses believe and why they believe it, by getting in the mind of someone who was born and raised in the religion. "Can I Get A Witness?" not only deeply examines the major beliefs of Jehovah's Witnesses, but it also equips Christians with Biblical answers and defenses for Historic Christianity. "Can I Get A Witness?" is a personal invitation to better understand an often misunderstood people, so that they too can receive a saving witness of Jesus Christ.

The Radio Station John Allen Hendricks, Bruce Mims, 2018-05-01 The Radio Station offers a concise and insightful guide to all aspects of radio broadcasting, streaming, and podcasting. This book's tenth edition continues its long tradition of guiding readers to a solid understanding of who does what, when, and why in a professionally managed station. This new edition explains what radio in America has been, where it is today, and where it is going, covering the basics of how programming is produced, financed, delivered and promoted via terrestrial and satellite broadcasting, streaming and podcasting. John Allen Hendricks and Bruce Mims examine radio and its future within a framework of existing and emerging technologies. The companion website is new revised with content for instructors, including an instructors' manual and test questions. Students will discover an expanded library of audio interviews with leading industry professionals in addition to practice quizzes and links to additional resources.

Podcasting Dario Llinares, Neil Fox, Richard Berry, 2018-07-24 Podcasting: New Aural Cultures and Digital Media is the first comprehensive interdisciplinary collection of academic research exploring the definition, status, practices and implications of podcasting through a Media and Cultural Studies lens. By bringing together research from experienced and early career academics alongside audio and creative practitioners, the chapters in this volume span a range of approaches in a timely reaction to podcasting's zeitgeist moment. In conceptualizing the podcast, the contributors examine its liminal status between the mechanics of 'old' and 'new' media and between differing production contexts, in addition to podcasting's reliance on mainstream industrial structures whilst retaining an alternative, even outsider, sensibility. In the present tumult of online media discourse, the contributors frame podcasting as indicative of a 'new aural culture' emerging from an identifiable set of industrial, technological and cultural circumstances. The analyses in this collection offer a range of interpretations which begin to open avenues for further research into a distinct Podcast Studies.

Mama Bear Apologetics™ Hillary Morgan Ferrer, 2019-06-04 *Foreword written by Nancy Pearcey* Parents are the most important apologists our kids will ever know. Mama Bear Apologetics will help you navigate your kids' questions and prepare them to become committed Christ followers." —J. Warner Wallace If every Christian mom would apply this book in her parenting, it would profoundly transform the next generation. —Natasha Crain #RoarLikeAMother The problem with lies is they don't often sound like lies. They seem harmless, and even sound right. So what's a Mama Bear to do when her kids seem to be absorbing the culture's lies uncritically? Mama Bear Apologetics™ is the book you've been looking for. This mom-to-mom guide will equip you to teach your kids how to form their own biblical beliefs about what is true and what is false. Through

transparent life stories and clear, practical applications—including prayer strategies—this band of Mama Bears offers you tools to train yourself, so you can turn around and train your kids. Are you ready to answer the rallying cry, “Mess with our kids and we will demolish your arguments”? Join the Mama Bears and raise your voice to protect your kids—by teaching them how to think through and address the issues head-on, yet with gentleness and respect.

Cold-Case Christianity J. Warner Wallace, 2013-01-01 Written by an L. A. County homicide detective and former atheist, *Cold-Case Christianity* examines the claims of the New Testament using the skills and strategies of a hard-to-convince criminal investigator. Christianity could be defined as a “cold case”: it makes a claim about an event from the distant past for which there is little forensic evidence. In *Cold-Case Christianity*, J. Warner Wallace uses his nationally recognized skills as a homicide detective to look at the evidence and eyewitnesses behind Christian beliefs. Including gripping stories from his career and the visual techniques he developed in the courtroom, Wallace uses illustration to examine the powerful evidence that validates the claims of Christianity. A unique apologetic that speaks to readers’ intense interest in detective stories, *Cold-Case Christianity* inspires readers to have confidence in Christ as it prepares them to articulate the case for Christianity.

Web 2.0-Based E-Learning: Applying Social Informatics for Tertiary Teaching Lee, Mark J.W., McLoughlin, Catherine, 2010-07-31 This book deals with Web 2.0 and how social informatics are impacting higher education practice, pedagogical theory and innovations--Provided by publisher.

