Sooner Than You Think K. Michelle, 2019-06-26 Mackenzie When I first met Ryland Bennett, I was a blubbering mess. When I, quite literally, ran into him the second time, he took me to the ER. When we had seen each other the third time, that was our moment. The one that changed both of our lives. The last 6 years have been the most difficult, and lonely, of my life. Moving to Charleston to help open a bakery, that my best friend Talia had started, was the only thing keeping me going after tragedy had struck. Then I met Ryland, and I don't think falling in love had ever been easier. But as quickly as we fell in love, the end was dangling in front of us. A clock counting down. Both of us staring down the barrel of a gun, unsure if it was loaded, with a finger on the trigger. I had to learn quickly that if you want something bad enough, you have to fight for it. Ryland Moments. Life is all collective moments in time that define you. And I've gone through several in my life that have changed me. Some for the worse, some for the better. Mackenzie was a better. Actually, she was the best moment ever brought into my life. Just like every one of my moments with her have been. These are the ones I find myself hanging onto with every fiber of my soul now. Because the good things in life are taken away sooner than you think.

No Competition Between Flowers Michelle K, 2016-03-01 No Competition Between Flowers is the first book of poetry by Michelle K.

Reading with Patrick Michelle Kuo, 2017-07-11 "In all of the literature addressing education, race, poverty, and criminal justice, there has been nothing quite like Reading with Patrick."—The Atlantic A memoir of the life-changing friendship between an idealistic young teacher and her gifted student, jailed for murder in the Mississippi Delta FINALIST FOR THE DAYTON LITERARY PEACE PRIZE Recently graduated from Harvard University, Michelle Kuo arrived in the rural town of Helena, Arkansas, as a

Teach for America volunteer, bursting with optimism and drive. But she soon encountered the jarring realities of life in one of the poorest counties in America, still disabled by the legacy of slavery and Jim Crow. In this stirring memoir, Kuo, the child of Taiwanese immigrants, shares the story of her complicated but rewarding mentorship of one student, Patrick Browning, and his remarkable literary and personal awakening. Convinced she can make a difference in the lives of her teenaged students, Michelle Kuo puts her heart into her work, using quiet reading time and guided writing to foster a sense of self in students left behind by a broken school system. Though Michelle loses some students to truancy and even gun violence, she is inspired by some such as Patrick. Fifteen and in the eighth grade, Patrick begins to thrive under Michelle's exacting attention. However, after two years of teaching, Michelle feels pressure from her parents and the draw of opportunities outside the Delta and leaves Arkansas to attend law school. Then, on the eve of her law-school graduation, Michelle learns that Patrick has been jailed for murder. Feeling that she left the Delta prematurely and determined to fix her mistake, Michelle returns to Helena and resumes Patrick's education—even as he sits in a jail cell awaiting trial. Every day for the next seven months they pore over classic novels, poems, and works of history. Little by little, Patrick grows into a confident, expressive writer and a dedicated reader galvanized by the works of Frederick Douglass, James Baldwin, Walt Whitman, W. S. Merwin, and others. In her time reading with Patrick, Michelle is herself transformed, contending with the legacy of racism and the questions of what constitutes a "good" life and what the privileged owe to those with bleaker prospects. "A powerful meditation on how one person can affect the life of another . . . One of the great strengths of *Reading with Patrick* is its portrayal of the risk inherent to teaching."—The Seattle Times "[A] tender memoir."—O: The Oprah Magazine

Later Than You Think K Michelle,2019-08-15 Is it possible for a shattered girl to love a broken boy? Each of them marrying the chips and holes in the cracks that are barely holding them together. Drawn to each other like two magnets, fighting for what they want. What is meant to be. To be together.Or are they just two broken people? Lapping up the love that's dripped down the side of a knife, hoping they don't get cut.I lived in hell growing up. Trusting a man, I believed to be a best friend, only to find out he was the devil disguised as my savior.I had a dad that cared more about his next high, than he did his daughter.I lost a sister, who is the only reason I'm standing here today. I love a man, that I won't let myself have.Unaware and unassuming, I have danger staring me right in the eyes, oblivious to the destruction looming ahead of me. Timing my demise perfectly, never wanting me to have my happy ending.Because for people like me, the good things in life come much later than you think.*Contains sexual situations, violence, sensitive and taboo subjects, language and mature topics. Recommended for readers 18 years and up.