Questions Young People Ask - Answers That Work Watch Tower Bible and Tract Society of New York, 2008-01-01 This volume will help you answer questions about: The Opposite Sex Life Changes Friendship Issues School and Your Peers Money Matters Your Parents Your Feelings Recreation Your Spiritual Growth

Conversations with Jehovah's Witnesses Ron Rhodes, 2014-02-01 An unfamiliar car parks near your house, and two pleasant-looking folks approach your front door. The doorbell rings, and after exchanging pleasantries, your unexpected guests offer you some literature from the Watchtower Society. What will you say? What should you say? Should you engage your visitors in conversation at all? And if so, how? Trusted Bible teacher Ron Rhodes guides you through several realistic dialogues with Jehovah’s Witnesses, demonstrating helpful techniques for listening, asking questions, avoiding offense, and more. He includes the information you need to address the big issues, including the New World Translation of the Bible, the divine name, the Trinity, salvation, and the afterlife. With this practical, kindhearted, and easy-to-understand resource, you can actually enjoy discussions about your faith when Jehovah’s Witnesses come to call, and you can lovingly guide them to the truth about Jesus Christ.

Scholarly Podcasting Ian M. Cook, 2023-01-30 Exploring what academic podcasting is and what it could be, this book is the first to consider the why, what, and how academics engage with this insurgent, curious craft. Featuring interviews with 101 podcasting academics, including scholars and teachers of podcasting, this book explores the motivations of scholarly podcasters, interrogates what podcasting does to academic knowledge, and leads potential podcasters through the creation process from beginning to end. With scholarship often trapped inside expensive journals, wrapped in opaque language, and laced with a standoffish tone, this book analyses the implications of moving towards a more open and accessible form. This book will also inform, inspire, and equip scholars of any discipline, rank, or affiliation who are considering making a podcast or who make podcasts with the background knowledge and technical and conceptual skills needed to produce high-quality podcasts through a reflexive critique of current practices.

Podcast or Perish Lori Beckstead, Ian M. Cook, Hannah McGregor, 2024-01-25 The growth of scholarly podcasting engenders radical possibilities for how we conceive of knowledge creation and peer review. By investigating the historical development of the norms of scholarly communication,

the unique affordances of sound-based scholarship and the transformative potential of new modes of creating and reviewing expert knowledge, Podcast or Perish is the call to action academia needs, by asking how podcasting might change the very ways we think about scholarly work.

Lowering Higher Education James E. Côté, Anton Allahar, 2011-01-01 A history of a mission adrift : the idea of the university subverted -- Stakeholder relations : the educational forum -- Standards : schools without scholarship? -- Universities : crisis, what crisis? -- Students : is disengagement inevitable? -- Technologies : will they save the day? -- Recommendations and conclusions : our stewardship of the system.

Taboo Wilfred Reilly, 2020-01-28 You Can't Say That! Do you have a right to be offended by the facts? Against all the evidence, the mainstream media insist that America has never been more racist and sexist. The police are waging a war on Black people. "White privilege" means minorities never get a fair shake. Although this narrative of oppression is demonstrably fictitious, it is taboo to question it, and those who do so risk being labeled racist or sexist themselves. America needs an honest conversation based on common sense and cold, hard facts. Honesty and respect for the facts are the specialty of Wilfred Reilly, the celebrated author of Hate Crime Hoax. In Taboo, he fearlessly examines ten forbidden truths that have been buried by political correctness. They include: -The Black rate of violent crime is roughly 2.5 times the white rate. When demographic variables are taken into account, there are no racial differences in the rate of police-involved shootings. -Interracial crime is remarkably rare, but 75 to 80 percent of it occurs against white people. -Minorities can be racist—take the Nation of Islam, which holds that white people are an inferior race created by a Black scientist. -Disparities between racial groups in IQ testing and SAT performance are the result of cultural variables, such as the presence of a father in the home, not racism. Reilly goes where most social scientists fear to tread, using objective statistics and common sense to tackle taboo topics. Taboo is an essential takedown of the lies you hear every day from ideological activists and lazy, biased media.

Jw Podcaster Introduction

Jw Podcaster Offers over 60,000 free eBooks, including many classics

that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Jw Podcaster Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Jw Podcaster : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Jw Podcaster : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Jw Podcaster Offers a diverse range of free eBooks across various genres. Jw Podcaster Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Jw Podcaster Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Jw Podcaster, especially related to Jw Podcaster, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Jw Podcaster, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Jw Podcaster books or magazines might include. Look for these in online stores or libraries. Remember that while Jw Podcaster, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Jw Podcaster eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Jw Podcaster full book , it can give you a taste of the authors writing style. Subscription Services Platforms

like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Jw Podcaster eBooks, including some popular titles.

FAQs About Jw Podcaster Books

What is a Jw Podcaster PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Jw Podcaster PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Jw Podcaster PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Jw Podcaster PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Jw Podcaster PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing

capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