Sanctum K Michelle,2020-02-23 Do I scare you, Little One? Do I make your knees shake and hands tremble? Does your heart race and your lips quiver around me? I'm your worst nightmare, lurking in the black oblivion that surrounds you. Always watching. Always waiting. They call me Priest, and I'll make you repent for your sins. But I won't be able to protect you from mine. Do I scare you, Cohen? Does my mere presence heighten your pulse and warm the blood in your veins? Do I stir the deepest parts of you? The parts you buried deep inside long ago? Admit it, Cohen, I'm a thrill, scattered within the deepest layers of your mind. Always tempting. Always enticing. You found me in

the woods. You were a danger, and I was naïve. But now I want the wolf that hunts me. Call it a truce. Call it a surrender. He needs justice. I need answers. It's us against them. Cohen may have claimed me, but Sanctum wants to own me. They plan on collecting. But so am I .**Includes themes of graphic violence**

Allowing God to complete us is a process.

Crying in H Mart Michelle Zauner, 2021-04-20 #1 NEW YORK TIMES BESTSELLER • From the indie rock sensation known as Japanese Breakfast, an unforgettable memoir about family, food, grief, love, and growing up Korean American—"in losing her mother and cooking to bring her back to life, Zauner became herself" (NPR). • CELEBRATING OVER ONE YEAR ON THE NEW YORK TIMES BESTSELLER LIST In this exquisite story of family, food, grief, and endurance, Michelle Zauner proves herself far more than a dazzling singer, songwriter, and guitarist. With humor and heart, she tells of growing up one of the few Asian American kids at her school in Eugene, Oregon; of struggling with her mother's particular, high expectations of her; of a painful adolescence; of treasured months spent in her grandmother's tiny apartment in Seoul, where she and her mother would bond, late at night, over heaping plates of food. As she grew up, moving to the East Coast for college, finding work in the restaurant industry, and performing gigs with her fledgling band--and meeting the man who would become her husband--her Koreanness began to feel ever more distant, even as she found the life she wanted to live. It was her mother's diagnosis of terminal cancer, when Michelle was twenty-five, that forced a reckoning with her identity and brought her to reclaim the gifts of taste, language, and history her mother had given her. Vivacious and plainspoken, lyrical and honest, Zauner's voice is as radiantly alive on the page as it is onstage. Rich with intimate anecdotes that will resonate widely, and complete with family photos, *Crying in H Mart* is a book to cherish, share, and reread.

Open Borders Inc. Michelle Malkin, 2019-09-10 Follow the money, find the truth. That's Michelle Malkin's journalistic mantra, and in her stunning new book, *Open Borders Inc.*, she puts it to work with

a shocking, comprehensive exposé of who's behind our immigration crisis. In the name of compassion—but driven by financial profit—globalist elites, Silicon Valley, and the radical Left are conspiring to undo the rule of law, subvert our homeland security, shut down free speech, and make gobs of money off the backs of illegal aliens, refugees, and low-wage guest workers. Politicians want cheap votes or cheap labor. Church leaders want pew-fillers and collection plate donors. Social justice militants, working with corporate America, want to silence free speech they deem “hateful,” while raking in tens of millions of dollars promoting mass, uncontrolled immigration both legal and illegal. Malkin names names—from Pope Francis to George Clooney, from George Soros to the Koch brothers, from Jack Dorsey to Tim Cook and Mark Zuckerberg. Enlightening as it is infuriating, Open Borders Inc. reveals the powerful forces working to erase America.

Through it all, the Queen made no excuses. Instead, she made commandments. This book shares Ms. Smalls' moments of heartache, triumphs, betrayal, and disloyalty. She believes in order to survive and be successful in the hustle of life, you must respect the Code and follow the Commandments.
